Lincoln, Super Brother and his harem and sisters and team, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after William Birkin, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels, and they exploded with incredible power as they hit him. Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot him with bullets and stun blasts and Sly Cooper whacked him hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit him on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to William Birkin, and he screamed in agonizing pain.

Lincoln continued smashing William Birkin hard with his extremely massive godly superhuman strength, and he's no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him and he even attacked him using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than

ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash him all over the place!

Qin: Birkin doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering him, now he's at the mercy of The True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at Birkin and he got beaten up real good and he was mangled!

Then, Andre Lupescu shot at Birkin, then Andre Lupescu slashed at him with his massive greatsword, same with Abaddon Aeternus doing the same thing to him.

Time to die, Birkin. (ECHOING VOICE) BLAZING HELIX!

Lincoln fired a powerful red energy helix blast surrounded by fire, and it pierced Birkin right through his chest and he burst into flames and he was sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down and returned home to The World Tree Estate and we had the Young JNPR welcomed into the team along with Jill Valentine and Rebecca Chambers.

Me: That was one intense fight, but it's over for Birkin.

Nico: And whoever our mystery friend is, he also killed Wesker's sister in the same way he killed Darren Devereaux.

Lincoln: I still say there's something very familiar about him, but either way, Birkin's gone forever, and the showdown with Wesker in the future is secure.

?: Aw man, I missed the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Blizzed, Defender of the Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Blizzed, Defender of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Blizzed, Defender of the Ice Barrier, and she has an ice greatsword and with her are the sixteen girls.

Lincoln: (GASPS) Alaska Frostine, Avatar and Gene-Slammer of Blizzed, Defender of the Ice Barrier.

Alaska Frostine: That's right, and I got the girls away from that monster, Birkin, and from that she-Wesker.

Nico: Smart move.

Me: I hope you didn't run into any zombies here.

Lincoln: We didn't sense any of them, after what happened last year, Raccoon City was left as a ghost town left to rot forever after its destruction. But, at least, we got rid of Birkin forever. (To Alaska Frostine) And it's so good to see you again, Alaska.

Alaska Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Alaska Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Alaska Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Alaska Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Alaska Frostine's waist and hugged her, and Alaska Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Alaska Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Alaska Frostine, Avatar and Gene-Slammer of Blizzed, Defender of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Blizzed, Defender of the Ice Barrier. She's The Ice Defender of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Alaska Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Blizzed, Defender of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Blizzed, Defender of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and what many of us didn't know was that Alaska Frostine knew James Blunt was a vampire same with Cage Blunt, and she knew that James Blunt took Caleb Maxwell in after he came back from the dead in 1993, and he'd been looking after him, and when she saw James Blunt get Caleb Maxwell to open his heart and let his emotions out once again, she thought it would end in blood because of the very toxicity and darkness that poisoned him, but when she saw Caleb Maxwell hug James Blunt and cry his heart out for the first time since his death, she knew Caleb needed help, and James Blunt would be the one to help him, and two years later, when Cage came back, she saw him reconcile with Caleb and Caleb cried tears once again, but not of pain or despair, but of pure happiness.

Me: Amihan explained everything about your story, and at least, you saw that Caleb needed help and Cage's dad was the one to do so.

Amihan Frostine: Yes, that's right, and it was the first step Caleb took to recover what he'd lost all those years ago.

Lincoln: And that also included his memories, but when they came back to him that led to all Hell breaking loose in New York for those responsible for his living Hell, and now that you're here, Alaska.

Lincoln with his massive muscular arms still wrapped around Alaska Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Alaska Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Alaska Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Alaska Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Alaska Frostine.

Alaska Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Alaska Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Alaska Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Alaska Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Alaska Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the sixteen girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the sixteen girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the sixteen girls are Sakura Kouko, Isora Matsuri, Kayano Aki, and Yukimiya Nanaka from Shamrock no Hanakotoba and Sophia Aoki, Aya Himuro, Yuuki Mikage, Mafuyu Oribe, Suzu Saikawa, Karen Sakuraba, Otoha Sometani, Makoto Sudou, Kaho Suzumura, Shizuku Takanashi, Kasumi Tsukishima, and Chigusa Yuuki from Saimin Seishidou.

Lincoln: And easy targets for people like Darren Devereaux to kill to slake their thirst for blood. Are you girls okay?

Sakura Kouko: Yes, we're okay thanks to you.

Lincoln: And his sister also got what she deserved, now all that's left is to get rid of Wesker.

?: He's got a lot to answer for when we get him.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long black hair with purple streaks, purple eyes, black angel wings, she has a darkness greatsword in her right hand, and she has on a purple two-piece bikini.

Lincoln: (GASPS) Lilith Succubara, Queen of The Succubarians of Planet Succubara.

Nico: No way, the only Succubarian that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Lilith Succubara, Queen of The Succubarians of Planet Succubara, she's Lincoln's Guardian Angel from Planet Succubara, a planet of darkness, desire, and Succubi, she's the Queen of The Succubarians of Planet Succubara inhabited by powerful warrior angels known as The Incubarians, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and natural night hunters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, seduction, desire, shadows, and psychic manipulation, and the immense omnipotent powers of the Incubi times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and the Succubarians have the voluptuous looks and bodies to prove it, and they are masters of seduction and have vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, incredible godly powers and immense female fertility, she's The Queen of The Succubarians of Planet Succubara, and she's also far more powerful than her own people: in addition to being a natural born fighter, natural born seductress, and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, desire, shadows, psychic manipulation, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, incredible godly powers, and the powers of The Succubi times infinity, and the ability to grow even stronger, but she was also born with black angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, desire, shadows, psychic manipulation, immense omnipotent powers of darkness times infinity, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, incredible godly powers, and the powers of The Succubi times infinity, and the ability to grow even stronger, and like with Almightairaira, The Incubarians and The Succubarians drove off the Infernairans, and they had the dream: when The Reincarnation of Amaterasu was forever purified, the Incubarians and Succubarians would send a message to him in a dream inviting him to Succubara where he would meet The Succubarians and The Incubarians and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Incubarians into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, seduction, desire, shadows, and psychic manipulation, and the immense omnipotent powers of the Incubi times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Succubara and its core into his body and Succubara's Sun into his body to preserve their legacy. Lilith Succubara came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, seduction, desire, shadows, and psychic manipulation, and the immense omnipotent powers of the Incubi and Succubi times infinity, and the ability to grow stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, seduction, desire, shadows, psychic domination, psychic manipulation, and all the powers of The Incubarians and Succubarians times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Incubarians gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, seduction, desire, shadows, and psychic manipulation, and the immense omnipotent powers of the Incubi and Succubi times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Succubara and its core and Succubara's Sun into his body to preserve their legacy. Lincoln made her an awesome darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them consumed by endless shadows with the power of Succubara.

Me: That's incredible.

Lilith Succubara: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Incubarians along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, seduction, desire, shadows, and psychic manipulation, and the immense omnipotent powers of the Incubi and Succubi times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and absorbed Succubara and its core and its massive Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Lilith Succubara: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-

ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Lilith Succubara: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Lilith Succubara to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999

massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Lilith Succubara with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Lilith Succubara: That's my special gift to him: Succubara's Blessing of Divine Darkness Seduction Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Lilith Succubara: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot male Incubarians and female Succubarians are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Alaska, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Alaska Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: Have any of your Guardian Angels got an idea as to the identity of the guy who shot Darren Deveraux and killed Alex Wesker, Lincoln?

Lincoln: All we know is he's someone whom I'd known since I was ten around the time my Guardian Angels started to appear and around Lori's age.

Me: So, he was a high school student, that's some of the details at least, and the shot he took that killed Darren Devereaux proves he's also an expert marksman, and when we found Alex Wesker's body, she also had a gunshot to the chest, but she was also cleaved in two by some sort of massive blade, so he's also a swordsman and very good with wielding a massive sword.

Lori: (GASPS) Michael Brenton!

Lincoln: So, that's who it was that shot Darren Devereaux and cleaved Alex Wesker in two! I knew it was you!

Adara Vulcania: Uh oh, The Tiger of Royal Woods is here!

Me: Uh oh, I can guess he has quite the reputation as a fighter, huh?

Adara Vulcania: Oh, you have no idea. Michael Brenton is one of the toughest and strongest of all of Lincoln's allies, he was born with massive angel wings, excessive tons of godly superhuman strength, excessive tons of godly superhuman speed, excessive tons of godly superhuman agility, excessive tons of godly superhuman reflexes, excessive tons of godly superhuman durability, excessive tons of godly superhuman endurance, immense regeneration, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, Cosmic Pyrokinesis, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures and legendary mythical beasts of fire.

Ember Vulcania: And what you said about him being a fighter is true, J.D., Michael Brenton is known as The Tiger of Royal Woods, he's the bravest, strongest, and courageous of Lincoln's allies, and he's the strongest fighter who's never lost a fight, no one was able to defeat him, and you'd better watch out though, he gets pretty wild and he's like a ferocious tiger, and it always ends with his opponent beaten to a pulp with a black eye, a split lip, and a lump on his head.

OUR JAWS DROPPED!

CLANG!

Lincoln closed our jaws with telekinesis.

Me: Whoa! Hey, wait a second, I remembered hearing about a guy who beat up a ton of bikers in the bar five years ago, that was...!

Michael Brenton: Yes, that was me.

Nico: I remembered hearing that too! Damn, you really laid down the law on those thugs.

Michael Brenton: I've done it before but that was in high school when that bastard, Tyler Corso, along with Nate Krenshikov came back for revenge once.

Bobby: That I remember, you body-slammed them into the ground and threw them right into the bleachers outside the school.

Luna: It was brutal, but those losers had it coming.

Adara Vulcania: And he held his own against Aodhan many times before and he killed Aodhan's gang and burned them all to death.

Lincoln: That I also remember, Aodhan Vulcania was a dangerous bastard with powers of fire, but against an angel of fire like Michael Brenton, he had no chance. So, you were the one who shot Darren and killed him.

Michael Brenton: That's right. I had a bad feeling about Darren, I knew about his family's curse, but I had no idea he became Anti-Monitor's spy. But, this was due to him finally giving into the curse and finally losing the last of his humanity. But, what you guys don't know is why I went missing, I was coming home from school, but as I did, the police were there, and the officer told me my parents and my sister, Rachel, were murdered in cold blood. The security cameras didn't catch who it was that did the deed as they were destroyed in the attack, and that included the data of the footage. So, I went to get help from an underground informant, and he told me the guy who killed my parents and my sister was Aodhan Vulcania, but he wasn't alone, he, Aurelius Frostine, and the other older brothers of the other groups were also there, along with the true mastermind behind the attack, Darren Devereaux. I knew if I were to tell the police, that'd piss them off.

Lincoln: And get them to come after you. So, you went into hiding, and I'd recognize the symbols of The Sanada and The Takeda, now I know where you went to.

Nobuyuki Sanada: Yes, he went to our world, and knowing from the clothes, he came from your world, Lincoln.

Yukimura Sanada: We never knew why he came to our world, you sealed the portal years ago after you completed what you set out to do.

Lincoln: That's what I thought, but Michael's power must've led to him opening the portal once again, it was due to the fear of getting attacked that led to the portal reopening, and after his transformation, he found a way back home and resealed the portal.

Me: Thus keeping you in the dark about that.

Nico: That was pretty rough for you.

Michael Brenton: I know.

We got a shower, and then, Lincoln, Rio, Arnice, Christophorus, Millenia, Laegrinna, Piper, Nya, T, S, Millie O'Callaghan, Catherine Fleming, Lucille Tessendorf, Emma Doorman, Claire Parsons, Jessica Adaline De la Mora, Cilantro Cobra Cookie, and Apple Faerie Cookie are heading to Emerald Coast, and joining them are the rest of his harem.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw Metatron from Shin Megami Tensei II coming after them.

Anna Anyanova: Oh no, Metatron from Shin Megami Tensei II.

Lincoln: What the?! I got him.

Lincoln went after Metatron from Shin Megami Tensei II and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Metatron and he began absorbing him and he assimilated Metatron's Immeasurable Strength, Immeasurable Speed, Immeasurable Durability, Superhuman Agility, Superhuman Metabolism, Superhuman Senses, Energy Sensing, Omnipresence, Authority, Immortality, Flight, Sharp Wings, Godly regeneration, Reality warping, Invisibility, Intangibility, Imperceptibility, Inaudibility, Velocity manipulation, Shapeshifting, Dream walking, Dream manipulation, Hacking, Technopathy, Acausality, Transduality, Dimensional travel, Battlefield removal, Sealing, Power bestowal, Power modification, Power absorption, Power mimicry, Empowerment, Angelic empowerment, Empathic manipulation, Sound manipulation, Vibration manipulation, Afterimage creation, Physical and mental corruption, Forcefield creation, Size manipulation, Density manipulation, Telepathy. Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed him and assimilated all of his powers and abilities, and I sucked out the last of his energy and sent him to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nicole: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Nico was taking a nap.

Nico: (Snoring)

Keiko: Where are the mascots?

Me: I think I have a pretty good idea where they are. Masters of Evil HQ.

Nico: (Snoring)

Keiko: Nico's sure tired.

Me: The rescue took a lot out of him.

Captain Boomerang was in his room.

Captain Boomerang: (Australian Accent) Crikey! Wonder what items will be used next. I mean, J.D. and the rest still don't have 310 mascots

He was thinking about it.

Back at the estate we were thinking.

Yusuke: We better get over there

Me: Okay.

Yusuke: What about sleeping beauty?

Me: Let him sleep. He had a huge rescue and it took it out of him.

We were off.

Captain Boomerang laid on his bed

SQUEAK

Captain Boomerang tapped his pillow and it laughed.

Captain Boomerang: Huh?

Captain Boomerang shook the pillow out and then out came Poliwag.

Poliwag: Hello!

Captain Boomerang: Crikey! Poliwag what are you doing here you little nipper?

Poliwag: Playing hide and seek with Poromon. Wow nice room you have here! Looks like the Outback.

Captain Boomerang: It sure is a nice place.

Poliwag: It was this or King Shark's room.

Captain Boomerang: King Shark's room is a shark tank.

Poromon came in!

Poromon: Aha! Found you!

Poliwag: Oh man!

A Kangaroo and a platypus called.

Poliwag: A Platypus and a Kangaroo? Wow!

Captain Boomerang: Yep. The Kangaroo is Fuli and the Platypus is Verra.

Poromon: They are so cute.

Captain Boomerang: They sure are mates.

Minutes later we arrived and went in.

Octopunch: Haven't seen a Core MOE room for a while

Me: I know.

Vypra: Hey where's Nico?

Me: Taking a nap. The rescues took a lot out of him.

Qin: Yeah.

Vypra: Oh.

We arrived at Captain Boomerang's room and we went in and saw the mascots giving eucalyptus leaves to the Kangaroo.

Me: Wow nice room Digger.

Captain Boomerang: Thanks mates.

Poromon: His room is amazing.

Qin: Outback awesome.

Me: Are these your Kangaroo and Platypus friends?

Captain Boomerang: Yep. The Kangaroo is Fuli and Platypus is Verra.

Fluttershy: Aww they are so adorable.

Captain Boomerang: So, figured out what items we're using in the usual battles next. Because I don't think all the Core members have mascots yet

Seaspray: And you're right

Me: We're still working on that. But we're about three quarters of the way done.

Eli: Yeah.

Me: (Sees something) Hey look there. There's a Koala too.

Captain Boomerang: Crikey, I Don't remember having a Koala too.

Me: What the?

Then he jumped down and turned back and it was a Ditto.

Me: Hey a Ditto.

Duplica: Wow! That is so cool. Looks like my Ditto has a friend.

Then the Ditto turned into a photo and it was an old boyfriend of Jessie's and he had a goofy face.

Jessie: HUH?

James and Meowth: (LAUGHING HYSTERICALLY)

James: YOUR FIRST LOVE SURE HAS AN INTERESTING FACE!

Meowth: (LAUGHING) YOUR FIRST LOVE IS A DITTO!

Jessie growled!

WHAP WHAP WHAP WHAP!

She bashed them both on their heads!

Jessie: THAT WASN'T FUNNY!

Vierra Voltic: Why not Jessie. You found a really ugly boyfriend in him. Lincoln is better than him.

BURN! BOOM! ROASTED!

JAMES AND MEOWTH LAUGHED MORE!

KRABLAM!

She bashed James and Meowth more.

Jessie: You actually have a good point.

Vierra Voltic: For once we agree on something.

Sheena: And this is a really strange one. It's a Splixson Girl named Dahlia Ditto.

Me: Half of Ditto of Hathor's kind.

DItto (Ben 10): That is really crazy that I share the same name as Ditto the Pokemon.

Me: Pretty obvious on that one.

She turned into a copy of Horsea. Horsea stared at her for a minute. She then hopped and Horsea did the same. It was like looking in a mirror. They also did funny faces, blew raspberries, burped, and danced around. They finished it with squirting ink at each other.

Horsea: HEY!

Me: Okay that's funny.

Ditto changed back.

Lincoln: That was actually funny.

Me: It was.

I snapped my fingers and she reverted back.

She was a girl with purple hair and purple eyes and had purple angel wings and had the Pokemon, Ditto on her forehead and she Ditto the Splixson and a X2 symbol on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

She woke up to see Horsea's smiling face

Dahlia Ditto: (Groans) Huh? A Horsea?

Horsea: You turned into me and we had fun!

Dahlia Ditto: I did?

Me: Well you were turned into the Pokemon Ditto by Dark Gale.

Dahlia Ditto: Oh man. I was fighting some of Dr. Animo's work. He had a mutant frog with him.

Ben: I remember that frog. Nasty.

Me: Fucked up.

Lola: Yeah.

Dahlia Ditto: I know.

Poliwag: You becoming a Ditto is actually fitting

Me: Because not only are you half Splixson of Hathor but also the Transform Pokemon.

Dahlia Ditto: They share the same name. What are the odds. But that is cool.

Rarity: It certainly is. Lets get you some new clothes.

The Fashion Brigade gave her new purple and black clothes and a purple sword.

Dahlia Ditto: Wow I look great.

Me: You sure do.

Dahlia Ditto: Wait where's Nico?

Me: He's back home sleeping. Big rescue that took it out of him earlier this morning.

Dahlia Ditto: Oh. I see.

We went back home.

We came back home.

Nico was sleeping.

Me: Boy I hope Nico isn't sleeping all the way through the big mission today

Nico then woke up.

Tyrone McGee: Well, Rip Van Nico awakens!

Nico: (YAWNS)

Me: Have a nice nap?

Nico: Yep, Did I miss anything?

Me: Well the Mascots were playing Hide and Seek in Captain Boomerang's room and we met Dahlia Ditto here. She is half Splixson and is also a gene-slammer of the Pokemon Ditto.

Horsea: She turned into me.

Dahlia Ditto: It's true. Being Ditto the Pokemon is fitting for me.

Me: It sure is.

Nico: I can see why.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Mr. Iwamoto, another asshole teacher who hated Yusuke and Asshole Akashi's accomplice, he's returned and he's in The Demon World and wants revenge on Yusuke. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh Hell no, that nasty piece of work!

Eli: Uh oh, was that Mr. Iwamoto?!

Lincoln: Yep.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Mr. Iwamoto, another asshole teacher who hated Yusuke and Asshole Akashi's accomplice, he's returned and he's in The Demon World and wants revenge on Yusuke.

EVERYONE GASPED!

Yusuke: I knew we'd be facing him, and he's also in The Demon World, that dumbass!

Keiko: We'd better tie him up and get out of there quick, he has no idea of the kinds of demons we've faced.

Nico: And we'll hear everything about him from Yusuke and you too, Keiko, along with Kuwabara, I got the feeling that I'm gonna hate this guy's guts. Alright, team, let's get going to The Demon World, we got a delinquent teacher to tie up.

Lincoln: We're gonna make this asshole pay for what he's done.

Nico: Boy this guy sounds like a REALLY NASTY piece of work!

Poromon: Can we know more about him?

Me: I was going to say.

Yusuke: Sure. He is a teacher that hates my guts with a vengeance.

He went over his history.

Mr. Iwamoto (岩本, Iwamoto) is a teacher at Sarayashiki Junior High and is Yusuke Urameshi's enemy.

Iwamoto is shown lecturing Yusuke and later insults him at his own funeral with Akashi, being yelled at for it by Takenaka.

Iwamoto claims to strongly care for the reputation of his school, though actually he seems to care only about himself. He is a hypocrite, as he is extremely critical of delinquents and thinks they are the scum of society who deserve to die, yet, when he sees a valuable fountain pen, in attempting to frame Yusuke, he "appropriates" it (steals it). However, it led to his own downfall.

When Yusuke died, he viewed this as a positive development as Yusuke's selfless sacrifice would improve the reputation of the school but agreed with Mr. Akashi that it was more likely that he was chasing after the boy and just happened to get hit by the car.

He seems to like Keiko for her consistently good grades and constantly orders her to stop hanging out with Yusuke, while she mocks him behind his back.

Mr. Iwamoto is Yusuke's mortal enemy at Sarayashiki Junior High. Iwamoto hates Yusuke and feels that delinquents like him besmirch the name of Sarayashiki Junior High and should be expelled.

In the anime, it is he who gives Mr. Akashi the idea to intentionally erase Kuwabara's correct answer and replace it with a wrong answer in an attempt to hurt one of his friends' chances of supporting his family.

He insults Yusuke when he is in person and behind his back and also tried to frame him for theft after he returned to life, only to be later struck from behind by Yusuke with his newly acquired Spirit Gun, making him hit the floor hard. He was unaware that Yusuke hit him. Iwamoto is later possessed by a Makai insect and attacks Keiko but she and Botan give him a taste of his own medicine. Though he eventually corners them, Iwamoto is knocked out once Yusuke destroyed the Makai whistle.

Despite his theft of the student's belongings in an attempt to frame Yusuke, along with his attack upon Principal Takenaka and Keiko while possessed by the Makai insect (which he was grilled by the police while claiming to not remember), he was strangely not fired and continued to be employed as a teacher (possibly under probation), even in the final season. At the end, he failed to expel Yusuke.

Iwamoto is durable enough to survive a spirit gun attack from Yusuke with no serious injuries (before Yusuke became stronger), and punches Yusuke hard enough to make him bleed. When infected by the insect and turned into a zombie, Iwamoto retains all of his personality and ability to speak despite all other infected humans being made mindless. He commands the other zombies in the group to attack Botan and Keiko and would have very soundly defeated them without Yusuke's intervention.

Iwamoto's surprising strength and resistance to the bugs suggests that there may be more to him than what there appears to be, suggesting he was perhaps a demon working with Suzaku. His irrational hatred of Yusuke and desire to continually expel him could be motivated by this, and it could explain why he remains as a teacher for the entire series while his associate, Mr. Akashi, is fired for more minor offenses.

When it was done we were shocked!

Me: Man what a REALLY NASTY piece of work! He should have been fired and never allowed to be a teacher. And the fact that he is a Delinquent himself makes him a grade A Hypocrite.

Keiko: Akashi was his associate

Me: Well the 2 of them can share a cell together.

Qin: Yeah!

Nico: I got a few words to say to this asshole!

The previous group came.

Onyx: Can me, Box Ghost, Trickster, Ssserpent, Mortal Kombat Scorpion, Zavok, David Cain, Thundermon, Ice Demon and Dodgeball Wizard go with you guys? And how did you guys like seeing Captain Boomerang's room?

Me: It was really cool.

Nico: Sorry I missed it. The rescue took it out of me.

Me: No worries.

Nico: And yes you all can come with us.

Camie: We're going after Yusuke's teacher Iwamoto.

Onyx: Oh man! This will be good.

Yumi Urameshi: It's the reason I want revenge on him. For all the crimes he did to my brother.

Qin: Yep.

Viceroy: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping for Elemental HERO Flame Wingman next.

Me: Nice!

Qin: Fiery.

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle

and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Saiki, one of the antagonists from King of Fighters, and he's returned from The Black Gates and wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln: Oh man!

Me: Lincoln, don't tell me! That was...!

Lincoln: Saiki, one of the antagonists from King of Fighters, and he's returned from The Black Gates and wants revenge on us.

Merlona Wizardheart: He's still mad about last year. Well, we better deal with him again.

Lincoln: But, this time, we send him to The Black Abyss.

Nico: Right, if The Black Gates won't work, there's that. Alright, team, time to get going.

Lincoln: This time, Iwamoto's gone too far, time to kick him out of The Demon World and straight into the same prison cell as Asshole Akashi, and once we get done with him, you're next, Saiki.

Merlona Wizardheart: You made a huge mistake coming after us, Saiki, now you're going to pay for all your crimes!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to The Demon World to take down Mr. Iwamoto and send him to prison to join Asshole Akashi, and once we get done with him, Merlona Wizardheart and Lincoln are going to take down Saiki, and Lincoln's going to absorb him.

We were off to the Demon World.

We arrived.

Me: We're here.

THUNDERCLAP!

Lightning struck all over.

Ssserpent: Lets call Black Manta.

Me: Good idea.

We did so.

Black Manta: I'm ready for this one.

Qin: We all are.

Meowth: I'm going to claw that joiks eyes out!

Roy Koopa: We can use our staffs for this

Me: Good idea.

Qin: Yeah.

Cheerilee: This guy gives all teachers like me everywhere a bad name.

Xenia: No kidding!

Lola: What a jerkball!

Keiko: And he showed blatant favoritism towards me!

Me: That makes me sick!

Zavok: So this is the Demon World

Yumi Urameshi: Yep this is it.

Qin: Yep. Been here before.

Lola: It's true.

Zavok: Scary place.

Rothar: Reminds me of the Underworld in Perim

Me: It sure does.

Ymir: But it's home to demons of immense power.

Lola: Yep.

Keiko: I'm going to slap that jerks head off!

Me: Yep.

THUNDERCLAP!

Thunder crashed and lightning streaked all over.

Thundermon: Love that thunder!

Qin: It's scary here.

Lola: Yep.

Kerchak: Any wildlife we need to worry about?

Hiei: No just demons all over the place.

Me: That is a problem. Mostly E, D and C class demons.

Qin: Yep.

Me: And with us too they won't last even a second.

Dodgeball Wizard: Still, we'd better keep an eye out

Me: Good idea.

Qin: Yep.

Alt Adrien: I'm happy my Mom's back. But my dad's still out there.

Me: News probably reached him.

Qin: Yeah.

Lola: That is for sure.

Varie: We'll be ready for him soon.

Nico: Don't worry. We'll find him

Me: It's only a matter of time.

Qin: Yeah and we're going to be ready for him.

Lola: That is for sure.

Varie: Yep.

Marinette: But on the rescue of my day.

Me: That's right.

Qin: We'll be ready.

Nico: On the bright side, he was kind enough to let us kill Alt Lila

Me: Yep.

Xenia: And Marinette got a huge bounty out of it.

Shannon Carnage: Yeah no kidding.

Lola: Yep and it's going to be intense.

Nico: Keep an eye out for you know whats

Qin: Yep.

We walked around and saw a figure.

Me: Wait who is that?

We saw what looked like another Yusuke.

Qin: Is that another Yusuke?

Me: Lets go see.

We went over.

Me: Wait something isn't right.

I sensed an intense power building.

But then...

WHOOSH!

AN INTENSE SURGE OF ULTRA POWERFUL ENERGY EXPLODED OUT! HE WAS ENVELOPED IN A MASSIVE RED ENERGY AURA! DUST STORMS SWIRLED AROUND HIM AND LIGHTNING STRUCK INTENSELY!

HE HAD HIS HAIR GROW INTENSELY LONG AND THEN IN A MASSIVE EXPLOSION OF ENERGY ANOTHER YUSUKE EMERGED! HE HAD WHITE LONG HAIR AND SINISTER EYES AND HAD TATTOOS ALL OVER AND HAD BLACK ANGEL WINGS! HIS POWER WAS MINDBOGGLING!

King Yusuke the Terrible: (Demonic Voice) I've waited a long time for this.

WE WERE SHOCKED!

Kuwabara: What in the heck's going on here!? And what's with that hair!? He looks like he played with an electric socket!

Me: He is full fledged Mazoku!

Lincoln: OH MAN! That's Yusuke's Akuma, King Yusuke the Terrible! The Hypothetical Akuma of Yusuke, and he is a full fledge Mazoku that has intense power and he is merciless and brutal. He has all of Yusuke's powers and more times 10,000. He was made because of the bloodline he has as the descendant of the Mazoku and he vowed to mercilessly thrash his enemies the Right way.

WE GASPED!

Me: What do you mean the Right Way?

Yusuke: Like how I destroyed Sensui thanks to the intervention of my ancestral father.

Me: Oh man!

Alt Marinette: You guys can be Akumatized too?!

Burner Man: In a way

Me: Long story. But this is mandatory for us.

Qin: Yeah.

Nico: I'll face him.

I scanned him.

Me: 400,000 power! Very intense.

Nico then went Super Saiyan 2!

Nico: I don't need to use my full power to bring you down.

King Yusuke: Now this is going to be a challenge.

Nico: You'll get one.

Ice Demon: Yusuke? Is that you?

King Yusuke: Not anymore.

His eyes glowed and intense lightning storms formed and struck all over.

Nico: Lets do this.

Nico teleported and punched him in his face and kicked him in his stomach and punched and kicked him mercilessly and belched from King Yusuke's mouth.

King Yusuke tried to fight back but to no avail.

Black Manta: You need to calm down!

Me: I don't think that will get him to stop this time.

Nico really pulverized and mercilessly thrashed him.

Black Manta fired lasers from his helmet and blasted him big time.

King Yusuke roared and charged up a huge spirit gun.

Nico: (HOLDS OUT HAND) FINAL SHINE ATTACK!

NICO FIRED A MASSIVE ENERGY BLAST AND IT HIT KING YUSUKE AND EXPLODED WITH INTENSE AND UNBELIEVABLE POWER!

He was knocked out.

Alt Marinette: Imagine what an Akumatized version of me would look like!

Beelzemon: Yeah, funny you should mention that...

We told them all about how many Akumas of us including her that we encountered over the last year.

Lincoln showed sketches of them and they were intense!

Alt. Marinette: (GASP) Oh my god! Wow! You guys encountered many Akumas.

Me: I know. Some of them were really cool. Many of them were really crazy and wacko. Some of them looked like amazing spaceships and vehicles.

Qin: Many of them looked really scary.

Nico: And some of them were fucked up and deranged as many villains we killed.

Alt. Marinette: Holy wow!

Me: Yep and they all had very crazy forms of modus operandi. Here's one of yours. Scarlet Bloodreaper.

I showed the sketch.

Alt. Marinette: (GASP) WOW! I look intensely wicked.

Nico: In her world, She was made when that lying and conniving blackhearted bitch Lila got her expelled and spread lies about her being a wanted and convicted criminal and became the most evil and wanted fugitive in the city of Paris. After she went into hiding Hawk Moth made her into this and she vowed to kill that monster and eradicate all of Paris' criminals as a Batman vigilante.

Alt. Marinette: That is insane!

Alt. Alya: No kidding there!

Alt. Adrien: Wow! That is shocking.

David Cain: I think there's one Akuma of you that we're facing

Alt. Marinette: Really?

Weather Vane: Well, it will be on your Prime Self's day after all

Nico: We'll cross that bridge when we get to it. Right now we got a job to do.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of The Demon World, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Mr. Iwamoto, another asshole teacher of Yusuke and Asshole Akashi's accomplice, and he wants revenge on Yusuke.

Lincoln: Don't worry, we'll be quick. Now, then.

Suddenly, Lincoln's deep sapphire eyes turned crimson red and his pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white

angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln let out an extremely massive and savage roar as he pounded his chest like an Alpha Male Gorilla.

Me: Uh oh! Lincoln's gone Savage again!

Nico: Uh oh...!

Suddenly, the spirits of the demons appeared and they attacked Mr. Iwamoto with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and that pissed him off even more especially when he saw Yusuke.

We landed!

We were facing Mr. Iwamoto!

Yusuke: Hello teach! Nice to see ya!

Iwamoto: Urameshi! I WILL EXPEL YOU IF IT'S THE LAST THING I DO!

Me: Newsflash he just graduated earlier and Iwamoto! You're under arrest!

Iwamoto: On what charges?

Me: Harassment, psychological and physical abuse, corruption, fraud and numerous counts of workplace abuse of minors!

Nico grabbed him by his shirt and held him to his face!

Nico: You're a fucking hypocrite, you know that? You always try to expel Yusuke for being a delinquint. Yet you used to be a delinquint yourself! What do you have to say to that!?

Mortal Kombat Scorpion: Maybe you just hated your past life. But that doesn't excuse your actions!

Nico: That's right! I fucking hate people like you! And I'm about 20 seconds away from smashing your fucking skull in and leaving your rotten headless corpse here to die so the E-Class demons can feed on you!

Panda King: Let's get this party started!

Caleb Maxwell: Let me go first.

We knew it was going to be bad!

Caleb Maxwell: So, you claim to be tough, huh?!

Mr. Iwamoto: Huh?! And who the Hell are you to say that to me? You want me to beat your ass to the ground?!

Suddenly, Caleb Maxwell's crimson red eyes glowed even more, and...!

Caleb Maxwell: SHUT THE HELL UP!

POW!

HE PUNCHED HIM HARD IN THE FACE AND SENT HIM FLYING INTO A WALL!

WE WERE STUNNED!

Me: Whoa, what the?!

Nico: Damn...! Caleb sent him flying with one nasty punch to the face!

Yusuke: Nice one.

Kuwabara: Honestly, Iwamoto's been asking for it for a long time. Some of us had heard the stories about him, he was a delinquent in his youth and he always caused trouble wherever he went.

Lincoln: Him? A delinquent? I sort of have a hard time believing that.

Yuriko Urameshi: No, what Kuwabara's saying is true, Lincoln. I've seen it for myself when I was with Yusuke and Yumi, Iwamoto was trouble with a Capital "T" especially when he was young. When he was a teenage delinquent himself, he spent his time picking and starting fights with anyone he comes across and beating the shit out of them, committing petty crimes, and many other delinquent actions. Plus, no one was able to take him down in a fight, and the cops had dealt with his ass before.

WE GASPED! BUT, WHEN CALEB MAXWELL HEARD IT, WE KNEW IWAMOTO JUST DUG HIS OWN GRAVE!

Caleb Maxwell: What the Hell?! So, he was also a delinquent as well?! And he hadn't cleaned up his act as he grew up, and was still doing this kind of bullshit?! (To Iwamoto) YOU PIECE OF SHIT! NOW, YOU'RE DEAD!

ORGAN MUSIC PLAYS

Suddenly, we heard the sound of organ music playing as the skies turn red with blood and vampire bats were flying all over the place. Then, he slashed Iwamoto on the chest leaving claw marks.

Caleb Maxwell: You make me sick just looking at your ugly face, Iwamoto. I've met guys like you when I was in high school, and they were just as nasty as you, and even as they grew up, they hadn't changed at all or cleaned up their act! In fact, they became trash always causing trouble to anyone they come across! But, some of those guys in my past had changed and cleaned up their act, but I was too blinded by anger and hatred to even see it, but there were tough guys who had good hearts like Haruki Takahashi who saved me from that piece of shit younger brother of mine long ago, and we became good friends. And now, I'm gonna enjoy skinning you alive!

Then, Caleb Maxwell grabbed Iwamoto by the throat with his left hand and threw him into the ground: he was pissed off!

Caleb Maxwell: Come on, tough guy, get up!

Mr. Iwamoto got up, but he was really red in the face: Caleb Maxwell's demonic anger really got to him. HE TURNED INTO A REAL RAGING ANGRY BULL AS WE SAW STEAM SNORTING OUT OF HIS NOSE!

Mr. Iwamoto: THAT'S IT, YOU LITTLE SHIT! YOU'RE DEAD!

Mr. Iwamoto charged right at Caleb Maxwell with his right fist raised...!

Caleb Maxwell: Too slow!

CALEB MAXWELL PUNCHED MR. IWAMOTO HARD IN THE FACE AND BROKE HIS NOSE AND SHATTERED HIS GLASSES, AND THEN, HE KICKED MR. IWAMOTO HARD IN THE JAW AND BROKE SOME OF HIS TEETH!

Mr. Iwamoto: Ouch, damn it! That hurts!

Caleb Maxwell: What's the matter? I thought you were tough!

But, it got worse, every time Mr. Iwamoto got back up and tried to punch Caleb Maxwell, the dark teen angel resorted to other painful methods of making Mr. Iwamoto suffer by punching him in the ribs, literally kicking him in his ass, and many others!

Caleb Maxwell: Come on then, tough guy, get up! You can't beg for mercy either, it's time to pay for what you've done! Die!

Caleb Maxwell started beating him to a pulp!

Caleb Maxwell: (PUNCHES MR. IWAMOTO IN THE CHEST AND STOMACH) HA! HA! WHAT NOW?! COME ON! GET UP!

WE WERE SO STUNNED, OUR JAWS DROPPED TO THE FLOOR!

CLANG!

LINCOLN CLOSED OUR JAWS!

Yusuke: Damn, that Caleb's an absolute psycho!

When Caleb Maxwell was done, Mr. Iwamoto had bruises on his chest and stomach!

Nico: OH! MY! GOD! LOOK AT THE DAMAGE HE DID TO THIS PUNK!

Allie Maxwell: This is worse than the many times Caleb's had to deal with the usual punks at his high school back in 1980, 1981, 1982, 1983 the year Drake and Dad got chased out of the house, and in 1984, only instead of Caleb, the punks were the ones beating my elder brother to a bloody pulp mainly as enforcing the school's forced ostracization on him. But, those punks I mentioned had sealed their fates when the superintendent grabbed them and sent them to the office, and then, he had called for an ambulance for Caleb. That led to Mom getting called and she filed a report to the police.

Captain Whitten: We immediately had those punks arrested, but Caleb, when he came back to the school, the other students and teachers continued to abuse and treat him with absolute cruelty. But, that would come back to bite them in the butt when the LaGuardia High Bloodbath happened in 1984.

Allie Maxwell: How could I forget, that was the night of Caleb losing the last shred of his innocence as he killed the students and teachers who got turned into vampires because of his principal, Mr. Leonard Davis using the vampire blood in his experiments to cure his dying brother, Robert. But, thanks to the intervention of the vampires, Caleb wasn't even questioned, but the incident left yet another scar on him.

Marlene Maxwell: And why any teenage punk who dared to try and fight Caleb would face the consequences especially with my brother, Christiano, a wild man in his youth, was also on the loose.

We saw Caleb continuing to beat Mr. Iwamoto.

Kuwabara: Uh, shouldn't we stop him? He's gonna kill Iwamoto!

James Blunt was about to pull Caleb off him, but he flew back to us, and Iwamoto got back up, but he looked like a guy from a Picasso painting.

I punched Iwamoto in his face and knocked him down!

Me: You don't have any right to call yourself a teacher after everything you did! You spit on Yusuke's fucking corpse and claimed he was a delinquent to the end and belongs in hell! What a fucking hypocrite! You're the one that belongs in hell! Not Yusuke! Yusuke is a hero and he is more of a man than you ever will be you jerkass piece of shit!

Iwamoto screamed in fright and horror and he farted and crapped himself!

WE LAUGHED HYSTERICALLY!

HE THEN THREW UP MASSIVE AMOUNTS OF VOMIT!

Nico: NEVER GETS OLD!

Maria: No it doesn't!

Qin: Still funny!

Xenia: Yeah!

Iwamoto then HURLED HIS GUTS OUT!

Horsea squirted ink and blinded him.

Qin: YEAH!

Camie fired waves of Aurora energy with her Quirk.

Ymir fired blue fireballs.

Universe 666 May fired waves of ice.

Naomi Necroshade fired waves of darkness.

Palutena fired light blasts.

Celica fired magic blasts.

Varie fired waves of water.

We fired waves of energy and elements and blasted him big time.

Nico: Wait! Who else is with you?

Me: I was going to say! You have one of our friends enemies with you. Who is it!?

?: You mean me!?

Laura Komode: (GASP) That voice!

Out came a woman with blond hair and blue eyes and had a yellow green jumpsuit.

Laura Komodo: (GASP) Valerie Guanna!

Me: Wait you mean the infamous poacher!?

Valerie Guanna: That's right.

Nico: I've heard of her! She is a poacher girl that was going after an extremely rare and nearly extinct Blue Komodo Dragon.

Laura Komodo: And I defended that creature and sent Valerie to jail and she vowed to get revenge.

Me: WHOA MAN!

Fluttershy: (ENRAGED) You...

Me: UH OH!

Fluttershy: YOU HURT ANIMALS!? REALLY!? WHY YOU ARE JUST A GREAT BIG MEANIE!

SHE WENT AND VICIOUSLY PULVERIZED AND SMASHED AND MANGLED UP VALERIE WITH A MULTITUDE OF PUNCHES AND KICKS AND MORE!

Valerie: (grabs her arm) Not gonna be that easy!

But Fluttershy ducked under a punch and punched her in her face and knocked out some of her teeth!

She jumped back!

Laura Komodo: Fluttershy lets take her down together!

Prince Laval: I will too!

Erika (Pokemon): Me too.

Valerie: I won't go down easily.

She turned into a black version of Komodo Blade! She was ANTI-KOMODO BLADE!

Laura Komodo: Lets get her!

They fired wave of energy and blasted her.

I punched Iwamoto.

I fired a blast of energy and separated Anti-Komodo Blade from her. We scanned it and banished her to the Black Abyss.

Laura, Fluttershy, Laval and Erika bashed her down and knocked her out and tied her up.

Mevya hopped over to him

Mevya: SMELLOGRAM!

LOUD NASTY HORRIBLE BELCH!

Gatomon: (Echoing) LIGHTNING PAW!

KRABLAM!

She bashed him in his face!

Nico: Laura, out of the 3 who helped you, who do you feel is your sibling?

Laura Komodo: I feel that Erika is perfect for me because of our love of nature.

Qin: Cool!

Poliwag slapped Iwamoto with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him!

Aurora Tennyson: HEATBLAST!

She fired fireballs and blasted him all over!

Dahlia Ditto: 1 me... (SPLITS) {BOTH) TWO ME! (SPLITS) {ALL} FOUR ME! (SPLITS) EIGHT ME! WHO DO WE APPRECIATE!

They went and pulverized and smashed him all over!

Gatomon chased Mevya!

Mevya: HEY! Gatomon save that for later!

Gatomon: Oh right.

Me: I also found some friends.

I whistled and then an avalanche of Electrode came and rolled onto him!

Nico: Where'd all the Electrode come from?

Me: I found a massive number of them in an abandoned power plant and decided to have them help us out.

Xenia: Wow!

Me: Self Destruct!

Then they glowed and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THEY EXPLODED!

HE WAS BURNED TO A CRISP!

Nico: Will they be okay?

Me: Yes they will be. These are tough Electrode.

Dahlia Ditto fired waves of energy and blasted him.

Dahlia Ditto and Duplica: DITTO FURY BLAST!

They fired waves of energy and blasted him!

Me: YEAH!

Dahlia and Aurora yelled in surprise as their bodies were twitching.

Aurora Tennyson: NO! We control the power. It doesn't control us!

They concentrated and reigned in the powers of Lucario and Ditto. They transformed and fired energy blasts and smashed him down.

Poromon: Take that!

Me: YEAH!

Then Manta Bayarsh, 10,000 Volt Ghost, Felix Faust, Black Knight Ghost, Lythos, Pyros, Stratos, Hydros, Vulkanus and Whirlin came.

Nico: Manta Bayarsh, 10,000 Volt Ghost, Felix Faust, Black Knight Ghost, Lythos, Pyros, Stratos, Hydros, Vulkanus and Whirlin.

Iwamoto tried to get up but he fainted.

Me: Whoa he is too mangled up to tell you what to do.

Manta Bayarsh: And that's good.

Pyros: That is for sure.

Felix Faust: This place creeps me out a bit though.

Me: Well what did you expect it to be? A place full of puppies and kittens?

Felix Faust: Very funny.

Black Knight Ghost: Well, I like it.

Lythos: (to Nico) We heard you fought Alt Lila.

Nico: Yes we did

10,000 Volt Ghost: (to Ax) You should take care of that Omanyte

Ax: I will.

Crustor came.

Me: Crustor for another round.

Crustor: Yep.

Me: Awesome.

Crustor: I see you have two sets of Miraculous teams now

Me: We sure do.

Qin: Yep.

Crustor: Wow you guys have been busy.

Me: Yep.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway

Taylor (Loud House), Dive Man, Sally, EENE Sarah, X-Squad Mozenrath, Bubbles, Stella, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Tyrone McGee, and Terrence vs Manta Bayarsh, Yost Executioner, Gekkor, TTG Tooth Fairy, Eagle Undead, Bluebird Imagin, Mad Mackerel and Superfriends Black Manta (Theme including Dive Man) - Nico's rescues over the last 2 days were dealing with Startrain and then going to the Alt. Earth to expose Alt. Lila

---

Manta Bayarsh was first.

Manta Bayarsh: (to Taylor) Nico's rescues over the last 2 days were dealing with Startrain and then going to the Alt. Earth to expose Alt. Lila. Good thing you guys have been fighting those Akumas.

Taylor: That is a really good thing! All those Akumas we faced have proven to be a great warmup for this.

Manta Bayarsh: Wow! That is a good thing.

Taylor: You should have seen what Startrain was like. We faced her in orbit around Earth Omega and she was a train akuma that we battled while driving along the ring system of Earth Omega.

Manta Bayarsh: WOW! The view up there must've been absolutely breathtaking and amazing.

Taylor: It was! You can see forever from up there.

Manta Bayarsh: Wow! That is cool!

Taylor: Yep. And onthe Alt. Earth we exposed Cerise Blanca by showing the evidence and all the Chronological Records gathered from Lincoln's Guardian Angels. You should have seen what happened. EVERYONE was just absolutely pissed off beyond all comprehension. They forgave the Alt. Chloe and revoked her exile and were now CLAMORING for mounting Cerise Blanca's head on a pike!

Manta Bayarsh: HOLY COW! She must've not been happy about that!

Dive Man: No she wasn't. Before we got there we did a scan and found out that the alt. Version of Gabriel fled the coop. We searched the Agreste mansion and found out that he left a not for us saying that Lila was all ours. And that he and Adrien fled until Lila is dead. Also Alya tried to kill Chloe but J.D. stopped her and told her to listen and to why they came and how. Alt. Adrien and Nico gave Alya a NASTY Reprimanding. We also had a little heart to heart with Marinette and Chloe there. Then Lily resurrected Emile there like she did before.

Manta Bayarsh: WOW! You guys have had one busy rescue. Maybe the busiest on record.

Sally: Yeah this was the busiest rescue ever Nico said. Not only did we battle Cerise but also we battled Zemo, Cybertron Megatron, Teridax, Shao Kahn, and Mavro

THEY GASPED!

Manta Bayarsh: WHOA MAN! I bet Zemo is still pissed at Vypra for Ruining his M.O.E.'s name.

Sally: You have no idea! Also Lily stabbed Cybertron Megatron through his black spark with Vector Prime's sword like she did before! It was intense!

Manta Bayarsh: WOW! No kidding! Also I can't remember if you guys faced Shao Khan earlier or not but that is amazing.

Sally: It was.

Twilight Sparkle: Yeah no kidding there. Also when we exposed Lila the Mascots did a funny drunken act and did silly jokes like those of the late Jerry Lewis!

Manta Bayarsh: I loved those jokes! Vypra and Dark love watching them together and they laugh really hard.

Stellar Sparkle: I can tell from that.

Harmony Sparkle: Wow no kidding there.

Starshine Sparkle: You got that right.

Spyro: This was a REALLY EVENTFUL and awesome rescue.

Manta Bayash: I agree there! Lets do it!

Taylor used Manta's ring and they fired waves of energy and magic and smashed them down.

Ax, Hammer Gorem, Cia, Infernal Flame Emperor, Volcanic Doomfire, Volcanic Rocket, Fire Princess, Sunset Shimmer, Firestorm Shimmer, Sunset Shimmer (G5), Pipsqueak, Chalcanthite Aurora, Fire Skylanders, Constantine (Robotboy) and Viceroy

---

10,000 Volt Ghost was next.

10,000 Volt Ghost: (to Ax) The Anothers over the last 2 days were the gene-slammers of Evil HERO Darkest Knight, Royal Cookpal Prince Curry, Evil HERO Carnage and Evil HERO Dark Blaze. Nico, Pikachu's team, Alien X's team, Denkia Gamma's team, Galactimus' team, and the others did good battling them.

Ax: You should have seen what happened yesterday from that. The gene-slammer of Royal Cookpal Prince Curry was named Samsara Curry and she is known for making the hottest ever curry ever. It's was called her 6,000,000% Super Death Curry of Life Inferno Curry

THEY GASPED!

Outlaw Skinner: That is lethal curry!

Ax: You got that right! J.D. belched fire into Manaphy and May's faces and even Maria too and then Maria, Thrice Cream Man, and the ice users cooled him down. Chowder said oit was like what happened with him when he had all those peppers. After he took down the anothers he had to rush to the bathroom because of Extremely explosive diarrhea and it killed another of our toilets.

10,000 Volt Ghost: Okay we did NOT NEED TO KNOW ABOUT THAT!

Ax: Sorry. Also we met a gene-slammer of Rattata and her name was Orla Argit. She is a hybrid of Argit's kind.

10,000 Volt Ghost: COOL! Not every day you meet Plumber Girls of Villain aliens.

Ax: I know. And today we met a REALLY SHOCKING Dark Gale gene-slammer. She was a Lucario and her name is Aurora Tennyson and she is the daughter of Ben 10,000 as well as the gene-slammer of Ultimate Ben. She has the powers of over 10,000,000 aliens in her!

THEY GASPED AGAIN!

10,000 Volt Ghost: HOLY SHIT! What a powerhouse!

Hammer Gorem: No kidding there! We weer absolutely amazed. She has all the powers of all those aliens inside her and she doesn't have an Omnitrix.

Cia: That was intense!

Sunset Shimmer: It sure was! And she became widely known for killing the remnants of an evil Alien organization called The Dark Tholian Crystal Underworld.

10,000 Volt Ghost: WHOA! That is amazing!

Firestorm Shimmer: Yeah no kidding there.

Sunset Shimmer (G5): That is awesome!

Pipsqueak: (British Accent) It sure was!

Chalcanthite Aurora: (British Accent) I agree there.

Sunburn: That was awesome.

10,000 Volt Ghost: WOW! You guys have had 2 big and eventful rescues. Lets do it!

Ax used 10,000 Volt Ghost's ring and they fired waves of lightning and fire and smashed them down.

Ingrid Third, Slamworm, Jinx, Cody, Talia Al Ghul, Black Cat, Kaya (One Piece), Applejack, Emily Douglas, Apple Star, Wolf Moon

Bloom, Apple Bloom, Earth Skylanders, Ludwig Koopa and Roy Koopa VS Felix Faust, Ozzie Ostritch, Queen Bee Deadman, Universe 666 Swartz, Mr. Mascot, Universe 666 Cronus, Trinoid 3: Tensaikikku and Barty Crouch Jr. (X-Squad Universe) (Theme including Slamworm) Lincoln's rescues were New Eridu sector of Gotham Royal York and in Raccoon City

---

Felix Faust was next.

Felix Faust: (to Ingrid) I heard Lincoln's rescues were in New Eridu sector of Gotham Royal York and in Raccoon City. How were they?

Ingrid Third: Really amazing and intense. In the New Eridu sector they took down The Creator, Camille, Dina, The Exaltist Overseer, Landon, Ms. Sarah, Justin Bringer, Alowyn Mystik, and The Prophet, they are members of The Exaltists, a dangerous group of villains who are a group of fanatics who embrace the Hollow disaster that befell the world long ago and adore the Creator, and their goal is to "refine" humanity into the next step of evolution and make it enter the Age of Hollows.

THEY GASPED!

Felix Faust: That's terrible!

Slamworm: It was. And then in Raccoon City we killed William Birkin, the creator of The G-Virus and the source.

Jinx: That was intense!

Applejack: Boy howdy it sure was.

Apple Star: Yeah that was awesome.

Wolf Moon Bloom: It was awesome though.

Apple Bloom: I'll say!

Flashwing: I agree too.

Felix Faust: Boy that is amazing! You guys had fun! Lets do it!

Ingrid used Felix's ring and they fired waves of darkness, earth, rock, mud, boulders, meteors, lava, crystal, dust and apples and smashed them down.

Red She-Hulk, Blastermind, Catherine Windsor, Space Ghost, Birdman, Herculoids, Thundarr the Barbarian, Rarity, Erica Tala, Sapphire Ocean, Rarity (G5), Dioptase Angel Belle, Sweetie Belle, Water Skylanders, Rothar and Dardemus VS Black Knight Ghost, Yost Molten Man, Boo Boo (Billy and Mandy), Thunderbird, Mary Francis, Daisy the Chupacabra, Rio and Sir Pantsalot of Dropseat Manor (Theme including Blastermind) The next Skylanders Adventure and Manaphy made a Jiggly Monster?!

Black Knight Ghost was next.

Black Knight Ghost (to Red She Hulk): Yesterday was The next Skylanders Adventure. And did Manaphy really make a Jiggly Monster?!

Red She Hulk: Yeah Manaphy sure did! You should have seen what happened. First for the Skylanders Adventure we battled Rage Mage at Mariah's weather monitor station. She's one of Ash, Misty and Brock's friends that they helped and she uses Hoppip to help her monitor the weather. Poromon's Hoppip met fellow Hoppip there too. Also we battled Misty's Akuma. It was Carnagyarados and she was a Gyarados that was made entirely out of blood! She was really pissed off at Butch and Cassidy for that false Pokemon Fortune book telling her about her being a Gyarados type. The book said that Gyarados Types are stubborn loners that don't listen to reason at all are always have rotten tempers.

Black Knight Ghost: That is REALLY STUPID! Misty is not a Gyarados type. She is much too kind hearted on Water Pokemon to be something like that.

Red She Hulk: Yep. And Harry Potter, Timmy Turner, Twilight Sparkle, Merlin (Disney), Ginny Weasley, Deja Vu, Blastermind, Enigma, Spyro, Magic Man, Star Man, Storm Eagle and Spark Mandrill battled Rage Mage and he was really hot tempered. But also Manaphy did an amazing Z-Move in that one. She used Samiya Nature Lifestorm and defeated Carnagyarados with ease.

Black Knight Ghost: WHOA! That is awesome!

Blastermind: We were all really proud of Manaphy for that. That was really awesome.

Catherine Windsor: (British Accent) It sure was. But here is where things REALLY GET crazy! Manaphy accidentally made a jello creature called a Jiggly. It looked like an ordinary block of green jello. But it gets bigger and larger every time it eats something. It ate a lot of our food and went on a rampage in the city.

Rarity: We called Manaphy crazy for making it darlings and Manaphy said she is going to get serious therapy for what happened.

Erica Tala: After what went down yesterday she needs it bad.

Sapphire Ocean: I agree there on that completely.

Rarity (G5): That is for sure.

Dioptase Angel Belle: Yeah! Skipper and Private and the Penguins said that they accidentally did something like that before and it was a strange case of deja-vu for them.

Sweetie Belle: That was crazy.

Gill Grunt: It sure was.

Black Knight Ghost: That is for sure! Boy yesterday was intense! Lets do it!

Red She-Hulk used Black Knight Ghost's ring and they fired waves of energy, water, ice, jewels and lightning and smashed them down.

---

Lythos was next.

Lythos: (to Ebonwumon) Yesterday, you guys went to the Maiden's Peak Festival. And today, the Mascots were visiting Captain Boomerang's room

Ebonwumon: {First Head} (Irish Accent) Oh it was really something lad. The Maiden's Peak festival was really fun. {Second Head} It was to tell everyone about how Eileen was waiting for her beloved and hasn't moved from that spot for 2,000 years. {First Head} Oh way to give out the obvious Mr. Educational Smartypants!

Lythos: Wow! I heard that she waited all that time for her love to come back but he never did.

Kevin (Herbie): Because he was killed in that war and just didn't know it. She waited all those years for nothing. Until J.D. resurrected her 2,000 years later.

Crimsom Comet: Yep. Also we met a Donphan Gene-slammer of Dark Gale there. Her name was Ellie Pachydermia and she is one of Trumbipular's kind.

Lythos: WHOA! That is amazing! Did she love peanuts as much as Trumbipular does?

Crimson Comet: She sure does. That was awesome.

Lythos: Cool!

Crimson Comet: Yep. Also Captain Boomerang's room was really awesome! His room is the Australian Outback.

Rainbow Dash: And he has an amazing Kangaroo and Platypus friend there too. The Kangaroo is Fuli and the Platypus is Verra. They are so cute.

Lythos: They sure are.

Rainbow Dash: Yep and we then met a Ditto gene-slammer and surprisingly she was a Plumber Girl for Ditto the Splixson. Her name is Dahlia Ditto. Duplica liked meeting that one because she is a Ditto trainer herself.

Comet Thunder: That's right. And it was cool. She did a silly prank on Jessie by turning into a photo of an old boyfriend she knew with a goofy face. James and Meowth laughed hysterically at that.

Lythos: (LAUGHS) That is silly!

Sprite Thunder: Oh it was! Vierra said she remembered seeing that and she laughed so hard that she couldn't breathe.

Thunder Rainbow Zoom: That was funny!

Scootaloo: It sure was. Especially when she licked Jessie's face.

Whirlwind: Yeah!

Lythos: (LAUGHS) That was funny! Lets do it!

Ebonwumon used his ring for Lythos and they fired waves of lightning, wind, rainbows, storms, tornadoes, weather and black hail and smashed them down.

---

Pyros was next.

Pyros: (to Zhuqiaomon) It's Yusuke's day to shine. He's going after Mr. Iwamoto

Zhuqiaomon: Yeah this was one of Yusuke's teachers that really hated his guts.

Hellboy: This guy has a nasty disposition.

Katara: No kidding there! What a jerk!

Fluttershy: He is a great big meanie!

Lilja: (Icelandic Accent) He is a truly heartless monster.

Sólrún: (Icelandic Accent) That is for sure.

Daffodil Bloom: No kidding there. This guy is a really nasty piece of work.

Bluebell: He sure is.

Fluttershy (G5): He sure is.

Tornado Bolt: He needs to be taught a lesson!

Seabreeze: (Swedish Accent) No kidding!

Stealth Elf: Yeah!

Pyros: Boy this guy needs to be taught some manners! Lets do it!

Zhuqiaomon used his ring and they fired waves of fire, leaves, grass, flowers, fruit, wood, weeds, birds and butterflies and smashed them down.

Baihumon, Burgundy, Bastemon, Francesca Giordano, Crono, Superboy, Chunky Kong, Pinkie Pie, Maud Pie, Citrine Pie, Pinkie Pie (G5), Featherweight, Tech Skylanders, Ken Ichijouji & Stingmon, and Beelzemon VS Stratos the Tornado Titan, Trident, Pizza Face, Diablo, Gigantomachia, Julie Hinikawa, Dreadfeather and Ace of Diamonds (Theme including Burgundy) - Yusuke has a REALLY NASTY GRUDGE with Mr. Iwamoto!

Stratos was next.

Stratos: (to Baihumon) Yusuke has a REALLY NASTY GRUDGE with Mr. Iwamoto! One that you're gonna have to explain to me.

Baihumon: Well this guy is a really nasty piece of work. He's a teacher that worked at the school Yusuke and Keiko went to, Sarayashiki Junior High and he insulted Yusuke at his funeral and he also hates delinquents with a vengeance and calls them the scum of society and believes that the only thing they are good for is to be killed themselves. When in truth he is a hypocrite and was in truth a deilnquent himself!

THEY GASPED!

Trident: Man what a jerk!

Burgundy: Yeah no kidding there! Iwamoto hates Yusuke with a MERCILESS VENGEANCE and feels that delinquents like him besmirch the name of Sarayashiki Junior High and should be expelled!

Bastemon: How he became a teacher there is beyond even me!

Pinkie Pie: What a big time party pooper!

Maud Pie: (Monotonously) If he things delinquents ruin the schools name and he is a hypocrite for being one then he shouldn't be a teacher.

Citrine Pie: No kidding there! Not only that but he also showed

Favoritism to Keiko and tried to get her to break off with Yusuke by any means necessary! What a freak!

Pinkie Pie (G5): What a monster!

Featherweight: This guy belongs in jail!

Sprocket: I agree there! But the funny part we saw out of this is James sending his Victreebel and having it maul him and melting his face!

Stratos: That is funny! Lets do it!

Baihumon used Stratos's ring and they fired waves of energy, metal, gears, lightning, blades and magnetic energy and smashed them down.

Hydros was next.

Hydros: (to Azulongmon) Yusuke's Akuma looks like him as a Mazoku! What can he do?

Azulongmon: Well his name is King Yusuke the Terrible. He is like what happened to Yusuke when he first unlocked the power of the Mazoku and he is intensely strong and powerful! His speed and strength and power are phenomenal. His power was only at 400,000 which was really powerful.

Hydros: 400,000!? That's amazing!

VWXYZ Dragon Catapult Cannon: No kidding! Nico used his Super Saiyan 2 Power on him and completely outclassed him in every way.

Hydros: Super Saiyan 2!? That would have obliterated him in a heartbeat!

Sara: I know! Also he was made because of Sensui killing him the first time and it caused him to be reborn as one of the Mazoku. And shockingly that actually did happen before Yusuke joined us.

Starlight Glimmer: No kidding there! I remember hearing about how Shinobu Sensui and his army caused so much trouble to him.

Moonlight Glimmer: Yeah no kidding and when Yusuke became an S-Class demon like that, they were both equal at 200,000 power each.

Hydros: Wow! They were evenly matched!

Shanan: Well this is a crazy one. Her name is Valerie Guanna and she is a poacher girl that Laura ruined. She was going after an extremely rare and nearly extinct Blue Komodo Dragon and Laura defended that creature and sent Valerie to jail and she vowed to get revenge.

Vulkanus: Oh man! I bet Fluttershy was not happy to meet someone like that.

Nessa: No she wasn't and she really went ballistic on her.

Fu: It was scary seeing the guardian of Kindness do that.

Princess Celestia: You got that right on that. Fluttershy may have a great heart when it comes to animals but so does Laura.

Dawn Eclipse: Yeah no kidding there.

Princess Celestia (G5): Yeah that is for sure and it was cool.

King Solar: You got that right.

Solar Eclipsa: That is for sure.

Amber Morning: No kidding there.

Whirlin was next.

Whirlin: (to Linka) Despite Iwamoto hating delinquents he is one himself!? The hypocrite is going to jail!

Linka (Captain Planet): (Russian Accent) And he will stay there for the rest of his life!

Rusty Spokes: If there's one thing I can't stand more than anything it's a delinquent teacher!

Aquagirl: Yeah no kidding!

Princess Luna: I never liked delinquents too.

Dusk Eclipse: But I don't ever lash out as bad as Iwamoto does!

Princess Luna (G5): No kidding there!

Moondust: After today there is going to be one less teacher like that in the world.

Snowdrop: Yeah no kidding there!

Gari: Yeah that is for sure!

Linka used her ring and they fired waves of wind and darkness and

Dahlia Arceus Ketchum VS Dark Ash

Dahlia Arceus Ketchum was looking for her archenemy.

EVIL LAUGHTER!

Dahlia gasped and turned and saw a figure! It was ASH KETCHUM!? But he had a REALLY DARK black blue aura around him.

Dahlia Arceus Ketchum: (GASP) Wait you're not my brother! Who the hell are you!?

Dark Ash: I am the King of Pokelantis and I was made this way when I possessed your brother!

Dahlia Arceus Ketchum: Ah I've heard all about you and even read about you in the library! Thousands of years ago, You wanted to capture the legendary Pokemon, Ho-Oh to rule the world. But the legendary bird destroyed your entire kingdom as punishment and trapped you and your evil soul in a labyrinth for eternity.

Dark Ash: That's right! Now I am free and I will have my revenge.

Lincoln and the girls formed various weapons of elements, and they viciously attack Iwamoto with fury!

Lincoln and his harem: Now, for the grand finale! We've had it with you to last a lifetime, Iwamoto, now we're kicking you out of The Demon World and straight into prison. WEAPON FINAL SMASH: WEAPON PAIN!

Lincoln and his harem used various weapons to beat the shit out of Mr. Iwamoto and left him with really big boo-boos.

Black Manta: I know the perfect punishment for you!

He used his lasers from his helmet to burn half of his face

He screamed in agony as he was burned.

Me: And another thing Iwamoto? Bite my big fat fucking ass!

Then, Lincoln fired gold spider silk from his fingertips which tied Iwamoto up in a gold spider silk straitjacket, and then, Lincoln grabbed Iwamoto and threw him into a portal he'd opened up that led to Akashi's cell and he threw Iwamoto in. We cheered as we holstered our weapons and powered down and came back to the gym at Lynn's Table.

Nico: And that's one less punkass delinquent teacher running loose.

Me: Now, Iwamoto and Akashi are finally in prison for good.

Lincoln: Plus, to make sure they pay for the damages done to Yusuke, I increased the strength of my Gessius Flores Vengeance Curse, and according to the reports, the damages those two did to Yusuke is so immeasurable, it'd take twenty-five lifetimes for them to pay for all the damages. Now, they can do just that, and now, there's one last thing to do and one last loose end to tie up: Saiki.

We turned our attention to Saiki who tried to get out, but couldn't.

Saiki: Curse you, Team Loud Phoenix Storm. When I get out of this, you will all be burned alive!

We were amazed by Merlona Wizardheart's transformation, but when Lincoln saw her, he had a bright atomic red blush on his face and muzzle, hearts in his eyes, and his wolf nose gushed out blood like a fountain and it hits Saiki as he screamed in pain as he got burned badly by Lincoln's acid blood.

When all is said and done, what did you even achieve through your heinous actions? You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Saiki, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

Lincoln, Merlona Wizardheart, Super Brother, Nico, and I went after Saiki, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Saiki, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and wolf claw and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Merlona Wizardheart did the same by firing pink and dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Alexandra Emerson, Super Brother, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was really pissing Saiki off.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Saiki and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Saiki and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of his massive greatsword.

RRGH!

And he also flexed his muscles even more which really aroused his

harem even more, and at the same time, Saiki began growing weaker as all his powers was being sucked out of him one at a time and was pumped into Lincoln, and Saiki roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of Saiki, and Lincoln sucked out all of the remaining energy in Saiki and banished Saiki to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Merlona Wizardheart's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long golden yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large pink and dark blue planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller pink and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized pink and dark blue planets orbiting around her wrists and ankles, and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath her enormous white angel wings are permanent.

Merlona Wizardheart: This where it ends for you, Saiki, and this is goodbye and good riddance. Thanks for helping me get rid of Saiki, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Merlona.

Me and Nico: Our pleasure, Merlona.

Suddenly, Merlona Wizardheart wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Merlona Wizardheart's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Merlona Wizardheart sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Then, we saw Dreamlight Valley merge with Earth Omega and the homes of the Disney Heroes are also part of The World Tree Estate.

Lincoln: And that's it for Saiki, and Dreamlight Valley's merged with Earth Omega and the homes of The Disney Heroes are also part of The World Tree Estate.

Me: Saiki got what he deserved in the end. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Ice Barrier Frost Masters of Loyalty and Cryomancer of the Ice Barrier appear in the sky.

Lincoln: (GASPS) The symbol of The Ice Barrier and Cryomancer of the Ice Barrier!

Me: Who would fit that?

Amihan Frostine: That would be Alcyone Frostine, Avatar and Gene-Slammer of Cryomancer of the Ice Barrier, and you guys are gonna like meeting her, Alcyone Frostine, Avatar and Gene-Slammer of Cryomancer of the Ice Barrier, is Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic

Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Cryomancer of the Ice Barrier. She's The Ice Cryomancer of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Alcyone Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Cryomancer of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Cryomancer of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and what many of us didn't know was that Alcyone Frostine knew about The Big Claw Gang, and how they managed to infiltrate The Syndicate through a spy they had, and he stole their secret dossiers on all their operations and Drake Maxwell's journal detailing more of his plans to kill Caleb. She was about to steal the dossiers and the journal to give to the police, but she stopped, she knew if this got out, Drake Maxwell, that filthy animal, would kill Caleb thinking he was the one behind it when it wasn't.

WE GASPED!

Captain Whitten: I remembered seeing her near the meeting places of The Big Claw Gang back when Caleb was alive, she was gathering intel on them and she knew of them engineering their rise to become the powerful organization in the underworld.

Carter Kenrick: She could've taken them down, but had she done so, Caleb would've known about it and with that darkness still plaguing him, he would've crossed the line and killed her thinking she was one of Drake's thugs.

Jack Howard: Most of those who went after Caleb were all males, but there were on occasion female thugs who also went after him.

Nico: I would've thought he'd show mercy on them since they're girls.

Roxy Drake: Nope, they were absolute bitches, and Caleb shot them right in the stomachs with dark fury and hatred, they survived when their help arrived, but Caleb warned them that next time if they came after him, he was gonna kill them, and he meant it in cold blood.

Me: Oh boy, you were...!

Caleb Maxwell: Already descending into madness, but on the night of my death, my compassion, my old self, had returned when I pushed Cage and Travis out of the way and I was shot down and killed.

Pyros: Nice burn!

Stratos: A two face punishment.

Me: HA! YEAH!

Hydros: I like the looks of it.

Vulkanus: Time to celebrate!

Whirlin: Any good restuarants here?

Yusuke: No not in the Demon World.

Me: Back home yes.

Nico: Yep. Great job today everyone.

Keiko: Now both mine and Yusuke's days are done.

Me: They sure are.

Yusuke: (To the viewers) This was a fun one and we got justice.

Me: Yep.

We went back home and had a good meal at Lynn's Table.

Iwamoto was found guilty of his crimes. He had his teaching license permanently revoked and he was sentenced to life in prison without parole. And ordered to pay $523,000,000,000,000 in restitution.

In Anti Monitor's HQ...

Anti Monitor: Congratulations, Teridax, for completing the contest. But then again, what can I expect from my future second in command.

Teridax: (bows) Thank you, master.

?: So, where exactly am I supposed to go tomorrow?

Teridax: Does this answer your question?

Teridax pressed a button to reveal our next destination.

UH OH

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we took down Iwamoto.

Anna Anyanova: And sent him straight to the same prison we threw Asshole Akashi in, they both belong in prison forever.

?: (Beastly Gruff Manlier Voice) That's for sure, after what they did to Yusuke, they can rot in prison forever.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My

God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

See you all next time.

DONKEY KONG VS CROCODILES 2

This is based on the video game Donkey Kong Country 2

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a planet of endless snow and cold and protected by powerful omnipotent angels, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of snow, ice, frost, snow, ice cold temperatures, Absolute Zero, and the immense omnipotent powers of the Yuki-Onna times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of snow, ice, frost, snow, ice cold temperatures, Absolute Zero, and the immense omnipotent powers of the Yuki-Onna times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Yukihana, a planet of endless snow and cold and protected by powerful omnipotent angels known as The Yukihanians, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of snow, ice, frost, snow, ice cold temperatures, Absolute Zero, and the immense omnipotent powers of the Yuki-Onna times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of snow, ice, frost, snow, ice cold temperatures, Absolute Zero, and the immense omnipotent powers of the Yuki-Onna times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa! Oh man, I remember going to Yukihana, that planet was cold, but I had a special power that made my body heat even more infinitely powerful than ever, and it wasn't just the intense training in the extremely coldest places ever.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Yukihana.

Lincoln landed on Planet Yukihana, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Yukihana, it's just like Planet Glaciaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever, but I'm glad you had control over those kinds of urges.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a marine blue sun and moon on his chest, he has long marine blue hair going down to his shoulders, blue eyes, massive marine blue angel wings, he has on a marine blue loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Yukihiko Yukihana, King of The Yukihanians of Planet Yukihana.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Yurei Yukihana. I did say I've been here before to Yukihana eight years ago.

Then, all of the other septillions of trillions of male Yukihanians came to Lincoln.

Yukihiko Yukihana: That's correct. (Smiles) And you've grown that much stronger and also much taller, you're now as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Yukihiko Yukihana chuckled.

Lincoln: And there's something I need to tell you.

Yukihiko Yukihana: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Yukihiko Yukihana chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Yukihiko Yukihana: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Yukihiko Yukihana and the other septillions of trillions of male Yukihanians embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of snow, ice, frost, snow, ice cold temperatures, Absolute Zero, and the immense omnipotent powers of the Yuki-Onna times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a marine blue aura with snow, ice, snowflakes, and ice crystals surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Yukihiko Yukihana: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Yukihana, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Yukihana, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and

rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Yukihana's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999

massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last

muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Yukihana, a planet of endless snow and cold and protected by powerful omnipotent angels known as The Yukihanians, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of snow, ice, frost, snow, ice cold temperatures, Absolute Zero, and the immense omnipotent powers of the Yuki-Onna times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of snow, ice, frost, snow, ice cold temperatures, Absolute Zero, and the immense omnipotent powers of the Yuki-Onna times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room.

Me: Whoa, that is cold!

Nico: But, that place is extremely cold! How did you survive a planet like that?

Lincoln: That was also one of my powers: The Blessing of The White Wolf, this power increases my body heat and temperature to infinite levels whenever I'm near a place or planet of extreme cold, and because of me absorbing the Suns of the Forbidden Zone planets I've gone to, my body heat and body temperature has risen beyond infinite levels.

Lincoln turned his left forearm around and we saw it: a golden yellow tattoo of a wolf howling at The Sun with the Coat of Arms of King Arthur.

Amaterasu: (Through Lincoln's Third Eye and rainbow Thunderbird and rainbow animals on his forehead) That symbol is his mark of him being my reincarnation and the descendant of King Arthur of Camelot.

Rillaboom was going to Donkey Kong's room and he heard drums playing

(DRUMBEATS)

He went in and saw Donkey Kong playing the Konga drums.

Donkey Kong: (PLAYING DRUMS) OH YEAH!

Rillaboom: PLAY THOSE DRUMS!

He stopped and they high five!

Rillaboom: Nice music DK! Time for breakfast! We're having your favorite. Banana pudding pancakes.

Donkey Kong: OH BOY! HERE COMES DONKEY KONG! (HOWLS)

He went to the table.

Me: Morning DK!

Donkey Kong: Morning guys!

Nico: Nice drumplay.

Donkey Kong: Thanks guys.

We gave him his breakfast.

Diddy Kong: Always fun and rockin guys.

Tiny Kong: I love it!

Dixie Kong: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Maximillian Greco, he's back from the dead, and he wants revenge on us.

Me: OH HELL NO! That bastard!

Nico: Maximillian Greco's back?! Yeesh, I knew he wouldn't stay dead for much longer!

Lincoln: I knew he'd return, but he's in for one nasty surprise, and you're not gonna like the planet he's on: FRANKENSTEINAIRA, THE FORBIDDEN PLANET OF FRANKENSTEIN!

LIGHTNING CRASHES! CAT YOWLS! ORGAN MUSIC PLAYS!

Me: The Forbidden Planet of Frankenstein?! Oh my God!

Brittney: We saw the Forbidden Planets of Vampiraira and Werewolfaira along with the planets of Succubara and Yukihana, they're Forbidden Planets named after the creatures of myth and legend.

Lincoln: Either way, I'm gonna make sure Greco gets beaten to a bloody pulp and thrown in prison for good. Alright, now let's finish breakfast and get to Frankensteinaira to hunt down that son of a dragon.

Nico: If he has his men there, we'll make sure they sleep with the fishes.

We finished breakfast, and we headed to Frankensteinaira to help Lillie, Mallow, Lana, May, Misty, Roman Goodwin, Carly Atlas, Devack, Misty Tredwell, Kalin Kessler, Greiger, and Rex Goodwin unlock their Rainbow Power and take down Maximillian Greco and send him off to prison forever.

We were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14264.2: The U.S.S. Valorous Phoenix is en route to the planet Forbidden planet of Frankensteinaira and our mission is to arrest and bring the evil gangster Maximillian Greco to prison forever. This will be interesting.

Me: Boy we haven't faced Greco in a while.

Nico: First time in a while. Back in 2019.

Me: Yep.

Twilight Sparkle: We weren't there when you guys faced him the first time.

Jaune Arc: That's right many of us don't know.

Me: Well we faced him 4 days before the Battle with Thanos.

I went over what happened during the events of chapter 924 of Loud House Revamped.

When it was done everyone that hadn't heard about it was shocked.

Jaune Arc: WHOA! He is bad news!

Qin: I know.

Xenia: Yeah.

Lola: But we sent him to jail.

Camie: Good riddance.

Ultimate Way Big: But it was fun though.

Nico: Ultimate Way Big, I want to thank you, Giant Villain, and your teams for coming,

Ultimate Way Big: No problem Nico. This will be fun.

Qin: Yep.

Vierra Voltic: I'm ready for this. (To Jessie) And Jessie you may want to sit this one out or else your wrinkles will get more and more visible.

BURN! BOOM! ROASTED!

JESSIE GROWLED IN FURY AND RAGE!

Jessie: I AM NOT OLD! HOW DARE YOU!?

Nico: Vierra, remember when I met you?

Vierra Voltic: How can I forget. You helped me and my family move in and we had an amazing slumber party. That's where I showed you how much I loved ROASTING Team Rocket and calling Jessie old.

JESSIE GROWLED!

Vierra Voltic: Keep making that face Jessie and it will go with your ugly complexion when you get old.

BURN! BOOM! ROASTED!

WE LAUGHED!

James and Meowth laughed hysterically!

James: (LAUGHING HYSTERICALLY!) SHE GOT YOU GOOD!

Meowth: (LAUGHING HYSTERICALLY) YEAH!

Jessie then BASHED THEM BOTH WITH HAMMERS!

KRABLAM KRABLAM!

Jessie: (GROWLS IN FURIOUS FLAMING FURY!) I AM GOING TO KILL YOU VIERRA!

KRABLAM!

Eli bashed Jessie on her head with a hammer and knocked her out!

Nico: Ok. I know you like roasting Jessie but how about once a day?

Vierra Voltic: (LAUGHS) Sorry Nico. But okay.

Tyra (Pokemon): Boy you still have that awesome roasting habit Vierra.

Vierra Voltic: Some habits never fade and it's awesome.

Irena Infernia: Yeah it's fun.

Oceania Ocean: It sure is.

Me: Yep. So funny. You know what I like doing that is equivalent to you roasting Jessie?

Vierra Voltic: What?

Me: Roasting Evil Squidward.

Vierra Voltic: What do you say to him?

Me: I tell him that he's a bald ugly bignosed butthead and that his clarinet playing, his cooking, his singing, his art and all his dreams and achievements suck and he is a stupid lazy good for nothing jerk.

Nico: NICE!

Poromon: That's actually a good roast!

Me: Thanks!

Poromon: You're welcome.

Me: No offense Squidward.

Squidward: None taken but yeah that evil version of me deserves it.

Me: Good.

Donkey Kong: That was awesome though.

Poromon got a text. It said the following.

Wait for me on the planet you're going to. We need to talk.

Poromon: Whoa look here.

Me: (Reading) "Wait for me on the planet you're going to. We need to talk." Uh oh.

Eli: I sense it's someone good. No need for alarm.

Me: Okay then.

Qin: Whew.

Me: Yeah.

Nico: Probably someone playing a prank

Eli: No I don't sense anything mischievous about it.

Nico: Oh.

Me: Yeah. Man yesterday was intense!

Yusuke: It sure was! Man you guys did great dealing with Iwamoto.

Me: That is for sure! What a fucking hypocrite!

Yumi Urameshi: Yeah no kidding there. Serves him right for hurting my brother and his friends like that!

Qin: What a jerk!

Nico: I agree there!

Poromon: Black Manta gave him the Two Face treatment

Me: That was awesome.

Vypra: Yeah that was cool.

Qin: Yeah!

Yusuke: In all honesty I don't know why they hired him.

Camie: I don't either.

Ymir: Same here.

Lola: Yeah what a jerk.

Meowth: It's a darn shame I didn't slash his eyes out.

Nico: I'm sure you got good hits on him

Nicole: Yeah.

Meowth: It was still a good fight though.

Xenia: Yep.

Lola: Now we've seen the last of all of Yusuke and Keiko and friends enemies.

Keiko: That is for sure.

Me: Yep.

Nico: I got to face Yusuke's Akuma which was really intense.

Poromon: It sure was.

Me: Yeah!

Nico: Yep.

Me: And as a big bonus victory we destroyed the alt. Version of Lila Rossi. Serve as a great warmup for dealing with the real thing back home.

Alt. Chloe: And you guys helped me return home.

Me: We sure did.

Zocks: That is for sure.

Qin: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a black and red planet.

Me: So that's Frankensteinaira. Wow!

We got to landing.

We arrived on Frankensteinaira, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: Whoa! So, this is Frankensteinaira. (GULPS) This place sure is absolutely frightening.

Lincoln: This place hadn't changed one bit, it's still as awesome as ever.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Frankensteinaira, and like many other planets that hadn't been invaded by The Infernairans, it's a place full of life.

Lincoln: And guarded by the warrior angels, The Frankensteinairans.

Qin: WHOA! This place is scary.

Xenia: Yeah!

Lola: Wow!

Lucy Loud: I like this planet.

Brittney: It sure is cool.

Nico: But now, Teridax will be Anti Monitor's upcoming second in command

Me: I know. But we'll be ready for him later on.

Xenia: Yep.

Qin: We sure will.

?: So you all have come.

We then saw a Great White Shark Humanoid girl with blue and white skin and had razor sharp teeth and had blue pants and blue shoes.

John Bolton: WHOA! Are you another of us?

Joan Bolton: WOW! Who are you?

Jillian Scott: My name is Jillian Scott. I am the leader of the Tidal Fangs.

Me: WHOA! And you're half Great White Shark too. Dr. Paradigm did this to you no doubt.

Jillian Scott: Actually me and my friends gene-slammed ourselves on purpose because we are a group for trying to take down Paradigm and end his reign of terror forever.

Stacy Bolton: Whoa! That is intense! There are many gene-slammes we met that the Paradigm Brothers did.

Qin: She's right. They did gene-slammers for creatures of land, air and sea.

Me: Yeah.

Nico: What's your Gene Slammed name?

Jillian Scott: I always like going as Jillianna the Benevolent.

John Bolton: Jawsome!

Clint Bolton: Cool name.

Olga Orromov: I can't tell you how much all of us hate Paradigm. He took away all of our humanity.

Stacy: Yeah no kidding there.

Nico: What were you doing before transforming?

Me: I was going to ask that very same question.

Jillian Scott: I was investigating why the Street Sharks would do all that.

Jillian was watching clips on her computer.

Jillian Scott: (VOICEOVER) I looked a video footage of all the supposed crimes they did. And saw that it was Slash and Slobster that did it in the name of Paradigm. Then I decided to do something really crazy.

She took a vile full of Dr. Paradigm's formula she stole from him and injected herself. IT WAS EXCRUCIATING!

SHE THEN TURNED INTO JILLIANNA THE BENEVOLENT!

Jillian Scott: From there I promised to form my own team called The Tidal Fangs and our vow is to destroy Paradigm.

FLASHBACK ENDS

Me: WHOA!

Jillian Scott: Yeah I'm the tactical genius and strategist and leader of the team.

Nico: Any special powers?

Jillian Scott: I have enhanced strength, energy-finned punches, and sonar vision.

Me: Wow! You can see in the dark.

Jillian Scott: That's right.

Qin: Cool!

Nico: Before we talk any further, wanna revert back?

Jillian Scott: I would like that very much.

I put on my blind man glasses.

Lincoln: And no peaking perverts!

Nicole: Aw Lincoln I was going to say that!

Lincoln: Sorry Nicole! (LAUGHS)

Me: It's going to be painful.

Jillian Scott: Okay.

Me: Here we go! (SNAPS FINGERS)

I snapped my fingers and she doubled over in excruciating pain!

Stacy Bolton: It'll be over in a few seconds!

She reverted back and was a girl with black hair and brown eyes and had a Great White Shark on her forehead. On her arm was an ocean wave with a set of shark teeth in front of it as a cutie mark.

We wrapped her in a blanket and brought her over. Her pants and shoes and underwear fell off.

Me: Are you okay?

Jillian Scott: I think so.

She felt her face.

Jillian gasped.

Maria formed a mirror and she saw her face.

Jillian Scott: I'm me again! Wow! How did you do that?

Me: We have the power to do anything. Long story.

Camie: But your clothes are too stretched even to fit you now.

She pulled her pants up. But they fell down.

Qin: Yeah your pants are too stretched.

Stacy Bolton: You've been slammed so long that your clothes don't fit anymore.

Rarity: But we'll get you some new clothes darling.

The fashion brigade gave her new dark blue clothes and a blue sword.

Jillian Scott: Oh wow! I look really cool.

Me: Our clothes are really amazingly well made.

Jillian Scott: I can see that. (SCREAMS) What the!? Why does my back feel so heavy?

Me: Your wings came in.

She gasped and looked and saw Dark Blue angel wings on her back!

Jillian Scott: I have angel wings!? Whoa!

Me: Yep.

Jillian Scott: I'll have to practice with them.

Nico: What are your hobbies outside your team?

Jillian Scott: I like to play billiards and do bowling.

John Bolton: Cool! I can give you some pointers in Billiards.

Joan Bolton: Same with me.

Jillian Scott: I would like that.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a purple sun and moon on his chest, he has long purple hair going down to his shoulders, purple eyes, massive black angel wings, he has on a purple loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Victor Frankensteinaira, King of The Frankensteinairans of Planet Frankensteinaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Francis Frankensteinaira, and I've also been here to Hawaiiaira eight years ago.

Then, all of the other septillions of male Frankensteinairans came to Lincoln.

Victor Frankensteinaira: (Strong Manly Voice) That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man they and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Victor Frankensteinaira chuckled.

?: Oh man, Linky, you're here! You got here just in time.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long purple hair, purple eyes, she was dressed in a purple two-piece bikini, she has massive black angel wings, and she has a darkness greatsword in her right hand.

Lincoln: (GASPS) Francis Frankensteinaira, Queen of The Frankensteinairans of Planet Frankensteinaira.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, this is Francis Frankensteinaira, Queen of The Frankensteinairans of Planet Frankensteinaira, she's Lincoln's Guardian Angel from Planet Frankensteinaira, a scary planet of darkness and dark lightning inhabited by powerful warrior angels known as The Frankensteinairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and natural night hunters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, dark lightning, and the immense omnipotent powers of Frankenstein times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, she's the Queen of The Frankensteinairans, and she's also far more powerful than her own people: in addition to being a natural born fighter, natural born seductress, and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, dark lightning incredible godly powers, and the powers of Frankenstein times infinity, and the ability to grow even stronger, but she was also born with black angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, dark lightning incredible godly powers, and the powers of Frankenstein times infinity, and the ability to grow even stronger, and like with Almightairaira, The Frankensteinairans drove off the Infernairans, and they had the dream: when The Reincarnation of Amaterasu was forever purified, the Frankensteinairans would send a message to him in a dream inviting him to Succubara where he would meet The

Frankensteinairans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Frankensteinairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, dark lightning, and the immense omnipotent powers of Frankenstein times infinity, and finally, he would absorb Frankensteinaira and its core into his body and Frankensteinaira's Sun into his body to preserve their legacy. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Frankensteinairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, dark lightning, and the immense omnipotent powers of Frankenstein times infinity, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Frankensteinaira and its core and Frankensteinaira's Sun into his body to preserve their legacy. Lincoln made her an awesome darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to electrocute them to death by summoning a massive storm of dark lightning on them.

Lincoln: And there's something I need to tell you.

Victor Frankensteinaira: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Victor Frankensteinaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Victor Frankensteinaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Victor Frankensteinaira and the other septillions of male

Frankensteinairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, dark lightning, and the immense omnipotent powers of Frankenstein times infinity, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a purple aura with lightning bolts surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Victor Frankensteinaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Francis Frankensteinaira: We knew Lincoln's the infinite-times virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Francis Frankensteinaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Francis Frankensteinaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her

blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Francis Frankensteinaira with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Francis Frankensteinaira: That's my special gift to him: Frankensteinaira's Blessing of Divine Dark Lightning Storm Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolfman with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Francis Frankensteinaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Frankensteinairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later.

Nico: You happy to be human again?

Jillian Scott: I sure am. I still got so much to learn though.

Qin: Yeah.

Lincoln: Okay, guys, we're in for one intense battle, we're here on the planet of Frankensteinaira to help Lillie, Mallow, Lana, May, Misty, Roman Goodwin, Carly Atlas, Devack, Misty Tredwell, Kalin Kessler, Greiger, and Rex Goodwin unlock their Rainbow Power and take down Maximillian Greco and send him off to prison forever.

Me: That lowlife crime boss should've stayed dead years ago.

Nico: Well, now he's going in prison for good.

Me: Yep!

Princess What's Her Name heard a Pokémon cry

Princess What's Her Name: Look guys.

We saw an Omastar!

Me: Whoa an Omastar!

Qin: Cool!

Omastar: This planet is scary.

Princess What's Her Name: It sure is. Here.

She gave it apples.

Omastar: Thank you.

It ate the apples.

Princess What's Her Name: You're welcome. Want to come with me?

Omastar: I would be honored.

Me: Awesome.

Camie: Cool!

But then...

CHOMP!

I was getting my head chomped and gnawed on by a Carnivine!

Me: OW! What the!? A Carnivine?!

Xenia: Whoa man!

Me: OW! Hey that hurts!

James pat me on the back.

James: I feel your pain J.D. Carnivine always did that to me too.

Me: OW! Man no kidding. I can see why.

I pulled her off me.

Me: You're a friendly one.

Sheena: And that Carnivine is... (GASP) OH MAN! James you might know this one. Her name is Connie Morgan! She is your sister!

WE GASPED IN SHOCK!

Me: James you have a sister!?

Jessie: Is that true?

James: I had no idea! Mom and dad never told me about her.

Me: Must be because she is the Black Sheep of the Family or something.

James: She is.

Sheena: Wow! Also she is half Snap Dragon from Florauna.

Shanan: (GASP) WHOA! She's half Vioneandionaea Dragon from Flors Verdance! That is amazing!

Nico: WOW!

Meowth: Are you really that surprised your folks never told you about her?

James: I don't really know. I showed my parents a picture of her but they just brushed it off.

Me: Very suspicious if you ask me. Lets help her.

Me and James went over to her.

Me: Connie it's okay. Just calm down.

She tried to bite Horsea's head but she put her clone in front of her

CHOMP!

Horsea Clone: HEY! I'm not a chew toy!

Poliwag slapped her off Horsea!

Me: YEAH! Man James now all that's left is to get chomped on by Mareanie.

Qin: YIKES!

I snapped my fingers and she reverted back.

She was a girl with green hair and green eyes and green angel wings and had Carnivine on her forehead and had Snap Dragon with a Venus Flytrap and a jungle planet on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: There. Ow. That hurt. James I don't know how you put up with so many Grass Pokemon loving you like that but that was REALLY painful. Ouch.

James: I'm pretty much used to it.

Me: Easy for you to say. Now I've been chomped on by a Victreebel, hugged and stabbed by a Cacnea and now chomped by a Carnivine.

WE LAUGHED!

Me: Funny though.

She woke up to see Horsea's smiling face

Connie Morgan: (Groans) Huh? A Horsea?

Horsea: You attacked my clone!

Connie Morgan: Wait a Horsea that talks?

Me: Long story on that. But also you chomped on my head because you were turned into a Carnivine by Dark Gale.

Connie Morgan: Oh man. (LAUGHS) Sorry that brings back memories.

Me: James getting chomped on by Carnivine too?

Connie Morgan: How did you know?

I pointed to James.

Connie Morgan: (GASP) James!

She hugged him.

Connie Morgan: I'm so happy you're safe.

James: I am too sis. I'm sorry I was not told a lot about you by mom and dad.

Connie Morgan: I had a feeling they wouldn't tell you.

Me: How come?

Connie Morgan: When James was little, I was strongly against James marrying Jessebelle and also was strongly against the bad lifestyle that James was subjected to. I became the Black Sheep of the Family.

Me: I had a feeling it was a Black Sheep situation.

Moonfall Tsunami: Jessebelle is now my archenemy in the M.O.E. Long story on that.

Connie Morgan: I can see that. And I heard all about Giovanni being the boss of Team Rocket. I spied on Team Rocket and knew about Giovanni's crimes and I gave the evidence to Carolyn Hope and her team long ago.

Carolyn Hope: It's true. And her evidence proved to be very beneficial in helping to bring them down.

Me: But we destroyed Team Rocket before you could act.

Connie Morgan: I heard about that. Good riddance.

Nico: I expect Jessebelle to try one more attempt at marrying James

Jessica: Yeah you know how she is. She is nutty as a fruit cake.

Connie Morgan: I know.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new green clothes and a nature sword.

Connie Morgan: I look awesome.

Me: You sure do. By the way how did you become half of Snap Dragon's kind?

Connie Morgan: I had a really nasty blood disease and the only way to save my life was a very dangerous blood transfusion. They transfused Snap Dragon's blood with me and it cured me. But as part of an unexpected side effect, I became a hybrid of Snap Dragon's kind.

Shanan: So it artificially made you half Vioneandionaea Dragon from Flors Verdance. That is intense.

Connie Morgan: It sure is.

NIco: Who were the doctors?

Connie Morgan: I never saw their faces. I was in a coma.

Qin: Oh.

Me: But it's good you're okay.

Nico: Now for the reason we're here

Me: That's right. We're going after Maximilian Greco. We faced him back in 2019. We got 4 and a half years of catching up to do.

Lincoln: (Sensed for Maximillian Greco) AHA! Gotcha, I just spotted Maximillian Greco, he's 20 yards away, and he's coming after us!

Caleb Maxwell: Tyler, Alexander, Allie, come on! Let's tear that asshole apart!

Tyler Maxwell, Allie Maxwell, and Alexander Maxwell: TIME TO DIE, ASSHOLE!

Lincoln: Dane, stand back, let me get a shot at Greco.

Yumi Urameshi: It is. Wait a second, I remembered the story of Lincoln being The Reincarnation of Amaterasu.

Kurama: I had almost forgotten that not only was Lincoln born with the powers of Amaterasu along with all of the powers and abilities he was originally born with and acquired as he got older, but he like Yumi also has the power of the Flames of Heaven, but his was even more powerful and deadly since he's Amaterasu's reincarnation along with being the descendant of King Arthur.

Lana: Now, for our favorite destructive wrecking crew! OH BOYS!

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, ASSHOLE!

Alexander Maxwell and Tyler Maxwell charged at Greco, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked him with swings of his massive spear and he even shot at him with his machine guns, while Alexander Maxwell slashed at her with his massive greatsword and shot at her with his guns.

Then, Greco got pissed off and charged at Alexander Maxwell and Tyler Maxwell to beat them to a bloody pulp, but before he got close...!

Caleb Maxwell: DON'T YOU FUCKING DARE LAY YOUR DIRTY HANDS ON MY BROTHERS!

CALEB MAXWELL GOT IN FRONT OF HIS TWO BROTHERS AND PUSHED AWAY GRECO, AND HE CHARGED AT HIM WITH HIS MASSIVE GREATSWORD IN HAND, AND...!

Caleb Maxwell: DIE, GRECO!

SLASH! SCREAM!

CALEB MAXWELL DEALT A MASSIVE HARD SLASH TO GRECO'S CHEST AND HE WAS REALLY BLEEDING OUT HARD!

BUT, THE DARKEST THING EVER WAS SEEING HIS NEON CRIMSON RED EYES GLOWING EVEN MORE AND THE SCLERA OF HIS EYES TURNING BLACK: CALEB MAXWELL WAS OUT FOR BLOOD, THE DARK ANGEL OF BLOODY VENGEANCE WAS BACK!

Eli: Oh no!

Cage Blunt: (Smirks) He's back! The Dark Angel of Bloody Vengeance is back!

Travis Tackett: (LAUGHS) I knew that wasn't going to last long.

THEN, CALEB MAXWELL PROCEEDED TO ATTACK GRECO BY SLASHING AT HIM WITH HIS MASSIVE GREATSWORD LEAVING BLEEDING AND NASTY SCARS ON HIS BODY, AND HE EVEN SHOT HIM ALL OVER THE PLACE, AND BLOOD WAS BEING SPILLED ALL OVER THE PLACE!

Allie Maxwell: You know better than that, Maria! My older brother's life was ruined, and it's the fault of Drake Maxwell for that, and Caleb sought bloody revenge on him for the years of violence he had to endure since 1979 and for his death in 1985.

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

We are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

Lincoln, Nico, and I attacked her with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, DIE AND ROT IN HELL FOREVER, YOU ASSHOLE!

Lincoln, Nico, and I did one final powerful energy slash that hit

Greco hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Greco was on his last legs and he was really really mangled.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into Greco's chest and he began sucking out Greco's massive muscle mass and superhuman strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Greco began growing weaker and growing old once again as all his powers was being sucked out of him one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, Greco was back to being an old man once again and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

Lincoln fired a rainbow energy blast that turned into a straitjacket that tied Greco up, and then, he grabbed Greco and threw him into a portal that led to Greco's special cell in The Uranus Prison for Repeat Offenders in Supermax Solitary Confinement where he was chained to the wall of a doorless windowless prison cell with Neutronium Chains lined with rainbow energy. We cheered wildly as we holstered our weapons and powered down.

Nico: That does it for that mean nasty son of a bitch, Greco, and we also met your Guardian Angel, Lincoln.

Lincoln: That we did. Now, there's one last thing to do.

Then, Lincoln flew into the core of Frankensteinaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Frankensteinaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Then, we were back on Earth Omega and in the gym at Lynn's Table.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY

AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Nico: Maybe you shouldn't say that out loud especially in front of Lynn who's the most physically aggressive of Lincoln's sisters.

Lincoln: Lynn, put the bat down, otherwise, you're gonna have problems with Caleb again.

Lynn did so.

Nico: Manaphy, don't forget your therapy later.

Manaphy: I won't forget. (SIGHS) I do need to get some help.

Qin: Yeah you do.

Xenia: Yep.

Ultimate Way Big: I agree there myself.

Nico: Oh Ultimate Way Big, what do you like to do in your free time?

Ultimate Way Big: I like to show people around the city by giving tours from my and. At my huge size I can provide a good view.

Me: 500 feet does have its good advantages.

Ultimate Way Big: Too true.

Qin: Yep.

Me: Now for the Anothers.

Qin: Yep.

Lincoln: (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Donkey Kong.

Donkey Kong: Another Me? Oh, this should be a good one.

Nicole: You're telling me.

Me: I have a feeling I'm going to get hit with a bunch of coconuts.

Nico: So Ultimate Way Big, Vierra Voltic, Bolt Escargot, Bolt Penguin, Lt. Surge and Nefertiti Isabelle Dunbar are up and we have Another Giant Villain (MHA), Volt Drac from Ultraman Zwei, Tyra, Chopper, Misty (My Life as a Teenage Robot), Electric Dragon (Kirby).

Camie: This will be fun.

Nico: There they are!

We saw Another Volt Drac from Ultraman Zwei, Tyra, Chopper, Misty (My Life as a Teenage Robot), Electric Dragon (Kirby)!

Nico: Shadow Necroprism and Marishka Transylvania!

Shadow Necroprism: Good to see you Nico.

Marishka Transylvania: (Transylvanian Accent) It sure is. (HISSES)

She showed her fangs!

Lucy Loud: Wicked.

Me: Wow. She's a vampire.

Nico: Yep. And like Natasha Hernandez she went through the same thing she did.

Natasha Hernandez: It's true.

Me: By the way are the rest of the Anothers friendly or hostile?

BONK!

I got hit with another coconut!

Me: OW!

Marishka Transylvania: Friendly and the Another Donkey Kong is going to hit you with coconuts as a joke.

Me: I'm going to have a lot of lumps on my head.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now, we wait.

Me: No backup this time?

BONK!

I got hit by another coconut.

Me: OW!

Qin: Yikes.

Maria: Oh, almost forgot

Me: Good thing I didn't.

BONK!

I got hit with another coconut!

Me: OW! Okay who is the wiseass that keeps hitting me with these coconuts!?

Maria: (TURNS DIAL) CELESTIAL COSMIC DOOMFORCE!

She summoned Galactimus, Wyvern, Madam Slay, Karkonax, Superman (Red Son 2020), Glowing Alien (Simpsons) and Female Celestialsapien Warrior.

Me: YEAH!

BONK!

Me: OW!

Universe 666 May: That must hurt!

Nico caught one coconut

Me: We could always make coconut cream pie with them.

Nico: Now You're talking.

But then numerous coconuts were about to fall on me and then Eli used the Force and caught them and saved me.

Eli moved them.

Me: WHEW! Thanks Eli.

Eli: Anytime.

?: Nice catch.

We saw Another Giant Villain and Donkey Kong!

Me: There they are!

Another Donkey Kong fired coconuts at me and I punched them and kicked them all over the place.

Nico: YEAH! Nice punching!

Me: HYAH HYAH HYAH HYAH HYAH HYAH!

I punched the coconuts and smashed them down.

Sakura Knudson: GO BRO!

Another Giant Villain: (In a girls voice) Nice hits!

She reverted back and it was the gene-slammer of Serziel, Watcher of the Evil Eye!

Nico: Serria Serziel!

Serria Serziel: Good to see you Nico. Sorry about my friend hitting you with all those coconuts.

Me: No worries. But we're going to be making a lot of coconut cream pie for dessert.

Nico: Yep.

Serria Serziel: Good idea.

Nico: Alright, who's the wise guy trying to hit J.D. with coconuts?!

Me: YEAH! And it hurts like hell!

Another Donkey Kong: (In a girls voice) Sorry I just can't help it.

Donkey Kong: (GASP) Delia Kong Kramer!

She reverted back and was a girl with brown hair and brown eyes and had yellow and brown clothes and had the Donkey Kong Symbol on her forehead and had Brown and Yellow Angel wings and had a coconut and golden banana with the DK Symbol on her arm as a cutie mark and had a Coconut shooter on her hip and a banana sword in her hand.

Delia Kong Kramer: Hey Donkey Kong.

They hugged.

Delia Kong Kramer: Good to see the Defenderette of Donkey Kong Island.

Me: I like that title.

Delia Kong Kramer: Yep. I was helping in defeating K. Rool and his cronies over the last 30+ years.

Me: Since 1994? Whoa!

Delia Kong Kramer: Yep.

Kaito: (gets out Build gear) Did Swartz promise you anything?

Zocks: (gets out Ex Aid gear) Because we can grant it instead

They got weapons from said riders.

Serria Serziel: No he didn't.

Delia Kong Kramer: I slipped him with bananas and then bashed and bonked him with coconuts and buried him all over and we ran.

Me: Nice! Ouch.

Qin: That had to hurt.

Sougo (gets out Build Ridewatch): For 5 minutes.

Armor Time! (Electronic rock music) Best Match! Build!

Geiz (gets out Brave Ridewatch): Can you not hit JD with coconuts...

FOR 5 FUCKING MINUTES?!

Armor Time! (Fantasy Gamer Level 2 transformation music) Level Up! Brave!

Sougo got BuildArmor while Geiz got BraveArmor

Me: All right guys she stopped. But yeah that really hurts.

Nico: Yeah.

Me: I'd rather get hit with coconuts falling from palm trees than fired from a blaster.

Delia Kong Kramer: That hurts just as bad.

Me: No kidding.

I got nasty lumps grow on my head.

Eli: Here bro.

He took a tiny hammer and then.

TINK TINK TINK TINK TINK TINK TINK TINK TINK TINK TINK TINK TINK!

He hammered them down.

Me: Ow. Thanks Eli.

Eli: No problem.

Lincoln: Lets separate you first.

Maria: (Gets out Misty's ridewatch) This will hurt!

They fired waves of energy with Giant Villain (MHA), Volt Drac from Ultraman Zwei, Tyra, Chopper, Misty (My Life as a Teenage Robot), Electric Dragon's (Kirby) powers!

Me: Take that!

Poromon: YEAH!

Qin: This is awesome!

Nicole: Let me do one of the trademark classics!

She got out a big hammer and went at Another Donkey Kong and then...

KRABLANG!

SHE BASHED HIM ON HIS HEAD AND KNOCKED HIM OUT AND HE BECAME A RIDEWATCH!

Nicole: YEAH!

I purified the ridewatch!

Qin: TAKE THAT!

Nico: This brings back memories.

Me: Yep.

Then Scorporilla, Rasslor, Pythoris, Mana, Blizzard Man EXE and Raditz came.

Me: WHOA!

Nico: Nice team Scorporilla!

Scorporilla: Thanks Nico! This will be fun.

Me: Yep. Ultimate Big Chill and his team next.

Qin: Yep.

Ultimate Big Chill: That's right

Qin: Cool!

Then Elemental HERO Flame Wingman came!

Me: WHOA! Elemental HERO Flame Wingman!

Xenia: Awesome!

Elemental HERO Flame Wingman: (In a girls voice) And the Fire is going to fly!

Nico: Laney Fuegoaero! Wow!

She reverted back.

Laney Fuegoaero: Good to see you Nico. I got this. SKYDIVE SCORCHER!

She flew and ignited a fire aura and fired fireballs and blasted the Another Giant Villain and I caught the ridewatch and purified it.

Me: YEAH!

Nico: Nice job.

Laney Fuegoaero: Yeah that was fun.

Me: Yep.

Laney Fuegoaero: Oh Nico I need your help. I've been trying to find her.

She showed a picture of a girl.

Laney Fuegoaero: Trina Shining. She vanished 3 days ago.

Me: Uh oh. Where do you think she went?

Laney Fuegoaero: No idea.

Qin: Oh boy.

Me: Do you have any favorite memories of Nico?

Laney Fuegoaero: When me and Nico were over at Disneyworld and we fired Crackhouse Goofy.

Me: Whoa so you guys got him fired. NICE!

Lincoln: Cool! He is going to be super pissed at you both. He'll kill you.

Nico: Let him try.

Nico and Laney hugged.

Nico: I've missed you.

Laney Fuegoaero: Same here.

We went back home.

Escargot, Bolt Penguin, Lt. Surge and Nefertiti Isabelle Dunbar are heading back to the world of River City Girls, and not only is Lincoln going to rescue the eighteen girls here, but we got bad news.

It appears Sabuko, her rich Yakuza boyfriend, Ken, and the criminal patriarch, Sabu, have returned from the dead along with the other members of their gang, The Sanwakai. But, it turns out this was a contingency plan made by the traitor and exposed spy of Anti-Monitor, Darren Devereaux, he used the last of his dark powers to bring them back from The Warp, and according to Riki and Kunio, the two righteous delinquents, Darren Devereaux fearing that Lincoln's gonna find out he was actually Anti-Monitor's spy, used all his dark powers to bring back some old enemies of Kyoko and Misako, but when Darren Devereaux himself was slain and sent to The Black Abyss by Michael Brenton, he used the last of his dark Satanic powers to bring Sabu, Sabuko, Ken, and the entire Sanwakai Gang back from the dead to send us one last "Screw You".

Well, we've had enough, we're heading back to the world of River City Girls to meet up with Riki, Kunio, Provie, and Marian Kelly, and we're getting rid of the old enemies of Kyoko and Misako, and we're sending Sabu, Sabuko, Ken, and the entire Sanwakai Gang to The Black Abyss, but it won't be an easy task especially since they'd been infected by the Satanic darkness of Darren Devereaux and the curse of Elias Devereaux. But, this won't stop us, we'll get rid of Kyoko and Misako's enemies and rid the world of the Satanic darkness of Darren Devereaux and end Elias Devereaux's curse forever.

We had all of TLPS and The M.O.E. with us.

Lincoln: Oh man, we're back in River City High School, and I know what we're going to do here, not only am I going to rescue the eighteen girls here, but we got bad news.

Kyoko: We already got the message from Riki, Kunio, Provie, and Marian: it appears Sabuko, her rich Yakuza boyfriend, Ken, and the criminal patriarch, Sabu, have returned from the dead along with the other members of their gang, The Sanwakai.

Misako: Along with our old enemies, Misuzu, Yamada, Hibari, and Noize.

We arrived at River City High School where we met with Riki and Kunio, the two honorable delinquents, Provie, and Marian Kelly, the shopkeeper.

Riki: You made it on time, guys.

Kunio: Misuzu's already causing havoc in the school, and Ken and his bastard bodyguards are here as well, along with Yamada.

Lincoln: Let's get to work.

We headed for the main hallway, and there we saw our first target: Misuzu, part-time worker on the River City High's Defense Force.

Misako: You better get out of our way, Misuzu, we're here to get rid of Ken and his two thugs along with Yamada.

Kyoko: That's right, so please move.

Misuzu: Never! You beat me last time, but now, I'm gonna flatten you all!

Suddenly, we saw a dark aura surrounding Misuzu and she grew stronger and her eyes turned red.

Lincoln: The Dark Aura of Darren Devereaux's Satanic power. There's one thing that'll end her.

Lincoln fired a massive shower of light energy needles which hit Misuzu, and she screamed in pain as her newly gained dark power was destroyed and she burst into flames and her soul was banished to The Black Abyss.

Misako: Nice one. That's one down...!

Kyoko: And a lot more douchebags to go.

Riki: Next, we get after Ken, he's in the movie theatre in Crosstown's mall with an army of thugs.

We headed for the movie theatre in Crosstown's mall, and we found Ken and his army of armed thugs.

Ken: Well, well, Team Loud Phoenix Storm. How lucky am I to have run into you. Now, I can make you all pay for what you did to my father!

Lincoln: Let's see how tough you are without the help of your army of thugs.

Lincoln fired gold silk web strands from his fingertips that formed into stingers and stabbed the thugs in their chests and Lincoln sucked them dry of all their blood, muscles, organs, bones, and energy, and all that was left of them were their clothes, and that pissed Ken off, as we saw The Dark Aura of Darren Devereaux flare up around him, we fought him, but Lincoln defeated him. But, Ken escaped.

Lincoln: Leave him be, we'll deal with him at Sanwakai Tower. Now, for Taiki Yamada.

We arrived on the roof of the school, and we saw Taiki Yamada surrounded by the dark aura of Darren Devereaux and completely out of his mind with dark power.

Kunio: Yamada.

Taiki Yamada: So, you've all made it. (Laughing Maniacally) Excellent, now with my newly increased power, I will crush all of you into the dirt!

Lincoln: Dark power like that comes with a very fatal price, Yamada, and it's clear you need to learn that lesson once again.

Lincoln fired golden yellow fireballs at Yamada which overwhelmed the dark fireballs Yamada threw, and the last golden yellow fireball Lincoln fired hit Yamada right in the chest destroying him forever and sent him to The Black Abyss.

Kunio: Rest in peace, Yamada.

Provie: Those guys didn't stand a chance.

Marian Kelly: Kyoko and Misako met the man that surpassed the standards they're looking for in a man and even more. Now, the school's at peace, now we need to head to the city.

We headed to the city, and we confronted our next target: Tsuiko, technical advisor at Technos hired by the Sanwakai and a popular social media influencer who's constantly trending, but she's very rude, unattentive, brash, and will justify any action as long as it boosts her following.

Tsuiko: So, you've shown up. Hurry up and die already, so I can get a boost in my following.

That set Caleb Maxwell off!

Caleb Maxwell: The only one dying here is you, bitch! DIE IN A POOL OF YOUR OWN BLOOD!

Caleb went ballistic as he tore through her robots, but Lincoln fired a blast of lightning that hit and electrocuted Tsuiko hard and she died and was sent to The Black Abyss.

Lincoln: If she wanted to have an attitude, fine. But, it was gonna cost her dearly.

Then, we headed to Flatirons' graveyard, and we confronted Blaire, the witch of Flatirons and the Sanwakai's spellcaster.

Blaire: So, you've come.

Lincoln: But, this is the end for you.

Lincoln fired a shower of blades of light magic that pierced Blaire and she burst into flames and was sent to The Black Abyss.

Next, we went after Hibari, fashion designer in River City.

Misako: Show's over, Hibari, now stand down.

Hibari: Show's not over yet.

Then, as we saw the dark aura appear, Lincoln fired gold spider silk that wrapped around Hibari and cocooned her, and then, he began draining her of energy as strands of energy were being sucked out of her and into Lincoln. When Lincoln was done, Hibari was sucked dry of energy and sent to The Black Abyss.

Then, we went to Ocean Heights, and we confronted Noize, street tough rock star revisiting River City for a one-night-only concert in Ocean Heights who was a friend of Kyōko named Nozomi.

Luna: Let me take a crack at her, time to show her who owns the stage.

Luna took to the stage and they engaged in a massive rock battle, and when she saw the dark aura appear around Noize, Luna didn't hold back and really let her have it as she fired waves of water and ice that hit Noize and saved her, and we had her put into The Redemption Squad.

Lincoln: Noize will fit right in with us since she is an old friend of yours, Kyoko. Now, let's move on, we still got a few more of Darren's puppets to deal with.

We moved on and headed to Primo's restaurant, and there we saw Primo, renowned chef hired by the Sanwakai who is the host of his own cooking show and the owner of the high-class restaurant.

Primo: So, you've come at last.

Lincoln: But, this is the end.

Suddenly, the dark aura manifested, and Lincoln fired beams of light that hit Primo and freed him from Darren's dark influence.

Riki: Now, we got to head back to the rooftop of River City High, Ken's back for more.

We headed back to the rooftop of River City High, and there we saw Ken still surrounded by the dark aura, and assisting him are Ryūichi and Ryūji Hattori.

Ryuichi: You've humiliated our boss for the last time.

Ryuji Hattori: Now, we're gonna mess you up!

Lincoln: Ah, get lost, you punks!

Lincoln fired blasts of dark purple energy which hits Ryūichi and

Ryūji Hattori and he drained them dry of all their energy and life force and they were sent to The Black Abyss.

Ken: Now, I will deal with myse-!

POW!

Lincoln kicked him hard in the stomach.

Ken: Ow! Ouch! Hey!

Lincoln: Beat it, loser.

Ken ran away again.

Marin Kelly: Alright, now we got to get after Sabuko and Ken.

Lincoln: Let's get to Sanwakai Tower.

We headed for Sanwakai Tower, and awaiting us is Sabuko, Sabu's daughter and the cocky arrogant son of Sabu, Ken.

Sabuko: So, you've arrived at long last, and I hadn't forgotten the humiliation you dealt unto me and my father. Now, revenge will be ours!

Lincoln: You two Hellspawn siblings are going straight to Hell for your crimes.

Lincoln fired blasts of life-sucking energy that hit Sabuko and Ken and he sucked out Sabuko's lifeforce along with Ken's and the two were sent to The Black Abyss.

Lincoln: Now, for the grand finale. (Deep Sapphire Eyes glowed) Time to die, Sabu, this is where the Sanwakai dies for good, along with the last of Darren Devereaux's Satanic darkness.

We kicked the door down, and there stood Sabu, leader of The Sanwakai.

Sabu: You're here, Team Loud Phoenix Storm. But, this place will soon be your tomb.

Sabu injected himself with his serum which boosted and bolstered his strength, and the dark aura manifested.

Ultimate Way Big: That cheat, he used a serum to boost and bolster his strength.

Lincoln fired a powerful red energy helix blast surrounded by fire, and it pierced Sabu right through his chest and he burst into flames and he was sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down and returned home to The World Tree Estate.

Me: That was one intense fight, but we did it!

Nico: That was one awesome battle across River City.

Lincoln: Yep, The Sanwakai is gone forever, and we also got rid of every last trace of Darren Devereaux's Satanic darkness.

?: Aw man, I missed the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Cryomancer of the Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Cryomancer of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Cryomancer of the Ice Barrier, and she has an ice greatsword and with her are the eighteen girls.

Lincoln: (GASPS) Alcyone Frostine, Avatar and Gene-Slammer of Cryomancer of the Ice Barrier.

Alcyone Frostine: That's right, and I got the girls away from those Sanwakai assholes.

Nico: Smart move.

Me: Especially since they were infected by Darren's evil.

Lincoln: They got what they deserved, along with that bastard, Darren. That's what he gets for his evil betrayal. (To Alcyone Frostine) And it's so good to see you again, Alcyone.

Alcyone Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Alcyone Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Alcyone Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Alcyone Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Alcyone Frostine's waist and hugged her, and Alcyone Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Alcyone Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold

Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Alcyone Frostine, Avatar and Gene-Slammer of Cryomancer of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Cryomancer of the Ice Barrier. She's The Ice Cryomancer of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Alcyone Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Cryomancer of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Cryomancer of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and what many of us didn't know was that Alcyone Frostine knew about The Big Claw Gang, and how they managed to infiltrate The Syndicate through a spy they had, and he stole their secret dossiers on all their operations and Drake Maxwell's journal detailing more of his plans to kill Caleb. She was about to steal the dossiers and the journal to give to the police, but she stopped, she knew if this got out, Drake Maxwell, that filthy animal, would kill Caleb thinking he was the one behind it when it wasn't.

Me: Amihan explained everything about your story, and I had no idea you were trying to steal the secret dossiers on all The Syndicate's operations and Drake Maxwell's journal detailing more of his plans to kill Caleb.

Cage Blunt: Caleb may have found one of them in his old home in 1983, but there were many more.

Lincoln: But, it was Ryan James' dad, The Big Claw Gang's spy, who would steal the secret dossiers on all The Syndicate's operations and Drake Maxwell's journal detailing more of his plans to kill Caleb and they waited until Caleb's funeral to leak the details to the public, ruining The Syndicate.

Caleb Maxwell: And in a way avenge my death, but that didn't deter me.

Allie Maxwell: No, your vengeful spirit was still out for blood.

Lincoln: And it took my Dark Side Eternal Purification to bring your brother back from the dead, and now that you're here, Alcyone.

Lincoln with his massive muscular arms still wrapped around Alcyone Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four

large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Alcyone Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Alcyone Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Alcyone Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Alcyone Frostine.

Alcyone Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Alaska Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Alcyone Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Alcyone Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Alcyone Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the eighteen girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

Alcyone Frostine: HOLD...! (Saw us gone) It!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the eighteen girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the eighteen girls are Komugi Inukai A.K.A. Maria: Okay, guys, come on out.

We came back out.

Maria: And that's that for The Sanwakai.

May: And we banished the last of Darren Devereaux's Satanic darkness from the face of the Earth.

Lincoln: After what Darren did, he deserved to die.

?: Along with The Sanwakai.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long marine blue hair, blue eyes, blue angel wings, she has an ice greatsword in her right hand, and she has on a marine blue two-piece bikini.

Lincoln: (GASPS) Yurei Yukihana, Queen of The Yukihanaians of Planet Yukihana.

Nico: No way, the only Yukihanian that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Yurei Yukihana, Queen of The Yukihanaians of Planet Yukihana, she's Lincoln's Guardian Angel from Planet Yukihana, a planet of eternal ice and cold inhabited by powerful warrior angels known as The Yukihanians, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of snow, ice, frost, snow, ice cold temperatures, Absolute Zero, and the immense omnipotent powers of the Yuki-Onna times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, she's The Queen of The Yukihanians of Planet Yukihana, and she's also far more powerful than her own people: in addition to being a natural born fighter and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of snow, ice, frost, snow, ice cold temperatures, Absolute Zero, incredible godly powers, and the immense omnipotent powers of the Yuki-Onna times infinity, and the ability to grow stronger, but she was also born with angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of snow, ice, frost, snow, ice cold temperatures, Absolute Zero, incredible godly powers, and the immense omnipotent powers of the Yuki-Onna times infinity, and the ability to grow stronger, and the ability to grow even stronger, and like with Almightairaira, The Yukihanians drove off the Infernairans, and they had the dream: when The Reincarnation of Amaterasu was forever purified, the Yukihanians would send a message to him in a dream inviting him to Succubara where he would meet The Yukihanians and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Yukihanians into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of snow, ice, frost, snow, ice cold temperatures, Absolute Zero, and the immense omnipotent powers of the Yuki-Onna times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Yukihana and its core into his body and Yukihana's Sun into his body to preserve their legacy. Yurei Yukihana came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of snow, ice, frost, snow, ice cold temperatures, Absolute Zero, and the immense omnipotent powers of the Yuki-Onna times infinity, and the ability to grow stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense omnipotent powers of snow, ice, frost, snow, ice cold temperatures, Absolute Zero, and the immense omnipotent powers of the Yuki-Onna times infinity, and the ability to grow stronger, and all the powers of the Yuki-Onna, and all the powers of The Yukihanians times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Yukihanians gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of snow, ice, frost, snow, ice cold temperatures, Absolute Zero, and the immense omnipotent powers of the Yuki-Onna times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Yukihana and its core and Yukihana's Sun into his body to preserve their legacy. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them frozen to death.

Me: That's incredible.

Yurei Yukihana: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Yukihanians along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of snow, ice, frost, snow, ice cold temperatures, Absolute Zero, and the immense omnipotent powers of the Yuki-Onna times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility,, and absorbed Yukihana and its core and its massive Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Yurei Yukihana: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Yurei Yukihana: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Yurei Yukihana to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Yurei Yukihana with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring

on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Yurei Yukihana: That's my special gift to him: Yukihana's Blessing of Divine Arctic Snow Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Yurei Yukihana: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot male Yukihanians both male and female are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us killed The Sanwakai and sent them to The Black Abyss forever and wiped out the last of Darren Devereaux's Satanic darkness, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing

900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Alcyone Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Alcyone Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even

more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Alcyone, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Alcyone Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Alcyone Frostine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing

Suddenly, the alarm sounded, and when Lincoln checked the computer, Setsuna, Shiki, and Tamaki saw who it was that was triggered the alarm: it was Shiki and Tamaki's mother and Setsuna's aunt, Sayo along with our old friends, Kara, Jessie, Cambria, and Kara's baby son, Stevie.

Tamaki: Mother, she's here, but who are...?

Lincoln: Those are old friends of ours from a rescue I did last year. Let them in, I just know something is about to happen.

We let Sayo in along with Kara, Jessie, Cambria, and Stevie who's in Kara's arms, and Setsuna, Shiki, and Tamaki were glad to be reunited with their aunt.

Sayo: I am glad to see you three again along with meeting all of you, Team Loud Phoenix Storm.

Lincoln: We are honored to meet you, Sayo. Can you tell us what happened?

Kara: She's back...!

We suddenly know who Kara was talking about.

Lincoln: Maa-Kalaratri, The Spider Goddess and The Dark Mother.

Me: Oh no...!

Nico: Did she follow you here?!

Sayo: No, I used my magic to teleport us to here, they were heading to the old home they were once in, but then, it appeared from a portal of darkness and tried to hurt them, so I arrived in time to get them out of there.

Jessie: You got to stop that monster, it wants revenge on us.

Setsuna: Can you tell us what happened?

Lincoln told those we hadn't met yet the legend of Maa-Kalaratri and what Kara and her family went through because of her, and they were horrified.

Setsuna: We got to get rid of her and fast.

Lincoln: We're also coming with you, we've dealt with Maa-Kalaratri before. Kara, Jessie, Cambria, you stay here with Stevie, we'll be right back.

We headed for the old house while Kara, Stevie, Jessie, and Cambria stayed at The World Tree Estate, and it was already really dark outside as night had fallen. Then, as soon as we got inside the house, Lincoln formed a very powerful and protective diamond barrier to protect us from Maa-Kalaratri and he channeled light into the barrier which made it glow, and Setsuna's Kusanagi blade, Shiki's sphere, and Tamaki's mirror made the light even brighter.

Caleb Maxwell: I don't like this one bit.

Suddenly, a thunderstorm came, and lightning also lit up the house's rooms, along with the bright light from Lincoln's diamond barrier, Setsuna's Kusanagi blade, Shiki's sphere, and Tamaki's mirror. Then, we saw a giant dark brown spider with giant fangs climb down from the wall in the living room: it was our old enemy, Maa-Kalaratri, The Dark Mother and the vengeful spider goddess.

Nico: (Gasps) Maa-Kalaratri.

Then, Maa-Kalaratri pounced, but the diamond barrier was protecting us from her, but she was still trying to break the barrier and bite us with her venomous giant fangs, which was futile.

Setsuna: How could something like that commit so much evil, and to anyone it crosses. This is truly unforgiveable, goddess or not, she needs to pay!

Suddenly, Setsuna's massive True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Inferno Blue Fire Wind Divine Noble Royalty Wind Inferno Seven Stars Phoenix

Fire Storm Fury Fiery Justice Noble Fox Beast True Seraphim God Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Inferno Blue Fire Wind Divine Noble Royalty Wind Inferno Seven Stars Phoenix Fire Storm Fury Fiery Justice Noble Fox Beast True Seraphim God Phoenix God Archangel Justice started glowing with blue energy and magical energy as it grew to 2,900'11" in length with embedded cyan blue gems and seven colored gems arranged like the gems on The Seven Stars Sword and The Kusanagi Sword from Toukaiden and The Elements of Harmony of Sunny Starscout and her friends and a fox etched on the 2,800'11" massive, hulking, wide, double-edged gold blade, large gold fox heads with cyan blue gems for eyes for the crossguard, large white angel faces built into both sides of the crossguard and large cyan blue gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, long 100'11" midnight black handle, four large gold fox heads with cyan blue gems for eyes and on the bottom of the large gold wolf heads is a large gold fox head with cyan blue gems for eyes and cyan blue gem in its mouth and cyan blue fur tassel for the pommel.

Setsuna fired powerful blue energy slashes and blue magical blasts with slashes of his newly evolved massive and Kusanagi blade which hit Maa-Kalaratri, and it made her so angry, she tried to pounce on Setsuna, but Lincoln imprisoned the spider goddess in a ball of indestructible diamond, then, the diamond ball's interior grew and formed giant spikes which pierced Maa-Kalaratri all over the place since the only way to kill her was force, and they didn't stop. When it was done, Maa-Kalaratri was nothing more than a pile of remains, which were set ablaze and she was also sent to The Black Abyss forever and her remains were burned forever, and we also burned another egg-sac she laid in the house again.

We returned home to The World Tree Estate and continued working out.

Me: And that's that for that ugly spider.

Nico: You said it, but why were Kara and her family heading back to the old house?

Kara: I thought I heard my old friend, Clark, calling out, but I didn't realize it was a trap.

Lincoln: It could've been someone who was able to disguise their voice as Clark, but we don't know who it was. But, either way, Maa-Kalaratri is finally gone forever, and her reign of terror is over.

Eli: You said it.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw Lucifer from Shin Megami Tensei II coming after them.

Anna Anyanova: Oh no, Lucifer from Shin Megami Tensei II.

Lincoln: What the?! I got him.

Lincoln went after Lucifer from Shin Megami Tensei II and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Metatron and he began absorbing him and he assimilated Lucifer's God tier cognitive physiology and Nigh-omnipotence converted into True Omnipotence, Immeasurable Superhuman Strength, Immeasurable Superhuman Speed, Immeasurable Superhuman Reflexes, Immeasurable Superhuman Durability, Massively Immeasurable Superhuman Agility, Immeasurable Superhuman Leaping, Multiple Jumps, All-Terrain Mobility, Hypermobility, Superhuman Flexibility, Supernatural Resilience, Organ Independence, Superhuman Precision, Superhuman Determination, Massively Superhuman Metabolism and Digestive System, Supernatural Pain Inhibition, Respiratory, Nutritional, and Restful Self-Sustenance, Infinite Physical and Mental stamina, Afterimage Creation, Unlimited Magic Pool,

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of Lucifer's energy and he was sent to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Juno, Serial Designation XJ-9 A.K.A. Jenny, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Miinya Prenavas8102 and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Juno, Serial Designation XJ-9 A.K.A. Jenny, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Miinya Prenavas8102 and the rest of his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, Juno, Serial Designation XJ-9 A.K.A. Jenny, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Miinya Prenavas8102 and the rest of his harem were lying down on a massive beach towel with Lincoln on top of Juno, Serial Designation XJ-9 A.K.A. And then, Lincoln shared a passionate and romantic kiss with Juno, Serial Designation XJ-9 A.K.A. Jenny, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Miinya Prenavas8102 and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Juno, Serial Designation XJ-9 A.K.A. Jenny, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Miinya Prenavas8102 and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Juno, Serial Designation XJ-9 A.K.A.

Jenny, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Miinya Prenavas8102 with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Juno, Serial Designation XJ-9 A.K.A. Jenny, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Miinya Prenavas8102 are in your harem, Linky.

Juno, Serial Designation XJ-9 A.K.A. Jenny, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Miinya Prenavas8102 showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Lucifer from Shin Megami Tensai II came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed him and assimilated all of his powers and abilities, and I sucked out the last of his energy and sent him to The Black Abyss.

Me: Smart move. But, no wonder I sensed that much power coming from you today and yesterday when you absorbed Metatron from Shin Megami Tensai II.

Lily the Mermaid: But, our date went smoothly, and we not only gave

Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo,

Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much

worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome and fun Skylanders adventure.

Nico: Who's next?

Me: Sam S.L., Vinyl Scratch, Sunset Shimmer, Lillie, Snowy, Moltres, Sunburn, Ka-Boom, Wildfire, Torch, Fire Man, Flame Man and Flame Mammoth are next and we're going after Scrap Shooter.

Qin: COOL!

Me: (Imitating Edward G. Robinson) ALL RIGHT SEE! NO ONE MOVE OR THE MAYOR GETS IT SEE!

Nico: (LAUGHS) THAT WAS GOOD!

Xenia: YEAH!

We went into the simulator and it activated and we were at a place called Scissor Street.

Me: Scissor Street? Wow!

Brock: I know this place guys. This is a place that was home to so many Pokemon Fashion Boutiques and it's also where Pokemon Breeders learn about how to do Pokemon Breeding.

Me: Wow! This is amazing!

Brock: And I know a good shop and breeder professional here. Follow me.

We followed Brock.

Nico: You sure we're going the right way?

Me: If Brock knows where he's going we'll trust him.

Brock: Right here.

We saw a shop and it had a Kanto Vulpix on it.

We went in.

We saw a woman with green hair and blue eyes and she was massaging a Chansey.

Brock: There she is. Guys this is Suzie. She is a Breeder Professional.

Suzie: Oh Brock, Ash, Misty, everyone. Good to see you again. And Wow Team Loud Phoenix Storm it's such an honor to meet you all.

Me: Oh you too Suzie. I think Ash and friends mentioned you many times before.

Suzie: I can tell. It's an honor to have you all here.

Me: We're glad to be here.

Poliwag: Hello!

Suzie: Wow! I didn't know some of the Pokemon you have can talk.

Nico: We call them our mascots and they are awesome.

Suzie's Vulpix came.

Lillie: Oh wow! You have a Vulpix too. Snowy here is going to have an awesome friend.

Snowy and Suzie's Vulpix looked at each other and touched noses.

Me: Wow that is so cute!

Suzie: Wow I've never seen a White Vulpix before.

Me: Lillie's Vulpix comes from the Alola Region. We learned that many species of Pokemon can be Diversified depending on region and they even have their elements changed too. Alolan Vulpix are Ice Element varients of the Kanto Region Vulpix.

Suzie: That is really cool! I didn't know about that.

Maria: It's all really cool.

May: It sure is.

Poromon: It is awesome.

Lillie: I hatched Snowy since she was an egg and she and I have been very close.

Suzie: You raised Snowy so well Lillie.

Lillie: Thank you so much.

Poliwag got out a beer bottle

Poliwag: Does Vulpix like beer?

Suzie: (GASP) Wait do Pokemon drink?

Me: Uch! Many of our mascots are the only Pokemon, Digimon and fish like Mevya that can drink beer. They get into all kinds of crazy mischief. But we get a great laugh out of some of it.

Suzie: I can see why. (Sees Meowth and Jessie and James) (GASP) Team Rocket is with you!?

Maria: It's okay Suzie. They are not part of Team Rocket anymore. Jessie, James and Meowth got canned before we destroyed Team Rocket back in 2019.

Me: It's true

Jessie: Yeah we are no longer part of the team.

Eli: If it makes you feel better, they had the worst ever performance record in the team and that's ZERO Pokemon caught for them.

Me: It's true.

Qin: Yeah.

Me: Also you're not going to believe who their boss was.

Suzie: Who was it?

Me: The Viridian City Gym Leader, Giovanni.

SHE GASPED!

Suzie: Oh wow! I've heard how he was the boss of Team Rocket! I had no idea it was one of our own gym leaders.

Me: I know. He was trying to take over the world with as many Pokemon as he could.

Nico: Yep.

Meowth: We're just glad we aren't with Team Rocket anymore. Being with them was a nightmare.

Me: I can see why.

Suzie: I was going to say.

Poliwag got drunk immediately.

Poliwag: (BURPS) (HIC) I love being drunk!

I snapped my fingers and he reverted back.

Pikachu: But you have to get used to the mascots. It is funny but sometimes it can cause problems.

Suzie: I see. (GASP) Ash your Pikachu can talk now?

Ash: He learned how to talk on his own.

Me: Yep.

Horsea hopped on her head

Horsea: It's true. And we are all great friends.

Me: Yep.

THUNDERCLAP!

Me: WHOA! A storm coming?

Outside the door we saw a RAICHU MADE OF BLACK LIGHTNING!

Me: WHOA! That is unusual! A Raichu made of Black Lightning?

Lincoln: (GASP) That's not an ordinary Raichu! It's Nightraichu, The Hypothetical Akuma of Lt. Surge and he is a Raichu made entirely out of Black Lightning and he has intense voltage more powerful than that of a normal lightning strike measured at 500,000,000,000,000,000,000,000,000,000,000,000,000,000 volts! He can kill even a powerful rock Pokemon with a massively powerful lightning strike!

WE GASPED IN SHOCK!

Me: Lt. Surge's Akuma!? Whoa!

We saw him flare up electricity and the lights all overloaded and then...

SMASH! SMASH SMASH!

THEY POPPED FROM TOO MUCH ELECTRICITY!

Me: HOLY SHIT! That is intense voltage!

Nico: Power's out.

Me: Because of his intense voltage.

We went out and faced him.

Me: WHOA! The amount of voltage coming off him is mindboggling!

Vinyl Scratch: No kidding there!

HE THEN FIRED A MASSIVE BLAST OF INTENSE LIGHTNING! IT HIT LINCOLN AND ME AND THE LIGHTNING USERS AND SUPERCHARGED US INTENSELY WITH INCREDIBLE VOLTAGE!

Me: HOLY CRAP! FEEL THAT ENERGY!

Nico: GEEZ!

Me: WOW!

Then he fired a MORE POWERFUL LIGHTNING BLAST AND IT HIT ASH!

HE SCREAMED IN EXCRUCIATING AGONY AS HE WAS REALLY ELECTROCUTED BAD!

HE WAS ELECTROCUTED INTENSELY AND THEN HE FELL TO THE GROUND BURNED AND CHARGED AND HAD LIGHTNING ARCING ALL OVER HIM AS HE WAS TWITCHING IN PAIN!

Me: HOLY SHIT!

Ed: ZAPPITY ZAP ZAP!

Serena: Ash!

Ash: (Dazed and in pain) Mommy I am a pretty boy that loves Pokemon like toys.

Me: Boy that had to hurt!

Nico: NO SHIT!

Vierra Voltic: Man if Team Rocket were still bad guys, not even their machines would last against that kind of voltage. They would be obliterated into nothing!

Qin: No kidding.

Me: Okay then.

Nightraichu fired more intense lightning and he supercharged us and more and it was REALLY INTENSE!

Me: HOLY CRUD! SUPERCHARGING!

Vierra Voltic: No kidding! WOW!

Lincoln: That is powerful!

Linka: It sure is!

Brock: Lets do it Geodude!

Brock had his Geodude out!

Brock: THE SMASHING POWER OF ROCKS AND THE EARTH! Z-POWER COMES FORTH WITH THE POWER OF THE EARTH! USE CONTINENTAL CRUSH!

Geodude lifted up a MASSIVE CHUNK OF EARTH AND ROCK AND SMASHED IT ONTO NIGHTRAICHU AND CRUSHED HIM!

Me: WHOA! HOLY SHIT! That had to hurt!

Nico: WOW! That was awesome! Well done Brock!

Me: Yeah!

Nico: And Geodude's a ground type! Good choice!

Brock: Thanks!

Nico: Now to catch it.

He threw an Akumaball and caught Nightraichu.

Me: YEAH!

Suzie: WHOA! That was so intense! What was that?

Me: What you saw was one of the most powerful attack moves a Pokemon can muster through the work of Pokemon and humans working together as one. It's called a Z-Move. They pack as much explosive firepower as a Kamehameha Blast.

Nico: Yep and when they are combined together in combos they make a REALLY effective attack.

Suzie: WOW! That is amazing!

Me: We've demonstrated a lot of Z-Moves and they are really amazing.

Suzie: Can you teach me how to do that?

Me: We sure can.

Poromon: We're waiting for all the Core members to get mascots before we try them out in the usual battles

Me: Not sure who is left but we have about 75 to 80% of the mascots for the Core 310 covered. It's going to take a while though.

Suzie: Plenty of time though.

Qin: Yep.

Princess What's Her Name: I actually just got mine today

Suzie: Oh man is that an Omastar?

Princess What's Her Name: Yep it sure is.

Me: I know. Omastar was thought to have been extinct. But clearly it's not.

Suzie: Amazing!

Me: Yep.

?: Aw too bad I missed the fireworks see!

We saw SCRAP SHOOTER!

Me: Scrap Shooter! Just in time! We were thinking you weren't going to show up.

Nico: But that's probably for the best

Scrap Shooter: I still love to watch a good fight see! And I never back away see!

Me: Always loved the gangster talk. Makes me feel like we are in the

Roaring Twenties.

Nico: Yeah! Lets get it on!

Moltres called!

Sunburn: ROAST AND TOAST!

Ka-Boom: BOOM TIME!

Wildfire: BRINGING THE HEAT!

Torch: FIRE IT UP!

Me: Lets burn!

Sam and Vinyl fired waves of energy and fire.

Nico: Let's just say that you missed an electrifying fight

Moltres fired a Flame blast.

Nico: Lets just say that you missed an Electrifying fight.

Me: And it was for the best too.

Scrap Shooter: I have a feeling it was that dangerous see!

Me: Oh it was!

I fired waves of fire and blasted him.

Lillie and Snowy blasted him with ice.

Me: Lets burn!

Sam S.L., Vinyl Scratch, Sunset Shimmer, Lillie, Snowy, Moltres, Sunburn, Ka-Boom, Wildfire, Torch, Fire Man, Flame Man and Flame Mammoth: FIRESTORM OF JUSTICE BLAST!

They fired waves of fire and blasted him down!

SCRAP SHOOTER DEFEATED!

Scrap Shooter tried to crawl away.

Scrap Shooter: "Hey, so what'll it be, pal? You want a crackshot shooter on the team? Or just a bunch of palookas?"

Me: Who are you calling a Palooka!

Sunset Shimmer: The only place you're going is in here!

She held up a Red Traptanium Crystal! And a Red Vortex appeared!

Scrap Shooter:"Nobody captures me, SEEEEEEEEEEEEE!"

He got sucked into the trap and was locked into it!

Scrap Shooter: "Eh, where am I, see? I can't see, see!?"

Me: Hope you like the smell of Mustard.

SCRAP SHOOTER TRAPPED!

Scrap Shooter: "What is this wise guy talking about? Captured, me, see?"

Sunset Shimmer: Because you are now my prisoner and you better be good or else you'll be sleeping with the fishes.

Me: Just like back in the old gangster days.

Scrap Shooter: Forget fishes. I'm sleeping with mustard right now!

Me: That was funny.

Qin: Yep.

We left the simulator

* * *

At Dr. Lopez's office, We were waiting for Dr. Lopez to call us in.

Me: I know this is hard but it's for the best.

Manaphy: I know.

We later were called in.

Dr. Lopez: Been a while since we saw each other everyone.

Me: I know. When we were sleep drained from after the War on April 12th.

Diddy Kong: Thanks for letting us come here, Dr. Lopez

Dr. Lopez: Anytime. So what's the problem?

Me: Well it concerns Manaphy here.

Dr. Lopez: Yes?

We told her what happened and how Manaphy may need therapy for this.

Dr. Lopez: Ah I see.

Manaphy told her what happened with her life story.

Me: Oh doc we're going to have some bonding time too with some of us as well just so you know.

Dr. Lopez: Understood on that.

Shining Armor: Hunter, me, Silverstream, and Bebe will never regret meeting you.

Hunter Steele: That was so awesome and fun.

Twilight Sparkle: Everyone had fun on that.

Me: They sure did.

Spiderman: We all had fun.

Hunter Steele: That was so fun. Shadow loved it too.

Shadow: You got that right.

Donkey Kong: Okay. Let's start with the first problem. Manaphy's been attacking Gene Slammers that hit May.

Me: We had numerous run-ins with Pokemon gene-slammers from Dark Gale, a villain organization lead by one of my old enemies and she and May got attacked by them a lot and it drove Manaphy bonkers. To the Point where she wants to blow someones head off. Manaphy is so overprotective of May because of how she was hatched from an egg by her.

Dr. Lopez: I see. It appears that Manaphy is suffering from a trauma that lead from when she was first hatched.

Me: Hmm... Phantom! It must've been because of Phantom!

Manaphy then bursted into tears!

Manaphy: (CRYING HARD) IT'S TRUE! I HAD ALWAYS BEEN OVERPROTECTIVE OF MAMA BECAUSE OF WHAT HAPPENED WITH PHANTOM! (CRYING HARD)

(GOODBYE RODNEY PLAYS)

Manaphy: (CRYING AND WAILING) MAMA MEANS EVERYTHING TO ME! I DON'T WANT TO LOSE HER BECAUSE OF IT! (CRYING AND WAILING)

May: (Sympathetic) Oh Manaphy is all that true?

Manaphy: (CRYING HARD) YES MAMA IT'S ALL TRUE! (CRYING) I KEEP HAVING TERRIBLE NIGHTMARES ABOUT YOU GETTING HURT! GETTING KILLED BY PHANTOM! I CAN'T BEAR THE THOUGHT OF THAT HAPPENING TO YOU!

May: Oh Manaphy!

Me: Oh man! I had no idea she was going through all that!

Qin: Me neither!

Dr. Lopez: It appears she has PTSD From what happened when you guys met Phantom before coming here to our world long ago.

Me: That was long before Nico joined us. Oh man! Manaphy we're so sorry.

Serena: We had no idea.

Xenia: Yeah.

Bebe: We had fun fighting your enemies

Spiderman: Yeah that was fun.

Hunter Steele: It sure was awesome.

Shadow: I agree there.

Armada Cyclonus: Oh, that's not the only problem. 2 days ago, she accidentally made a green jello monster named Jiggles that went on a rampage. And then, she defended it from us!

Poliwag: And she called us haters!

Me: Yeah it's true. Skipper and the Penguins did the same thing so that had some sense of deja-vu for them

Skipper: Yeah it's true.

Dr. Lopez: PTSD can cause you to do strange and crazy stuff.

Me: I've seen how it affects people and it's not pretty.

Silverstream: And we also killed Evil Cozy Glow

Cozy Glow: I just can't believe I was like that long ago.

Silverstream: I know Cozy but you're cured now.

Cozy Glow: Yeah.

Hunter Steele: No kidding there.

Me: Yep.

Manaphy: (CRYING AND WAILING) I'M SO SORRY ALL OF YOU

GUYS!

Billy: And yet, I was also punished for something Manaphy did.

Powerglide: Well, you did use up the bait.

Qin: Yeah.

Me: By the way Qin where did you get that Pineapple Coconut sunblock anyway?

Qin: Oh over at the market where J.D. usually buys our groceries. Nice deal for it.

Me: Cool. Also Billy did get beat up NUMEROUS times for his stupid shenanigans before. Mandy can vouch for that.

Mandy: He's right on that.

Horsea: How did you think I felt about Shaw almost killing me back in 2021?

Poromon: And Manaphy you felt the same way when I got turned into a Werewolf.

Poliwag: And how Horsea got scared out of her wits because of the Haunted Car.

Me: And just recently all of you guys got scared out of your wits earlier because of us watching the Redeadening.

Nico: And don't forget about Officer X and Fifi.

Poliwag:...those two didn't scare us at all

Me: And lets not forget Blood and Honey.

Poromon: Look at it!

Me: I had to open my big mouth.

Poromon: Sorry force of habit.

Me: But I think we get the idea guys.

Manaphy hugged May

May: Oh Manaphy. We had no idea.

Dr. Lopez: Yeah Manaphy just needs to get rest and counseling from Ino and me. She'll be on the road of recovery.

May rubbed Manaphy's back.

Me: Poor Manaphy.

We later were walking back home.

Me: Poor Manaphy. We had no idea she was going through such hardships.

Xenia: Yeah.

May kissed Manaphy on the forehead.

Me: Aww.

But then we felt a massive increase of heat!

Me: WHOA! It got REALLY HOT all of a sudden!

Camie: WHEW! Man that is hot!

Ymir: It's really hot!

Qin: How in the world did it get so hot!?

Laney: I think THAT is the cause! Look!

We saw a Magcargo!

Me: Whoa a Magcargo! This one is REALLY hot!

Nico: No kidding

Me: Must be one of Dark Gale's Work.

Sheena: It is. Her name is Fireflower Lavalamp. She is half of a creature called an Astramatinian.

Me: WHOA! What do they look like?

Shanan: They look like this.

Shanan showed us one and they are lava lamp creatures.

Shanan: They come from the planet Vescuvia and are masters of fire, lava, earth, crystal and all things earth.

Me: Whoa! They sure look powerful.

Lola: Yeah!

Me: Lets go help her.

We went over to her.

Lola: Hey calm down now. Lets talk.

She used Flamethrower but we absorbed the fire.

Me: Whoa! This one is too hot to handle.

Lola: No kidding!

I snapped my fingers and she was a girl with orange hair, orange eyes, fire angel wings dripping with lava and she had Magcargo on her forehead. She had 5 volcanoes on her arm with a lava lamp as well as an Astramatinian on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: Wow! But man her wings are dripping lava! That is lethal.

Nico: No kidding.

She woke up

Fireflower Lavalamp: (Groans) I feel like I went through a trippy slugfest.

Me: Long story but you were turned into a Magcargo by Dark Gale.

Fireflower Lavalamp: Whoa not cool. I was in a groovy battle with Khyber's Pet. He turned into a Buglizard and I defeated him with far out fun.

Me: That's the natural predator of the Lepidopterrans.

Fireflower Lavalamp: That's right.

Qin: Wow!

Nico: Also the way you talk is far out. Like something out of the Woodstock 1969 era.

Me: Groovy times.

Nico: This is 2024 right now

Fireflower Lavalamp: I know. But my family is like that.

Me: Groovy.

Qin: Yep.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new orange and red clothes and a Lava Lamp Sword.

Fireflower Lavalamp: Far out groovy. I look groovy.

Me: You sre do.

We went back home

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Manaphy: Ahh...

Headstrong: Feel better Manaphy?

Manaphy: A little.

Me: It'll be a while Manaphy.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was King K. Rool as Captain King K. Rool, he's on the loose on Crocodile Isle, and bad news: that scaly crocodile has kidnapped Trina Shining, the Gene-Slammer of Elemental HERO The Shining and beaten her up really bad and left a note for Nico to piss him off! When we saw it, we knew it meant trouble, BIG!

Lincoln: Oh God!

Me: Nico's gonna be pissed!

Eli: And I got that note from that scaly tyrant.

Lincoln: Oh man...!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's King K.

Rool, he's on the loose on Crocodile Isle.

Me: This will be fun. This is how we met Donkey Kong and friends.

Squidward then saw a letter and read it

Squidward: (eyes widen) Nico? You might want to read this.

Nico read it.

Nico: (Reading) "I have your friend Trina Shining and you will never see her again. Come and get her Nico you fatassed douchebagged fuckfaced crybaby! YOU SUCK YOU DICKWAD FATASS LOSER! King K. Rool" (ENRAGED SCREAM) YOU SCALY BASTARD! I'M GONNA SKIN YOU ALIVE AND TURN YOU INTO CROCODILE BOOTS FOR THIS! YOU AND EVERY LAST KREMLING WITH YOU ARE DEAD!

NICO SCREAMED WITH EXTREME RAGE AND FURY!

Me: OH MAN!

Xenia: Captain K. Rool has REALLY CROSSED IT BIG TIME!

Lincoln: Nico, calm down, we're gonna get your friend back. This is exactly what that scaly lizard wants, he wants to piss you off to no end and make you blind with rage, you'll wind up accidentally hurt us.

Lincoln managed to cool Nico down, but he's still pissed off at that scaly crocodile.

Nico: I'm calm now, but I'm still pissed! He had some nerve to kidnap and beat up one of my friends, he's not getting away with this.

Me: Damn straight.

Nico: If he wasn't part of The Super Smash Bros. roster, I would skin him alive and send his ass straight to The Black Abyss! But, since we can't do that, we're throwing him in prison. Alright, team, let's get to Crocodile Isle and skin King K. Rool alive.

Lincoln: Kidnap someone's friend and have them beaten up and send a note like that to piss us off?! I guess you haven't learned your lesson, K. Rool. Fine, I'm gonna enjoy taking you down with one of my Final Smashes before Nico turns you into a pair of croc-skin boots!

Me: YEAH!

The previous group came.

Hydros: Can me, Manta Bayarsh, 10,000 Volt Ghost, Felix Faust, Black Knight Ghost, Lythos, Pyros, Stratos, Vulkanus and Whirlin go with you guys?

Nico: Yes you can come with.

Qin: Cool.

Dreamcatcher: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Thunder Giant next

Me: Lightning power.

Qin: Nice.

Xenia: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Ultima, the divine entity that is responsible for instigating the conflicts between the various nations across Valisthea and the main antagonist of the 2023 action role-playing game Final Fantasy XVI, and he's here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh no...!

Me: Lincoln, don't tell me! That was...!

Lincoln: Ultima, the divine entity that is responsible for instigating the conflicts between the various nations across Valisthea and the main antagonist of Final Fantasy XVI, and he's here to destroy us.

Cocytus Malefic: He's a dangerous individual, but we're more than ready for him.

Lincoln: We are, Cocytus, and I do have a score to settle with him, he's gonna pay for instigating the conflicts between the various nations across Valisthea, and for trying to possess Clive Rosfield and use his body to destroy the world and remake it in his image.

Nico: Okay, now I'm really intrigued, just how many powerful enemies have you really fought against in the past? Anyways, let's get to Crocodile Isle.

Lincoln: And rescue your friend and teach King K. Rool a nasty lesson, and once we're done with him, you're next, Ultima.

Cocytus Malefic: Your crimes against the various nations across Valisthea and humanity can never be forgiven, Ultima, now you must pay the price for your crimes.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to Donkey Kong Island to rescue Nico's friend, Trina Shining, the Gene-Slammer of Elemental HERO The Shining, lay siege to Crocodile Isle, and take down King K. Rool, and once we get done with him, Cocytus Malefic and Lincoln are going to take down Ultima, and Lincoln's going to absorb him.

We were off to DK Island

We arrived at Crocodile Isle by DK Island.

Me: We're here.

10,000 Volt Ghost: Let's call Grodd

Qin: Good idea.

We did so.

Grodd came.

Grodd: Ready for action guys.

Me: Awesome

Nivenna: Let's use a banana tomahawk for this

Me: Good idea. Lets get this party started!

We started with Gangplank Galleon.

Black Knight Ghost: So how is this going to work?

Me: We're going to go through 3 levels on Each part of the island and take down each boss in each part.

Nico: Cool.

Qin: Lets do it!

Nicole: We start with Gangplank Galleon. Here's a list for us

She gave us a list

Gangplank Galleon -

Pirate Panic, Lockjaw's Locker and Krow's Next

Crocodile Cauldron -

Hot Head Hop, Squawks's Shaft and Kleaver's Kiln

Krem Quay -

Barrel Bayou, Krockhead Klamber and Kudgel's Kontest

Krazy Kremland -

Hornet Hole, Bramble Scramble and King Zing Sting

Gloomy Gulch -

Ghostly Grove, Web Woods and Kreepy Krow

K. Rool's Keep -

Castle Crush, Screech's Sprint and Captain K. Rool

Me: Okay then. This works perfectly.

Terrence: Which is first?

Me: Pirate Panic.

Nico: Lets go!

We ran throughout the ship and bashed baddies left and right and really sent them into the sea!

Then we went into Lockjaw's Locker and we were swimming and smashed numerous baddies too.

We then got to Krow's Nest and he was a VULTURE WITH A PIRATE HAT ON!

Me: Okay you stupid bag of feathers!

Qin: Taste this!

Qin fired fireballs!

Qin bashed him with his eggs and knocked him down! He was defeated!

Stratos: One down.

We then went to Crocodile Cauldron and it was hot!

Me: WHOA! It's hot and deadly.

Qin: Looks like we're playing the Floor is Lava! Literally!

In Hot Head Hop we hopped around and jumped over the lava and more.

Then in Squawks's Shaft we flew up and bashed baddies in a crystal mineshaft.

Then we got to Kleaver's Kiln! Kleaver was a fiery lava sword!

He swung fireballs and we absorbed them and I bashed him with cannonballs!

Then I clashed with him and bashed him more and then...

BOOM!

He exploded into a million pieces and landed in the lava.

Xenia: 2nd boss down.

Nicole: This is getting fun.

We then arrived in Krem Quay.

Me: Krem Quay. This place is Swampy.

Blot: How are you feeling, Manaphy?

Manaphy: I'll be okay and will be better.

Blot: Good.

We ran through Barrel Bayou and it was really scary as we bashed baddies and jumped over swampy areas. Then in Krockhead Klamber we jumped and bashed baddies left and right.

Celica: This is also the place where you guys saved me before.

Me: I remember that. That was awesome.

Nico: It sure was.

Qin: Really? Wow.

We then got to the third boss! It was KUDGEL!

Me: KUDGEL!

Nico: I'll face him!

Nico punched him and blasted him with explosives and sent him flying far!

SPLASH!

Me: 3rd boss down!

Whirlin: Have you noticed that none of them are talking?

Nicole: Guys this world is from the SNES format. None of the bosses talked.

Whirlin: Oh.

Nicole: Captain K. Rool will talk this time.

Me: Good.

Poromon hugged Manaphy.

Poromon: There there Manaphy.

We were in Krazy Kremland.

Me: This place looks more like an Amusement Park.

Qin: I know.

Donkey Kong: Yeah.

We walked through Hornet Hole and it was like a beehive.

Then we went through Bramble Scramble and the bramble vines were sharp and painful.

Qin: OW OW OW OW OW OW OW! THIS PLACE HURTS!

Xenia: No kidding!

Me: Bramble Vines hurt!

Xenia: Yeah!

We then got to KING ZING!

HE WAS A HUGE BEE!

Me: That is a nasty bee!

Camie: I got this.

She fired aurora blasts and blasted him down!

Me: Take that!

Nico: You okay, Qin?

Qin: I'll be fine.

Me: Bramble Vines really hurt.

We then went to Gloomy Gulch.

Me: This place always gives me the creeps.

Qin: No kidding.

We walked through Ghostly Grove and battled the baddies and then through Web Woods and battled a ghostly version of Krow called Kreepy Krow and we blasted him all over the place. It was awesome! We defeated him.

Me: Awesome! That leaves 1 more boss.

Nico: And that is?

Me: Captain K. Rool and he's in K. Rool's Keep!

We went there and we were in Castle Crush and jumped through the level.

Then we got to the Castle and saw Trina Shining and she was REALLY BEAT UP!

Nico: TRINA!

We went over and freed her!

Me: Oh my god! She is really beat up.

Trina Shining: (Groans) Nico?

Nico: I'm here.

Varie: She'll be alright. She took a really nasty beating.

Nico: And that is?

Me: Captain K. Rool and he's in K. Rool's Keep!

We went there and we were in Castle Crush and jumped through the level.

Then we got to the Castle and saw Trina Shining and she was REALLY BEAT UP!

Nico: TRINA!

We went over and freed her!

Me: Oh my god! She is really beat up.

Trina Shining: (Groans) Nico?

Nico: I'm here.

Varie: She'll be alright. She took a really nasty beating.

Nico hugged her

Nico: I WILL MAKE THAT LIZARD PAY FOR THIS!

?: Then you will have to get in line!

We saw a GORILLA MADE OF PURE FIRE!

WE GASPED!

Me: WHOA MAN! That is one Hot Gorilla!

Lincoln: That's not just a gorilla! That's Donkey Kong's Akuma, Infernus Kong! The Hypothetical Akuma of Donkey Kong and a master of fire and flaming fruit. He was made because he was fed up with King K. Rool stealing all of his banana hoard and he vowed to burn him until he was nothing but ashes!

WE GASPED IN SHOCK!

Me: That doesn't surprise me though. King K. Rool's been stealing Donkey Kong's Banana Hoard for a long time.

Delia Kong Kramer: For over 30+ Years.

Nico: Yeah.

Cindersaur: Oh please. I can make hotter flames

He threw fiery fruits and we dodged them and they exploded!

KRABBBBBBBOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOMM!
KRABBBBBBOOOOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOMMM! KRABBBBBOOOOOOOOOO!

Me: WHOA! Explosive! Okay then!

I fired waves of water and explosive fruits and blasted him all over the place!

Me: Take that!

Vulkanus: DK? Is that you?

Infernus Kong: It still is dudes.

Grodd: It is the same guy. But he needs to calm down.

Infernus Kong: Not until K. Rool is dead.

Nico: Get in line. He Called me a fatassed douchebagged fuckfaced crybaby and a dickhead fatassed loser! AND I'M GOING TO FUCKING KILL HIM! NO ONE CALLS ME A FATASS AND LIVES TO TALK ABOUT IT!

Poromon: He's sensitive about his weight.

Infernus Kong: I can see why.

Me: Lets do this!

I fired waves of water and drenched him.

Grodd used his psychic powers and bashed him all over.

Infernus Kong: My turn!

He threw fiery fruits and fireballs and we dodged them and we fired waves of water and knocked him down.

Me: There.

We then went through Screech's Sprint and won that.

Me: Now to go onto Captain K. Rool's airship. Lincoln cue the battle plan.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of Crocodile Isle, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is King K. Rool, we already rescued Trina Shining and dealt with the other bosses on the other areas. Now, all that's left is King K. Rool.

Rubberband Man: We need to watch for his henchmen

Nicole: It's just him and us now. He has no henchmen coming.

Qin: Good.

Lincoln: We'll definitely make sure he pays for what he did. Now, then.

Suddenly, Lincoln's deep sapphire eyes turned crimson red and his pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999

massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln let out an extremely massive and savage roar as he pounded his chest like an Alpha Male Gorilla.

Erica Sullenberger: (GASP) Sandra Heirhart!

Sandra Heirhart: I will make you pay for ruining my life Erica!

Me: You know her?

Erica Sullenberger: Unfortunately yes. Her name is Sandra Heirhart. No relation to Amelia Earhart and her family, and her name is spelled differently and she is from a rival pilot family that went out of business because of my family. I exposed them for building faulty airplanes and she launched one and it crashed and killed everyone. I blamed Sandra and her family and they were convicted and sent to prison. They got the death penalty. Sandra's parents got executed but Sandra escaped. Sandra vowed revenge and promised to kill me.

WE GASPED!

Felix Faust: You brought all that on yourself

Me: That's right!

Sandra Heirhart: I DON'T FUCKING CARE! I WILL KILL ERICA IF ITS THE LAST THING I DO! IF I GO DOWN I WILL TAKE HER WITH ME!

Erica: And she will die like one!

They fired waves of lightning and rainbows and blasted her.

I fired waves of energy and separated Anti-Experiment Omega and we scanned it and sent Anti-Experiment Omega to the black abyss.

Me: There. May I borrow this?

I took his gun.

Captain K. Rool: Sure.

I gave it to Erica.

Me: Erica want to do the honors?

Erica: Sure.

Erica went over to her and pointed the gun at her head.

Sandra gulped.

Adrian Morrigan went after Captain King K. Rool and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded as they hit him, and he also whacked him and blasted him with his staff. Then, he also attacked him by flashing the Strobulb in the face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at him which hit him hard.

And Nico's enormous golden yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large golden yellow angel wings under his enormous golden yellow angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind him and a massive halo of gold energy with intricate designs formed above his head with intricate designs and they formed into a purifying field that hits Captain King K. Rool and we all found ourselves not only in Heaven, but also, in space.

Lincoln, Nico, and Me: NOW, GO TO HELL FOR ALL ETERNITY!

Lincoln, Nico, and I attacked Captain King K. Rool with a last and powerful downward swing of our massive greatswords and that caused a massive explosion to erupt and the chains broke and Captain King K. Rool was on his last legs as Lincoln, Nico, and I landed in front of the team, and it also exposed Ultima, the divine entity responsible for instigating conflicts between the various nations across Valisthea and the main antagonist of the 2023 action role-playing game Final Fantasy XVI, our secondary target who was then put into suspended animation until later.

Ed Cowart: Alright, that's it, Captain CrocJohn Silver!

Captain King K. Rool: What was that?!

Ed Cowart: You heard me! Now, you get yours!

Ed Cowart proceeds to insult Captain King K. Rool

Ed Cowart: You're a shitty pirate captain! You're dull and ugly! I bet you look good in a pink tutu! You shoot cannonballs? Your ways are as ancient as your brain!

Captain King K. Rool: That's it! Now, you're gonna get it!

He shoots a barrage of cannonballs at Ed Cowart only for Ed Cowart to break out a giant rubber band and reflected the cannonballs right back at Captain King K. Rool.

Ed Cowart: At least, you didn't interrupt me this time. Anyway, prepare your ass for defeat and one last thing?

Ed Cowart dropped an anvil on Captain King K. Rool, then he dropped a piano on Captain King K. Rool, then he dressed Captain King K. Rool in a pink tutu, then he finished by firing hyper hot sauce and hyper hot nacho cheese at him and pulled Captain King K. Rool's underwear over his head.

Time to pay, Captain King K. Rool.

Fireflower Lavalamp was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Jillian and Connie.

Connie Morgan: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of their gene-slammer forms. They transformed into a Carnivine, Great White and Magcargo and blasted him all over the place.

Qin: YEAH!

Me: Take that!

CHOMP!

Carnivine nibbled on my head!

Me: HEY! I'm not a chewtoy!

Horsea winced.

Carnivine let go and reverted back.

Me: Connie you got to control Carnivine's urge to chomp on my head.

Connie Morgan: Sorry.

Horsea squirted ink and blinded him.

Chunky was ready for him.

K. Rool went at him and Chunky used a powerful punch!

KRABLAM!

He was really seeing stars!

Qin: YEAH!

Then Mojo Jojo, Brain Freezer, Manta Bayarsh, Trickster, Bizarro, Cluemaster, Ebon, Pyro, Radioactive Man, and Scorpion Came.

Nico: Mojo Jojo, Brain Freezer, Manta Bayarsh, Trickster, Bizarro, Cluemaster, Ebon, Pyro, Radioactive Man, and Scorpion.

K. Rool was really dazed and stupid.

Captain K. Rool: (Dazed and Stupid) Hey guys have you seen my teddy bear?

They were stumped.

Brain Freezer: What Teddy Bear?

He fainted.

Manta Bayarsh: Told you guys I would get them.

Mojo: Being a monkey myself, I personally love this adventure.

Brain Freezer: Seriously, what teddy bear?

WHAP!

Nico facepalmed.

Nico: He was too dazed and stupid.

Me: Yep.

Trickster: (to Nico) We heard you fought Maximilian Greco.

Me: Yep.

Bizarro: (to Princess What's Her Name) You shouldn't take care of that Omastar.

Princess What's Her Name: I won't.

Me: (To Omastar) Bizarro talks in opposite.

Omastar: Oh I think I get it.

Me: Yep.

Rotox came.

Me: Another round Rotox?

Rotox: Yep.

Me: Awesome!

Rotox: First time you killed an Evil Underground Girl on the spot

Me: She was a death row inmate so she deserved it.

Rotox: Too true.

Qin: Yep.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Jaune Arc, Optimus Primal, Miti, Riki Honoo, Rosemon, Malefic Blue-Eyes White Dragon, Malefic Red-Eyes Black Dragon, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Headstrong and Tantrum VS Mojo Jojo, Ape Man, Acid Breath, Gerude Doggler, Bouldergeist, Grand Doomer EX, Monkeywi and Raja Jaja - Nico's rescue on Frankensteinaira and we battled Maximilian Greco

---

Mojo Jojo was first.

Mojo (to Jaune): Nico's rescue was on Frankensteinaira. He battled Maximilian Greco. I think you guys battled him long ago didn't you?

Jaune Arc: Yes we did but it was back in 2019. I wasn't there when it happened but Nico said it was 4 days before the Battle everyone had with Thanos.

Optimus Primal: I remember that. That was intense.

Miti: I wasn't there when it happened but that was amazing.

Twiilght Sparkle: I had no idea they faced him before. That was amazing. Many of us weren't there when it went down but that was amazing. Nico told us what happened on the trip to Frankensteinaira. It was really intense.

Stellar Sparkle: It sure was! We were amazed ourselves.

Harmony Sparkle: Yeah no kidding.

Starshine Sparkle: That was an amazing battle from what we were told about.

Spyro: I was there for that and it was cool.

Mojo Jojo: That is amazing. I had no idea you guys faced him before. I, Mojo Jojo am ready! Lets do this!

Jaune summoned his Keyblade and it was called Remnant's Light. They fired waves of energy and magic and smashed them down.

Bloom, Darkfire Dragon, Tigra, Simba, Kovu, Timon & Pumbaa, Nala, Sunset Shimmer, Firestorm Shimmer, Sunset Shimmer (G5), Pipsqueak, Chalcanthite Aurora, Fire Skylanders, Chef Pepperjack and Dreamcatcher VS Brain Freezer, Superfriends Captain Cold, Monster Arm, Hungry Larry, Quint, Pie King, Madame Woe and Bling Bling Boy - The Anothers were the gene-slammers of Evil HERO Necroprism, Vampire Lady and Serziel, Watcher of the Evil Eye

---

Brain Freezer was next.

Brain Freezer: (to Bloom) The Anothers were the gene-slammers of

Evil HERO Necroprism, Vampire Lady and Serziel, Watcher of the Evil Eye. Nico, Ultimate Way Big's team, Giant Villain's team, and the others did good battling them.

Bloom: They sure did! It was really awesome. We also met a Carnivine gene-slammer. And here is a shocker. Her name is Connie Morgan and she is James's elder sister.

THEY GASPED!

Brain Freezer: WHOA! I didn't know James had a sister. First Jessie and now James.

Bloom: I know! And we found out that when James was little, she was strongly against James marrying Jessebelle and also was strongly against the bad lifestyle that James was subjected to. She became the Black Sheep of the Family. She spied on Team Rocket and knew about Giovanni's crimes and gave the evidence to Carolyn Hope and her team long ago.

Brain Freezer: WHOA! That is amazing!

Bloom: Yep. And we also met the leader of the Tidal Fangs. They are gene-slammers that got themselves gene-slammed on purpose and they are a group that was made to combat against the forces of Dr. Paradigm and his minions.

Brain Freezer: WHOA! So they are essentially like Mantaman and all that.

Bloom: Yep. Her name is Jillian Scott and she is the leader. She is the gene-slammer of a Great White Shark and is the Tactical genius of the group, has enhanced strength, energy-finned punches, and sonar vision.

Bloom: WOW! That is amazing!

Darkfire Dragon: It sure is and we were amazed.

Tigra: I'll say!

Sunset Shimmer: We were amazed ourselves to meet her and this will be cool to meet the Tidal Fangs.

Firestorm Shimmer: I agree there.

Sunset Shimmer (G5): I agree there too.

Pipsqueak: (British Accent) I agree as well and it will be cool.

Chalcanthite Aurora: (British Accent) You got that right.

Sunburn: That is for sure.

Brain Freezer: Boy you guys had a fun rescue. Lets do this!

Bloom summoned her Keyblade and it was called Domino's Dragon Flame. They fired waves of fire and smashed them down.

---

Bizarro was next.

Bizarro: (to Princess What's Her Name) Bizarro heard Lincoln's rescue was not in the world of River City Girls. Was it bad?

Princess What's-Her-Name: It was bad but it was not fun. Sabuko, her rich Yakuza boyfriend, Ken, and the criminal patriarch, Sabu, have not returned from the dead along with the other members of their gang.

Scary Moth: We didn't destroy them.

Asami: We did not send them to the Black Abyss

Applejack: (In her head) Talking in opposite is so confusing to me. (Out loud) We did not have a good time there.

Emily Douglas: It was not fun there.

Apple Star: No it was not fun.

Wolf Moon Bloom: No it wasn't.

Apple Bloom: It was not fun.

Flashwing: Nope it was not fun.

Bizarro: Sad you did not have fun. Lets not do it!

Princess What's Her Name summoned her Keyblade and it was called Insectica's Rebellion and they fired waves of energy, earth, rock, mud, boulders, meteors, lava, crystal, dust and apples and smashed them down.

---

Manta Bayarsh was next.

Manta Bayarsh: (to Taylor) Today was the Next Skylanders Adventure. Who went this time?

Taylor: Well Sam S.L., Vinyl Scratch, Sunset Shimmer, Lillie, Snowy, Moltres, Sunburn, Ka-Boom, Wildfire, Torch, Fire Man, Flame Man and Flame Mammoth went and we were at Scissor Street. This was a really amazing one. Scissor Street is the very street home to lots of Fashion Boutiques and many things. Including shops to learn all about Pokemon Breeding. Brock told us he always wanted to go there and learn from the masters. There we met Suzie and she had an amazing Vulpix. Lillie and Snowy loved meeting her Vulpix and even Suzie was amazed to see Snowy.

Manta Bayarsh: She probably never has seen a White Vulpix before hasn't she?

Taylor: No she hasn't. And it was awesome. Also we battled Scrap Shooter and it was fun. We also battled Lt. Surge's Akuma, Nightraichu. He was a Raichu made entirely of black lightning.

Manta Bayarsh: WHOA! That is amazing!

Max Goof: Yeah! And this one is so full of lightning! He fired a massive blast of lightning that was more powerful than any lightning ever at Lincoln and it supercharged him and the Lightning Users.

Sally: That is for sure! And it was fun!

Rarity: It was absolutely amazing darlings.

Erica Tala: Jessie and James told us what happened when they were there and it was crazy.

Sapphire Ocean: It was!

Rarity (G5): That was intense darlings.

Dioptase Angel Belle: I agree there too.

Sweetie Belle: Yeah that is for sure.

Gill Grunt: It was fun.

Manta Bayarsh: Wow that is so cool! I bet Brock was happy to see Vulpix again. Lets do it!

---

Trickster was next.

Trickster: (to Raimundo) Manaphy underwent therapy. I hope she's okay now.

Raimundo: Well we found out that she opened her heart and we learned something shocking. We found out that Manaphy is suffering from PTSD. Ever since she went through her ordeal with Phantom, she has been very overprotective of May ever since then and has promised to hurt or kill anyone that hurts her whether it was by accident or on purpose.

THEY GASPED!

Katty Katswell: Is that why Manaphy is so overprotective of May? Oh man. Poor Manaphy.

Mirabel: We had no idea she went through all that! That accursed freak Phantom damaged her! She was crying her eyes out hard and it was hard!

Juniper Lee: Poor Manaphy. She had it rough. Phantom damaged her mentally and physically. Nico swore to make that jerk suffer big time!

Rainbow Dash: Yeah! No kidding! We also then found a Magcargo gene-slammer. It was a Plumber girl named Fireflower Lavalamp. She's half Astramatinian from the planet Vescuvia.

Trickster: WHOA! That's a new one! That is cool! And her name sounds like something out of the Woodstock 1969 Era.

Rainbow Dash: That's exactly what J.D. said and that was

awesome.

Comet Thunder: It sure was cool!

Sprite Thunder: I agree there too.

Thunder Rainbow Zoom: You got that right.

Cluemaster: (to Aang) It's Donkey Kong's Day to shine. You guys are in Crocodile Isle for this.

Aang: We sure are and this is gonna be so fun.

Jinora: Yeah no kidding there. And we got a shocking message! We found out that Captain K. Rool Kidnapped one of Nico's friends!

THEY GASPED!

Tublat: That is not good!

Aang: He left this note.

They read it.

Cluemaster: (Reading) "I have your friend Trina Shining and you will never see her again. Come and get her Nico you fatassed douchebagged fuckfaced crybaby! YOU SUCK YOU DICKWAD FATASS LOSER! King K. Rool" WHY THAT JERKFACE!

Lincoln, Cocytus Malefic, Super Brother, Nico, and I went after Ultimalius, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Ultimalius, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and wolf claw and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cocytus Malefic did the same by firing black and red, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Cocytus Malefic, Super Brother, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was really pissing Ultimalius off.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Ultimalius and we all found ourselves not only in Heaven, but also, in space.

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Ultima began growing weaker as all his powers was being sucked out of him one at a time and was pumped into Lincoln, and Ultima screamed in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of Ultima, and Lincoln sucked out all of the remaining energy in Ultima and banished Ultima to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

Suddenly, Lincoln's massive Lincoln Loud's True Cosmic Eternal

Cocytus Malefic: This where it ends for you, Ultima, and this is goodbye and good riddance. Thanks for helping me get rid of Saiki, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Cocytus.

Me and Nico: Our pleasure, Cocytus.

Suddenly, Cocytus Malefic wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Cocytus Malefic's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Cocytus Malefic sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Ultima, and my old enemy has finally been put down.

Me: Ultima got what he deserved in the end. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Ice Barrier Frost Masters of Loyalty and Caravan of the Ice Barrier appear in the sky.

Lincoln: (GASPS) The symbol of The Ice Barrier and Caravan of the Ice Barrier!

Me: Who would fit that?

Amihan Frostine: That would be Chione Frostine, Avatar and Gene-Slammer of Caravan of the Ice Barrier, and you guys are gonna like meeting her, Chione Frostine, Avatar and Gene-Slammer of Caravan of the Ice Barrier, is Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Caravan of the Ice Barrier. She's The Ice Cryomancer of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Chione Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Caravan of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Caravan of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Chione Frostine hated Lola with a passion, and she swore if that little pageant she-demon tried to kill Lincoln again, she would freeze her soul and shatter her body into pieces.

WE GASPED!

Luna: Oh, I remembered what that spoiled brat's done to piss her off.

Lincoln: And it always ends badly for her.

Cluemaster: Another villain in our Ranks.

Ebon: Got that right.

Nico: He better remember this. NO ONE CALLS ME A FATASS AND GETS AWAY WITH IT!

Me: That is for sure!

Pyro: I wish I could've seen DK's Akuma.

Radioactive Man: I don't blame you.

Scorpion: What now?

Donkey Kong: We celebrate on DK Island!

Me: I'll get out ice cream.

Delia Kong Kramer: Good idea!

Nico: Great job today everyone.

Me: Yep.

Donkey Kong: (To the Viewers) Here is a victory howl for you all! (HOWLS AND POUNDS HIS CHEST)

We got to having awesome banana splits.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we took down Captain King K. Rool.

Anna Anyanova: He got what was coming to him.

?: (Beastly Gruff Manlier Voice) And he's lucky we didn't let Nico finish him.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

HONESTY OF APPLES AND EARTH

Applejack's Day to Shine

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a planet of eternal forests, divine trees, and spiritual energy and with a massive World Tree overflowing with life and protected by powerful omnipotent angels, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, immense power over nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet, World Tree, and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Yggdrasilliaira, a planet of eternal forests, divine trees, and spiritual energy and with a massive World Tree overflowing with life and protected by powerful omnipotent angels known as The Yggdrasilliairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Yggdrasilliairans into his body gaining vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet, World Tree, and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa! Oh man, that's so awesome.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Yggdrasilliaira.

Lincoln landed on Planet Yggdrasilliaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Yggdrasilliaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a green sun and moon on his chest, he has long green hair going down to his shoulders, green eyes, massive green blue angel wings, he has on a green loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Easton Yggdrasilliaira, King of The Yggdrasilliairans of Planet Yggdrasilliaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Eldrana

Yggdrasilliaira. I did say I've been here before to Yggdrasilliaira eight years ago.

Then, all of the other septillions of trillions of male Yggdrasilliairans came to Lincoln.

Easton Yggdrasilliaira: That's correct. (Smiles) And you've grown that much stronger and also much taller, you're now as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Easton Yggdrasilliaira chuckled.

Lincoln: And there's something I need to tell you.

Easton Yggdrasilliaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Easton Yggdrasilliaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Easton Yggdrasilliaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Easton Yggdrasilliaira and the other septillions of trillions of male Yggdrasilliairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, immense power over nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World

Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a green with leaves, souls, and elemental spirits surrounding him and overflowing with such infinite life energy and spiritual energy as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Easton Yggdrasilliaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Yggdrasilliaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Yggdrasilliaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy

Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Back on Earth Omega, The World Tree of Yggdrasilliaira and its restored sacred groves along with its roots that were burned by The Infernairans were all restored and they suddenly merged with The World Tree Estate, and it was even more beautiful than ever and it was overflowing with even more divine energy, life, and spiritual energy.

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Yggdrasilliaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded

colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme

increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym

had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later.

At 2:12 AM, I woke up thinking.

Me: (In my head) Something has been replaying in my mind over and over again. How in the world could have Palpatine survive like that? He should have been dead and that was the end of it.

I got up and went to the computer.

I got to researching.

I saw how Palpatine was killed in the 1983 movie Star Wars VI. He was thrown into the Reactor and that should have been the end of it.

But in 2019 in Star Wars IX, I saw that Palpatine was back because of a cult called Sith Eternal somehow.

Nico came down.

Nico: Huh? J.D. you're up late.

Me: Sorry Nico, I just had some thoughts playing in my head over and over. I kept thinking how Palpatine survived after what happened to him in Star Wars VI after all these years.

Nico: Yeah that doesn't make sense to me.

Me: I know it had something to do with the Dark Side of the Force but it also has something to do with a Cult called Sith Eternal.

Nico: Never heard of them.

Me: Yeah. But I did some digging and found out how he came back. Even though his soul survived and his hatred was so strong that it never left the physical plane. Sith Eternal used Alchemy and created a clone body and placed his soul in it and it was stronger than ever.

Nico gasped!

Nico: So that's how he did it.

Me: Yeah and when we destroyed Exegol and Palpatine we killed all of the Sith Eternal too.

Nico: Good fucking riddance.

Me: I know. Now that Exegol and the Sith are destroyed for good, there is no way the Dark Side of the Force will cause trouble anytime soon.

Nico: Lets hope it stays that way. I just came down to get a drink of water. You should go back to sleep.

Me: I know. That's why I came down. See ya in the morning.

I went back to sleep.

At 5:00 Applejack woke up.

ALARM CLOCK RINGS

Applejack woke up right at the crack of dawn.

Applin: Morning Applejack.

Applejack: Morning Applin. Time to start our day.

Applin: Yep.

She went and got dressed and got to work on chores.

Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Yggdrasilliaira, a planet of eternal forests, divine trees, and spiritual energy and with a massive World Tree overflowing with life and protected by powerful omnipotent angels known as The Yggdrasilliairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Yggdrasilliairans into his body gaining vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet, World Tree, and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room.

Me: Whoa!

Lincoln: And when I absorbed Yggdrasilliaira and its core, I used my power to restore the sacred roots of The World Tree of Yggdrasilliaira and its sacred groves that were burned by The Infernairans and merged The World Tree of Yggdrasilliaira with The World Tree Estate and the sacred groves have also merged with The World Tree Estate's massive gardens.

Me: That explains why The World Tree Estate and its massive gardens are even more beautiful than ever and overflowing with even more divine energy, life, and spiritual energy.

Nico: You said it, look at the leaves and roots, they're glowing with divine energy, life, and spiritual energy!

Lincoln: That's the power of Yggdrasilliaira's World Tree and the Yggdrasilliairans are powerful natural-born nature warriors who were born with radiant angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, immense power over nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and incredible godly powers.

Nico: Oh man, I've heard of them, even The Saiyans knew just how powerful they really are. Before Frieza came, our best warriors fought them in combat, and they were impressed by how strong and skilled they really are. But, you know what would be scarier, I'd eat a bucket of chicken wings covered in mega spicy buffalo sauce if I found out there's a scarier version of Yggdrasilliaira.

Lincoln: Well, you better get your stomach ready because there is a scarier version of Yggdrasilliaira, its dark counterpart, Scarydrasilliaira, and yes, I've also been there as well.

NICO SUDDENLY DID A SPIT TAKE!

Nico: WHAT THE?! SCARYDRASILLIAIRA?! THE DARK COUNTERPART OF YGGDRASILLIAIRA?! OH! MY! GOD!

Qin: The dark counterpart of Yggdrasilliaira?! Oh man, what's that planet like?

Lincoln: (Smirks) Afraid I can't tell you what that planet's like until tomorrow.

Qin: Dang it...!

Me: We'll be right back guys. Me and Lincoln got to go to the store.

Nico: Okay.

We did so.

Me and Lincoln walked out of the store with more groceries. Then we saw Crackhouse Goofy coming.

Me: Well well well if it isn't Crackhouse Goofy.

Lincoln: We were just thinking about you.

Crackhouse Goofy: Have you seen Clarabelle anywhere?

Lincoln: Oh didn't you know? I have her in my harem now and she says I do it a lot better than you! Because she thinks you're a big dumb ugly cow and it's no wonder Disney fired you.

Crackhouse Goofy: (ENRAGED) WHAT THE FUCK DID YOU JUST SAY TO ME!? WHAT THE FUCK DID YOU JUST SAY TO ME!? OH HELL NO! I'M GOING TO FUCKING KILL YOU! NOBODY MESSES WITH GOOFY!

Then...

Woman: IT'S CRACKHOUSE GOOFY! GET HIM!

A bunch of women came and beat the living shit out of him!

NUMEROUS FIGHT SOUNDS!

They got out tazers!

ZAAAAAAAAAPPPP!

They electrocuted him!

Then...

BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG!

NUMEROUS ANVILS FELL ONTO HIM!

Then he got up and then he was attacked by ferocious animals like bears, wolves, coyotes, ants, cougars, eagles, piranhas and many more creatures!

FEROCIOUS ANIMAL NOISES!

They left and then...

KRASMASH!

He got hit with a house made of fishsticks!

LIGHTHOUSE FOGHORN!

Then...

KRASMASH!

Followed by a house of pizza!

ITALIAN MUSIC PLAYS!

KRASMASH!

Followed by a house made of fruit and healthy snacks!

(HARP PLAYS)

(SWISS YODEL)

And then...

KRASMASH!

He got hit by a house made of chocolate, marshmallows and graham crackers!

CAMPING MUSIC PLAYS!

He got up from the rubble.

But then...

AIR WHISTLING!

MASSIVE NUMBERS OF CRATES OF EXPLOSIVES CRASHED ONTO HIM AND THEN...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THEY EXPLODED!

SPLAT!

A giant boot house! And then...

A GIANT CRUISE SHIP!

SHIP HORN!

Then METEORS FELL AND CRASHED ONTO HIM WITH EXPLOSIVE FORCE!

MASSIVE NUMEROUS FIERY EXPLOSIONS!

Me: GEEZZ! He just doesn't learn!

Goofy: (To Crackhouse Goofy) Now, you've done it. It's bad enough you tried to kill J.D., now you tried to kill Lincoln, one of my best pals from long ago. I'm telling! (To The Loud Siblings and Family on his holographic communicator) Hey, everyone! (Points to Crackhouse Goofy) This guy tried to kill Lincoln in the same way he tried to kill J.D.!

Loud Siblings and Family: (ENRAGED SCREAM) HE WHAT?! GET HIM!

THEY POUNCED ON CRACKHOUSE GOOFY AND THEY GOT ENVELOPED IN A MASSIVE FIGHT CLOUD!

BAP POW WHOMP BIFF SMASH WHAM CRASH ZONK BASH KATOW THWACK ZOWIE ZING CRACK KRACKOW! WRESTLING BELL DING! CAR HORN! LION ROAR! PIG SQUEAL! ELEPHANT TRUMPET! SEAL BARK! CAT YOWL! HORSE WINNIE! COW MOO! DOG BARKS! WOLF BARK! BEAR ROAR! SHEEP BLEET! GOAT BLEET!

Loud Siblings and Family: NO ONE, AND I MEAN, NO ONE HURTS LINCOLN AND GETS AWAY WITH IT! YOU'RE DEAD, YOU FAT COW!

IT WAS AN EXTREMELY FEROCIOUS PRIMEAPE BALLISTIC STYLE FIGHT ON CRACKHOUSE GOOFY AND THE LOUDS WERE FEROCIOUSLY BEATING HIM UP IN A FEROCIOUS FIGHT CLOUD!

Max Goof: Yikes! This is getting ugly! But, that was really good alerting them, Dad, even though J.D.'s curse was already teaching him a lesson.

Goofy: No one messes with one of my pals from long ago, Maxie.

When The Loud Siblings and Family were done, Crackhouse Goofy was really mangled up.

Goofy: And by the way, I also happen to be a better father to my son than you'll ever be. Now, to send you flying out of here!

Goofy had his shield ready, and...!

Goofy: CHARGE!

GOOFY CHARGED AT RAMMING SPEED FASTER THAN A BULLET TRAIN, AND...!

BASH!

GOOFY BASHED CRACKHOUSE GOOFY HARD WITH HIS SHIELD AND SENT HIM FLYING OUT OF HERE!

Crackhouse Goofy: I'M BLASTING OFF AGAIN!

TING!

Goofy: That'll teach him. Next time, we'll give him what for.

Mickey Mouse: You said it, pal.

Donald Duck: And the words you said to him, you really got him good.

Minnie Mouse: That's right, that was really amazing work, Goofy.

Daisy Duck: Along with that shield bash that sent him flying out of here like with what happened with Team Rocket. (To Jessie, James, and Meowth) Uh, no offense, guys.

Jessie, James, and Meowth: None taken, Daisy.

Goofy: (To me) And what you said just now, I can guess that was a prank to set him off and get him hurt even more with your curse's pranks, right, J.D.?

Me: Yep.

Everyone was stunned.

May: I don't even want to know how you saw right through J.D.'s plan.

Sora: I still remembered when he found out Mulan was pretending to be a boy to join the army in place of her father.

Donald Duck: We were still stunned at that.

Max Goof: (Chuckles) Well, that's a unique trait of Dad's, but still, even that stuns me to this day.

We later returned home.

* * *

Nico: Hey, Manaphy. How are you feeling today?

Manaphy: Getting better. Still have a long way to go

Me: You'll get there Manaphy. These things take time.

Manaphy: I know.

Apple Bloom: Yeah you'll be fine.

Nico: Applejack sure is busy very early.

Me: Nico she always wakes up right at the crack of dawn at 5:00 AM and gets ready to work. Farmers are always busy.

Apple Bloom: That's right. It's a big job.

Big Mac: Eeyup.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold

Shaggy: Zoinks, The Cotton Candy Glob!

Me: Is it...!

Lincoln: Nope, it's all too real.

Sakura Knudson: (Drools) Cotton Candy...! (SLOBBERING NOISES)

Me and my sisters: Oh God...!

Shaggy: Sakura's drooling for cotton candy, and like, that's not good. When she catches the scent of cotton candy, she turns into an untamed beast and goes after it. Remember when we stopped by at your middle school's fair in Colorado, J.D.?

Me: (Shudders) How could I forget? What a mess...!

Lincoln: We'll need to keep her restrained until...!

Sakura Knudson: YOU WILL NOT KEEP ME FROM MY SWEET COTTON CANDY! NEVER! (CRAZY CACKLING)

THEN, SHE FLEW OUT OF HERE!

Lincoln: Oh crud! Let's finish breakfast and head down to Nome, Alaska to take down The Cotton Candy Glob.

Nico: Before Sakura eats him up completely!

We finished breakfast, and we headed to Nome, Alaska to help Dawn, Iris, and Bonnie unlock their Rainbow Power and take down The Cotton Candy Glob before Sakura Knudson eats him up!

Nico: It sure was. And (GROWLS) K. Rool called me a Fatass! And he crossed the line big time by kidnapping Trina and beating the living shit out of her!

Me: The nerve of that jerk!

Xenia: Yeah!

Nico: But I taught him a lesson

Me: Yep. No one calls Nico a fatass and gets away with it.

Lola: Yep.

Nico: Darn tootin! Also we killed one of the Evil Underground Girls.

Erica Sullenberger: She deserved it that's for sure. She won't be the last.

Lola: Nope. Donkey Kong's Akuma was a really fiery gorilla too.

Manaphy: Boy no kidding!

Nico: He had a little bit of Mario too

Nicole: Yep. That was cool with the fireballs too.

Me: Just like over 40 years ago.

Nicole: Exactly.

Qin: That was fun.

Lily: There's one of the reasons why we're here.

We saw a statue of Lily and Balto.

Ymir: Whoa is that you and Balto, Lily?

Lily: That's right. The reason that statue is put up is because me and Balto helped save Nome from doom.

Ymir: What happened?

Lily: It was back in the old days.

FLASHBACK - CHAPTER 51 OF LOUD HOUSE REVAMPED

Lily was is the Simulator and she was wearing a fur parka.

Me, Varie, Lori, Lana & Lola, Laney and Lisa were in the Control room.

The Simulator activated and Lily found herself in the cold of Alaska.

Lily: I'm in Nome, Alaska.

Lily had a thermometer device on her arm and it said the temperature was -35 degrees.

Lily: 35 below. That's cold.

Lily walked around and saw that no one was on the streets.

She saw the local hospital and went in. Lily saw lots of children that were extremely sick and near the verge of death.

Lily: Oh man. I'm in the 1925 Diphtheria Epidemic. Good thing I've had a Diphtheria shot.

Lily went back outside and saw the famous wolf dog Balto.

Lily: Balto?

Balto: Yeah.

Lily: My name is Lily Loud and I want to do everything I can to help the children.

Balto: I had a feeling you would. Lets go.

Balto and Lily set out to find the lost sled dog team with the medicine for the children. The hospital urgently requested more Diphtheria Antitoxin from Anchorage, Alaska. They tried to send it by sea but pack ice from the Bering Sea came in and made that impossible. They tried delivering it by plane but Blizzards and Whiteout conditions made visibility zero and grounded all planes until conditions improve. The antitoxin was shipped by rail from Anchorage to Nenana, 550 miles away from Anchorage. The Sled Dog team that was sent from Nome to Nenana had to deliver it back from Nenana, 550 miles away from Nome and 550 miles back. The Sled Dog team was 100 miles away from Nome.

They walked over lots of snow and ice. The temperature was dropping the further they went.

Balto sniffed their scent.

Balto: Come on Lily. Steele and his team passed this way.

Lily: We've got to hurry.

As Balto and Lily kept going they went through blowing snow and extreme cold.

They eventually found the lost sled dog team at the bottom of an ice hill.

Lily: There they are.

Lily and Balto slid down the hill and the dogs saw them.

Star: Balto!

Nikki: Is that?

Kaltag: Balto, how did you find us and who is she?

Balto: Is anyone hurt?

Star: We're all okay but our musher hit his head and he didn't get up.

Kaltag: And he's not moving.

Lily: Oh man. I'm Lily Loud and we came to help you.

Balto: Where's Steele?

Ronul: He abandoned us.

Nikki: Steele is a traitor!

Balto: Typical. All right lets load up. Lily you be Musher.

Lily: Okay. I'll try.

Balto, Kaltag and Star load the musher onto the sled and Balto was lead dog.

Lily checked for a pulse on the musher and he was still alive.

Lily: Balto, being part wolf may have been a weakness for some. But for you it's a great gift.

Balto: Why do you say that, Lily?

Lily: Because you have the power and the strength to help and become a great inspiration. You can do it Balto. I believe in you. All you have to do is believe in yourself.

Balto then began to realize that being part wolf is not a weakness but a powerful strength.

Lily: Ready Balto?

Balto: Ready.

Lily: What about the rest of you?

All: Ready.

Lily: All right. Mush!

And off they went. They were braving the treacherous conditions of the Alaskan wilderness. The temperature was -50 degrees, whiteout conditions and blizzards almost made it impossible to see ahead of them, the wind chill was -85 degrees and it was cold.

They entered a forest and saw numerous scratch marks were in the trees.

Star: There's marks all over the trees.

Lily: It must be Steele. He's trying to throw us off the trail.

Balto was sniffing the air and he found the right road and pointed with his ear to the west northwest.

Balto: This way.

Lily: Mush!

They went on and they had to cross over the Rocky Mountains.

They crossed over an ice bridge and Lily heard the bridge cracking.

Lily: Uh oh! The bridge is cracking! Mush!

They ran and got off the bridge just in time as it fell apart.

Balto: Whew! That was a close one. Good call Lily.

Lily: Thanks guys. Lets keep going.

As they kept on going Balto accidentally tickled Star's nose and Star sneezed.

Kaltag: Gesundheit.

The sneeze triggered an avalanche of snow on a nearby mountain and Lily saw it coming.

Lily: Avalanche! Mush!

They all ran and the avalanche was closing in and Balto saw a cave entrance and they went inside it.

As they went deeper and deeper into the cave they saw that it was a big ice cave.

Lily: Wow. What an ice cave.

Balto: It truely is a beautiful sight.

Nikki: Yeah.

As they walked on a drop of water landed on Balto's head and saw that the icicles on the ceiling looked like they could fall with the slightest of noise.

Balto: Shh!

Lily: (Whispering) We have to stay quiet.

They went deeper into the Ice Cave and Lily was walking beside the sled.

The sled then made a thump as it landed off a step and it made an icicle fall and it hit the arch in the sled.

The ceiling was about to fall.

Balto: Mush!

Lily grabbed hold of the sled and got on as they ran and icicles fell and Lily used her Water Powers to swat away falling icicles from the sled and medicine.

They saw the exit and a bunch of icicles broke off and they got out just in time.

Back in Nome, everyone thought that the medicine wouldn't get there and hope was lost. Until Balto started howling.

Lily and the team came over the hill and they saw Nome up ahead and someone had created an artificial Aurora Borealis to be used as a signal beacon.

Hope has Arrived.

Lily: There it is. Hang on Children! We're almost there!

Balto: Jenna.

The lantern at the telegraph station was lit and all the lights in the town came on and all the townsfolk came to the track and cheered wildly as Lily and the team came in and parked in front of the hospital.

Doctor Curtis Welch came out and saw Lily on the sled.

Dr. Welch: Thank you. Thank you so much miss?

Lily: My name is Lily Loud and you must be the doctor.

Dr. Welch: Yes I am. Lily. You, Balto and the Sled dogs have saved us all.

Lily: We did what we had to do for Nome.

20 minutes later, the Antitoxin was administered to the children and a man came out.

?: Lily, Balto?

Lily: Yes?

?: I'm Rosy's dad. She wants to see you both.

He took them both into the hospital and Rosy just woke up.

Rosy: Mommy?

Rosy's mom: Rosy darling.

Rosy: I fell asleep.

Rosy's mom explained what happened and Lily was invited over.

Rosy: Are you Lily?

Lily: Yes I am.

Lily sat on Rosy's bed and Rosy hugged her.

Balto got Rosy's musher hat and brought it over to her.

Rosy saw Balto.

Rosy: Balto. I'd be lost without both of you.

Lily: I'm so glad that you're okay Rosy. We had to do what we had to do.

Rosy was so happy.

At the White House, President Calvin Coolidge awarded Lily and Balto the Congressional Gold Medal for their heroic deed in saving all of Nome from total destruction. Even though Alaska wasn't made an official state until 1959, it was still part of the US Territories.

In a local newsstand in Washington D.C., Lily saw herself in the paper and purchased one.

A vortex appeared and she left and the exercise ended.

At dinner Lily revealed everything that went down and Lynn Sr. and Rita were so proud of Lily. Lily was sitting by the fireplace warming up.

Lynn Sr.: Boy I'm so proud of you Lily.

Lily: [Shivering] I h-h-had to do w-w-w-what I had to d-d-do dad. I'm so cold.

Rita: Alaska gets really cold during the winter. But you were very brave out there.

Lily: I know m-m-mom.

I walk over and put 2 blankets on her and give her a cup of hot cocoa.

Lily: Thanks J.D.

Me: No problem Lily.

Lily was shivering and really cold. But Lily is a true hero.

FLASHBACK ENDS

When it was dne everyone was REALLY AMAZED!

Poromon: I never get tired of hearing that

Volcana: Me neither.

Ymir: Wow! That is amazing Lily! You are a true and awesome hero.

Nico: Lily is one of the bravest girls ever.

Lincoln: That's my little sister for you.

Me: She had to brave subzero freezing cold, whiteout blizzards, everything the cold of Alaska has to throw at her.

Camie: That is amazing and cold.

Varie: It sure is.

Me: That was back 99 years ago. It was awesome.

Qin: Yep.

Manaphy was in May's arms

May: You cold?

Manaphy: A little.

We saw a glass shop and it was full of glass sculptures of Pokemon.

Me: Ooh look at all of these.

We saw glass sculptures of Poliwag, Gyarados and more.

Me: These are very creative.

SMASH!

Me: Uh oh

We went into the back and saw a man and a little girl having trouble.

Me: Are you two okay?

Ash: Mateo, Marissa?

Mateo: Ash! Wow good to see you again.

Ash: You too.

Me: You know these two?

Ash: We sure do. We met them when I was on the road to the Orange League in the Orange Islands.

Tracey: It was at Sunburst Island and we were there to help them find the Crystal Onix.

Me: Whoa! Pleasure to meet you both.

Mateo: You too J.D.

Marissa: And it's awesome that you know Team Loud Phoenix Storm, Ash.

Ash: Long story on that.

Brock: I've never seen a Crystal Onix before. But this will be amazing.

Sapphire Ocean: It sure will and It will be cool to see one that's not a gene-slammer.

Marissa: Huh?

Me: Another long story on that.

Horsea hopped over to them.

Horsea: Is your brother okay?

Marissa: He has been having a lot of problems lately because he lost inspiration again.

Me: Oh man. He's having a creative and mental block. I know what he's going through. Even Izzy does too.

Izzy Moonbow: He's right on that. His creative juices have been blocked.

Me: Yeah. Mateo can you tell us about what you are going through?

Mateo: Sure. You see, when my grandfather ran this store it was full of glass and was a big success. Grandpa was a really talented artist and made beautiful glass Pokemon sculptures every day. Then our grandfather died and I tried my best to follow in his footsteps. But I just can't make anything good enough to sell in the store.

Me: Oh man. I'm sorry Mateo.

I looked at a glass Fearow and a glass Poliwhirl and picked them up.

Me: These are beautiful to sell here.

Mateo: You can have those if you want. Those are just rejects.

Me: Why do you say that? They look beautiful enough to sell.

Nico: Yeah they look so much like the real thing.

Poliwag: I agree there.

Mateo: Maybe. But not to me and compared to grandpa's they're worthless.

He threw a glass Dugtrio and shattered it.

SMASH!

Me: Aw man.

Misty: What a waste.

Me: Aw man. But these don't look that bad to me.

Mateo: They don't have that spark, that soul, that inner fire. They look like statues.

Me: Well isn't glass menagerie always like that?

Mateo: Yes but Grandpa's Pokemon looked like they might come alive at any second.

Poliwag: I'm keeping the Poliwhirl!

Me: He put his work and heart and soul in them.

Mateo: If I can just find some kind of inspiration.

Izzy Moonbow: Aw you just need to find a way to get those creativey juices going again.

Marissa: Huh?

Me: Izzy Moonbow here went through the same thing when she was having a mental block like that.

May: Like what kind of inspiration?

Mateo: I know if I can create sculptures like my grandfather again if I can just see the Crystal Onix again.

Me: I heard Ash and friends saw it before and it was cool. I heard it was an Onix made entirely out of solid diamond.

Qin: That is cool.

Poliwag greedily kept the glass Poliwhirl close to him

Poliwag: I think this is really cool though.

Mateo: Grandpa used to tell me that when he was a young artist, he saw the Crystal Onix and that is what inspired him.

Nico: Did he really see it for real?

Mateo: Yeah. It was the most amazing thing he had ever seen. For the rest of his life grandpa turned out one great sculpture after the other.

Me: Amazing.

Xenia: Incredible.

Mateo: Take a look at this.

We saw a shimmering diamond Onix sculpture.

Me: Wow!

Nico: (Whistles) That is beautiful.

Qin: It's an Onix.

Mateo: That's my grandpa's sculpture of the Crystal Onix he saw.

Me: Wow I can see why seeing the Crystal Onix meant a lot to him.

Mateo: That's right. Grandpa used to say that whenever he needed some inspiration, all he had to do was think of that Crystal Onix. I've looked for it all over this area but I couldn't find it.

Me: You haven't gotten used to this area ever since the World of Pokemon merged with ours back in 2017.

Mateo: That's right. Its been hard for me ever since.

Me: I can tell. That was 7 years ago.

Nico: Before I joined the team.

Me: We'll gladly help you.

Eli: And I can sense where it is. And it's in a cave located about 2 miles northeast of Nome.

Poliwag licked the sculpture

Me: Poliwag you don't want to know where that sculpture has been.

Poliwag: Sorry.

Me: Also I know how to make amazing glass sculptures too.

Mateo: Really?

Me: Yep.

I formed a huge crystal and then made it into a Xerneas, Moltres, Yveltal, Suicune and Lunala all in so many vibrant colors and detail.

Mateo: Oh wow! Those are beautiful!

Me: I made glass sculptures with my crystal powers like what you see in malls and all that. It's very creative. Raised a lot of good money for our school.

Helena Knudson: I remember seeing those. They were so beautiful.

Nico: I didn't know you can do that.

Me: Hidden talent.

Lincoln: Okay, guys, we're in for one intense battle, we're here in Nome, Alaska to help Dawn, Iris, and Bonnie unlock their Rainbow Power and after we help find the Crystal Onix, we're going to take down The Cotton Candy Glob before Sakura Knudson eats him up!

Me: I want to avoid another Middle School Fair Cotton Candy Disaster as soon as possible.

Helena Knudson: Same here. (Shudders)

Nico: What happened?

Me: Sakura went crazy at a school fair in middle school and ate all the Cotton Candy there. Remember how your friend Stella Corrugan went crazy like that?

Naomi Necroshade: Oh man! I remember Stella! She was REALLY crazy when she had chocolate.

Me: Yep. Like that.

Nico shuddered in fear.

Nico: Was it really that bad!?

Me: It was.

Poromon: Cotton...

Pooliwag:...candy...

Poromon and Poliwag:...glob?

Me: It's a monster that Shaggy and Scooby encountered.

Qin: I heard it's a monster made entirely out of cotton candy and Shaggy and Scooby ate it.

Shaggy: (LAUGHS) Like yeah we did. That was the most tastiest yet most frightening monster we ate.

Me: I can see that.

Qin: Huh?

Me: What is it?

Qin: Gone. Sakura is gone.

We saw the vines busted and saw Sakura gone.

Me: Oh boy.

We went to the cave to find the Crystal Onix and the Cotton Candy Glob.

Erica Haddock: Come on, you chickens!

Shaggy: Oh, we're chickens! But not right now!

Me: Good job!

We were off.

We arrived at the cave where the Crystal Onix was at.

Me: That must be it.

Lola: Yeah.

Carrie heard a Pokemon cry.

Carrie White: Look guys!

We saw an Alolan Vulpix.

Me: Hey an Alolan Vulpix.

Lillie: Aww looks like Snowy is going to have a playmate.

Carrie White: That's right.

Alolan Vulpix: Man I am hungry.

Carrie gave her apples.

Alolan Vulpix: Oh thank you.

She ate them.

Carrie White: You're welcome. Want to come with me?

Alolan Vulpix: I would like that.

Me: Awesome! Lets go into the cave.

We went into it and then we got to an amazing lagoon inside and the cave wall had amazing crystal clusters.

Me: Wow! Look at this.

Lola: I think it's in that lagoon.

Horsea: Look at all this.

Me: I know.

But then the water splashed and then out of the water came a figure and with a roar we saw it! It was THE CRYSTAL ONIX!

WE GASPED!

Qin: WHOA!

Lola: WOW!

Mateo: It's the Crystal Onix!

Me: WOW! It really IS An Onix made entirely out of solid diamond!

Qin: It's magnificent!

Sapphire Ocean: It sure is! Wow! It's amazing seeing the pokemon I was turned into by Dark Gale.

Brock: I've never seen a Crystal Onix before! This is so amazing to see!

Mateo: It sure is!

Mateo then got a bunch of new awesome ideas from it!

Mateo: WOW! I just got a massive number of ideas and my spark is reignited! Stronger than ever!

Me: COOL! You didn't need to find the Crystal Onix for inspiration like that. Its been inside you the whole time. You just got to find it.

Mateo: You're right. Thank you.

Nico: Who gets it?

Rarity: I believe I should get it darlings.

Me: Rarity you would be perfect for the Crystal Onix.

I gave her a Jewel Pokeball.

Lincoln: Go for it. First we battle it.

Me: And I remember it's weak against fire.

Horsea got out dynamite

Nico: Horsea not in here. You'll cause a cave in.

Horsea: Oops.

Sheila: I got this! Moltres!

Moltres fired a blast of fire and it hit the Crystal Onix and made it

GLOW REALLY SUPER RED HOT!

Me: WHOA! That is intensely red hot!

Nico: No kidding.

He fell into the water and a huge cloud of steam came out.

Rarity: Jewelball Go!

She threw it and caught it!

Rarity: THAT WAS SUPERB DARLINGS!

Qin: It sure was!

Juru: Nice job, Rarity!

Rarity: Oh thank you.

But then...

GLOMP!

I GOT SOMETHING LATCHED ONTO MY HEAD!

Nico: WHOA! A Mareanie!

And then...

CHOMP!

It let go and I spit out poison from it and it tasted like shit!

Me: BLECH! That was awful!

Nico: A Mareanie latched onto your head and you spit out its poison!

Me: YUCK!

Nico: Good thing we're immune to poison, eh?

Me: Thank goodness.

James pat me on my back.

James: I know how you feel J.D.

Me: Boy James you just Couldn't catch a break from that could you?

James: No kidding.

Me: This Mareanie must be one of Dark Gale's work.

Sheena: And her name is Rhea Razzo and she is also a Plumber Girl that is a hybrid of a Kiusanan Acanthasteric.

Nicholette Landsdown: Oh man! She is a hybrid of the natural predator of the Orishans!

Qin: Whoa!

Me: Lets go help her out.

Me and Nicholette went to help her.

Nicholette Landsdown: It's okay.

She tried to latch onto Horsea's face but she put her clone in front of her

She latched onto that and then...

CHOMP!

The clone turned purple and was poisoned.

Horsea: HA!

I snapped my fingers and she reverted back. She was a girl with purple hair and purple eyes and had purple angel wings and had Mareanie in the middle of her forehead and had the Earth Badge with a Kiusanan Acanthasteric on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: There.

She woke up and saw Horsea smiling.

Rhea Razzo: (groans) Huh? A Horsea?

Horsea: You attacked my clone!

Rhea Razzo: Oh man. I'm sorry.

Me: You were turned into a Mareanie by Dark Gale and you latched onto my head and tried to poison me!

Rhea Razzo: Oh man! Sorry. Also I was battling the Vreedle Brothers when they were trying to take bombs from us.

Me: Whoa man.

Qin: Crazy.

Me: How were you made a Plumber Girl for the natural predator of the Orishans?

Rhea Razzo: My father made me like this.

Me: Your father?

Rhea Razzo: You know him as Giovanni, the Viridian City gym leader and the boss and leader of Team Rocket.

WE GASPED IN SHOCK!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Horsea: I'm sorry. It sounded like you said you were Giovanni's daughter

Rhea Razzo: It's true.

Horsea: OH MAN!

Rhea Razzo: But I am the antipode of my father. I hated my father for everything he did and what he was going to do. I love all

Pokemon like they are friends and never want to use them like that.

Nico put his skeleton back.

Nico: I hate it when that happens.

Cole put his hand on Nico's shoulder.

Cole: She's telling the truth. She would never hurt Pokemon like that.

Eli: And the Force confirms it too.

Me: That's good. Also your father was a monster.

Nico: Well, you'll be happy to know that Anti Monitor didn't bring your Dad back

Me: Yep.

Qin: Good riddance.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new purple and green clothes and a nature sword.

Rhea Razzo: I look amazing.

Me: Yep. And I feel like I;m forgetting something.

?: You mean a deadly girl like me?

We saw a girl that was half hammerhead shark and she had black pants and shoes!

Me: WHOA!

Clint Bolton: RIGHTEOUS! Another Hammerhead shark like me!

Ivana Scott: The name's Ivana Scott. But I go as Hammerboom! I'm the demolition specialist of the Tidal Fangs.

Chloe Bolton (to Clint): Hey, don't forget I'm your female counterpart. So I'm a Hammerhead too!

Clint Bolton: Sorry.

Ivana Scott: That is cool! And I love destroying evil with explosives baby!

Me: Explosive!

Qin: What were you doing when you got slammed?

Ivana Scott: I actually slammed myself on purpose. I was making new explosives for the team and me to use against Paradigm. I injected myself after finishing my new Nitroglycerin Bomb cannon.

Me: Nice!

Qin: Whoa! Powerful.

Ivana: I remember it like it was yesterday.

* * *

She just finished her cannon and it was intense.

She then was approached by Jillian and she took a vial of Hammerhead Shark DNA and injected herself with it. She was doubled over in excruciating pain as she turned into HAMMERBOOM!

FLASHBACK ENDS

Ivana: It was painful but it was worth it.

Me: Would you like to be human again? You can transform at will.

Ivana: I would like that.

Nico: (to Jillian) She shares your last name. Are you both sisters?

Jillian Scott: Actually yes we are. You never asked.

Nico: Wow!

Me: Okay it will be excruciating.

Ivana: Bring it on.

Me: Okay then. (Puts on blind man glasses)

Nicole: Eyes to yourselves perverts!

Me: Yeah! (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and she reverted back and had brown hair and brown eyes and her pants and brown underwear and shoes fell off. She had a Hammerhead Shark on her forehead and had a bunch of dynamite on her arm and had a Hammerhead Shark on it too as a cutie mark.

We wrapped her in a blanket and brought her over.

She felt her head and it was normal.

Maria formed a mirror and she saw herself and gasped! Everything was normal.

Ivana: I am normal again!

Me: Yep.

Rarity: Lets get you new clothes darling.

The fashon brigade gave her brown clothes and a Big Red Dynamite Magisword.

Nico: There.

Ivana: I look amazing.

Me: You sure do,

Nico: What hobbies do you have?

Ivana: I like video games and sleeping.

Nico: Nice.

Clint Bolton: Like me and Chloe.

Me: Yep.

Ivana: Did you miss me, sis?

Jillian: I did.

Me: We can have time for a reunion later.

Lincoln: (Sensed for The Cotton Candy Glob) AHA! Gotcha, I just spotted The Cotton Candy Glob, he's 20 yards away.

Tyler Maxwell, Allie Maxwell, and Alexander Maxwell: TIME TO DIE, ASSHOLE!

They flew after The Cotton Candy Glob!

Suddenly, Sakura Knudson blasted the dark demon hands into dust and she charged right at Caleb Maxwell, Tyler Maxwell, Allie Maxwell, and Alexander Maxwell and kicked them in the stomachs and headbutted them hard in the foreheads and sent them flying into trees, and snow fell on them.

They got out to see The Cotton Candy Glob laughing at them!

Tyler Maxwell, Allie Maxwell, and Alexander Maxwell: YOU LITTLE SHIT!

Sakura Knudson: What the? J.D., guys, where am I? (Freezing) And why the Hell am I in Nome, Alaska without winter clothes?!

I got her into her winter clothes.

Nico: SOMETHING BIT MY TAIL!

I grabbed the Snubbull.

Me: Now Snubbull don't bite Nico's tail.

Lincoln suddenly fired powerful blasts of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, and sacred vines which hit and latched onto a demonic hulking figure: it was Urizen, another of Spawn's old enemies, an ancient, demonic deity that has existed before time itself and whose sole purpose in life was to cleanse the universe by consuming the souls of many, freeing them from the circles of life and death and his mere existence alone was an act of keeping the universe in balance, by ending life entirely.

Suddenly, Lincoln began sucking out all the souls that Urizen had devoured as we saw them being sucked out of the demon through the sacred vines and they began entering Lincoln's body and all of them began merging with Lincoln and he grew even more stronger than ever and he weakened Urizen by a massive degree.

Urizen roared in anger and left.

Brittney: (GASPS) That was Urizen, an ancient, demonic deity that has existed before time itself and whose sole purpose in life was to cleanse the universe by consuming the souls of many, freeing them from the circles of life and death and his mere existence alone was an act of keeping the universe in balance, by ending life entirely. When Lincoln sucked out all of the souls Urizen consumed, that also weakened him somewhat.

Me: But, he'll be back again.

Lincoln: But, then, it'll be my turn to absorb him after we deal with the next villain we go after. (To The Cotton Candy Glob) Now, then, let's deal with our target.

Suddenly, Lincoln let out a growl as his deep sapphire blue eyes glowed and his pupils turned into slits and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller

halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln turned into LINCOLN THE NOCTURNAL, THE WEREWOLF ANGEL HERO OF THE FULL MOON!

Lincoln: (LETS OUT A SAVAGE AND POWERFUL HOWL AND POUNDS HIS CHEST LIKE AN ALPHA MALE GORILLA)

Me: Oh crap! Lincoln's gone Lincoln The Nocturnal!

Nico: Oh man! He's gonna go wild!

Time to pay!

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！
(Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at The Cotton Candy Glob and attacked him with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at The Cotton Candy Glob, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

Then, The Cotton Candy Glob charged at Alexander Maxwell and Tyler Maxwell to beat them to a bloody pulp, but before he got close...!

Caleb Maxwell: DON'T YOU FUCKING DARE LAY YOUR DIRTY HANDS ON MY BROTHERS!

CALEB MAXWELL GOT IN FRONT OF HIS TWO BROTHERS AND PUSHED AWAY THE COTTON CANDY GLOB, AND HE CHARGED AT HIM WITH HIS MASSIVE GREATSWORD IN HAND, AND...!

Caleb Maxwell: DIE, YOU SLIMY GLOB!

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Inside a rainbow sphere with intense flames and elemental forces, Dawn, Iris, and Bonnie underwent an intense and amazing transformation! Dawn, Iris, and Bonnie had Rainbow Flame patterns and rings appear on their sides and obliques and rainbow sun and moon on them and they also gained intense rainbow flame patterns and rainbow flames, stars, and lightning bolts on their forearms, they also got rainbow lines on their hair. They then had their Cutie Mark change into many rainbow flames, stars, and lightning bolts, and their massive angel wings had intense rainbow fire on them.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four halos of rainbow energy formed with intricate designs behind him and a halo of gold energy with intricate designs formed above his head with intricate designs.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, DIE AND ROT IN HELL FOREVER, YOU ASSHOLE!

Lincoln, Nico, and I did one final powerful energy slash that hit The Cotton Candy Glob hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and The Cotton Candy Glob was on his last legs and he was really really mangled.

Suddenly, Shaggy, Scooby Doo, and Sakura Knudson went at The Cotton Candy Glob and they ate him, but they didn't leave any for us, and we powered down.

Sakura Knudson: So good...! So fluffy...!

Nico: You three couldn't even leave a single part of him for us?!

Me: She never leaves any for us either when she gets into that mood.

Helena Knudson: That's for sure, when it came to cotton candy, she never leaves us any at all, she was a pig.

Felicia Knudson: That's why we found out the only thing that snaps her out of it is a s'more.

Alicia Knudson: After that whole middle school fair incident, we're just glad she didn't get sued for damages.

Sophia Knudson: Thank God for that, but she still caused quite a mess.

Emily Knudson: We were stunned at Sakura for what she did at the middle school fair, but there was also a good thing that came out of it. In her cotton candy-fueled rampage, she also tore apart a couple of bullies who were members of a gang that were hired by those disgusting brothers, Venn and Gerald Vexos, to kill us.

Abigail Knudson: Thanks to Sakura's rampage, the gang was killed and Venn and Gerald Vexos got pissed off.

Lincoln: But, that was also the very thing that led to their arrest, but then, they escaped and Venn escaped to Royal Woods while Gerald escaped to Pueblo County, Colorado.

Me: Oh, that's right. Plus, I feel bad for their mother, Cindy, she was convicted of the crimes of her sons and more, and she got sentenced to Life in Prison.

Cadenza Cthugha: I can never forgive that piece of shit, Venn, for what he did, he almost killed Emily, and she needs to suffer dearly for giving birth to those two sickos!

Lincoln: If we meet Cindy, she'll be sent to The M.O.E., but not before you and I bash her brains out and let loose fury on her.

Shaggy: You know, I'm kinda thirsty, I wonder if there's a Liter-Sized Soda Glob anywhere

WE LAUGHED!

Xenia: (LAUGHS) Good one.

Me: I don't think there is a soda glob. Nice try though.

Ed: Oh I got one!

Ed opened his jacket like a fridge and pulled out a huge bottle and in it was a soda.

Ed: Alley oop! Here's your Ketchup Shaggy.

Shaggy: Like thanks Ed but I didn't ask for Ketchup.

Ed: You're welcome.

Shaggy drank it all down.

Eddy: He asked for Soda!

Ed: He asked for Ketchup Eddy. Do you have corn in your ears mister?

Eddy: (Gets in Ed's face) WHAT'S THAT SUPPOSED TO MEAN!?

Nico: Nice job Alolan Vulpix.

Alolan Vulpix: That was so fun!

Carrie White: We both had fun.

Lola: Yep.

Poromon: I would ask for beer but...

MASCOTS BELCH!

Poliwag: We're too stuffed with cotton candy!

Nico: Do you want beer anyway?

Alolan Vulpix: No thank you. I only drink Egg Nog.

Me: A Pokemon that likes Egg Nog. Awesome!

Qin: Nice!

Poliwag: Christmas is going to be special.

Me: Yep.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Alolan Vulpix: Nice try though.

Me: That was funny though.

Qin: Yeah.

Vierra Voltic: How about we buy some glass art from Mateo and Marissa before heading home.

Me: Good idea.

We went back to Nome and had a lot of awesome glass art work made for us and it was cool.

Nico: So beautiful and awesome.

Qin: It sure is.

Lola: Yep.

Poromon: We're playing a good game later today.

Me: Ooh what kind of game?

Poliwag: Never have I ever!

Me: I've never played that one before.

Poromon: It's like Truth or Dare.

Eddy: Truth or Dare!? I love that game!

Poromon: Yep!

Me: This will be fun.

Ultimate Big Chill: I'm ready for some fun too.

Nico: Oh, Ultimate Big Chill, what do you like to do in your free time?

Ultimate Big Chill: I work as an ice sculptor for Penguin in the Iceberg Lounge.

Me: Cool!

Ultimate Big Chill: Yep. I use my endothermic fire to make ice and then chip it into art for the club.

Me: Awesome and cool!

Xenia: It sure is.

But then I smelled something good.

Me: (Sniffs) MMM! I smell something awesome.

Then I saw a big plate of 4 big glowing red hot burgers in front of me.

Nico: Where did those come from?

Me: Who cares? I'm hungry.

I got to eating.

Me: (EATING) MMM! Delicious!

But then...

WHOOSH!

I BELCHED OUT A MASSIVE BLAST OF FIRE AND IT HIT NICO AND TORCHED HIM ALL OVER!

Me: (Coughs) WOW! These are REALLY SPICY! But they are delicious.

Nico: Ow.

Me: Sorry Nico.

I continued eating.

Nico:...and now for the Anothers

Lincoln: (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Applejack.

Lincoln: That's got to be another relative of Applejack's.

Applejack: It's got to be.

Me: Whoa! (BURPS) Oh sorry.

Applejack: Another me!? This is gonna be interesting.

Me: Yep.

Eli: So Ultimate Big Chill, Kiralai the Evolved Necrofrigian Human Hybrid, Caitlyn Cailleach, Elandra Eis Shenron, Frozone and Elena Eis are up and we have Another Scorporilla, Rasslor, Pythoris, Mana, Blizzard Man EXE and Raditz to face.

Qin: Yep.

Nico: There they are... (FAINTS)

FWOMP!

We saw Another Rasslor, Pythoris, Mana, Blizzard Man EXE and Raditz!

Poromon woke Nico up.

Nico: Geez that is really hot.

Me: Yeah. (Eating) MMM!

Another Rasslor: (In a girls voice) Glad you liked my burgers.

Nico: (GASP) Jackie Burgerflame!? Whoa!

She reverted back and it was the gene-slammer of Royal Cookpal King Burger!

Jackie Burgerflame: Good to see you Nico. And man J.D. burned you bad.

Me: Sorry. But these are the spiciest ever burgers of all.

Jackie Burgerflame: Those are my hottest ever burgers ever made. My Super Doomsday Armageddon Planet Burster Burger. It's a burger made with the hottest ever hotsauces in the world that I have cooked into the meat, cheese and buns. It's so hot that I have to wear a radiation suit while making it.

WE GASPED!

Me: Holy shit! No wonder it's so powerful and spicy!

Nico: No shit!

Qin: Wow no kidding! I remember you made a deadly burger like that and a Queen Bee girl we hated ate one and she blasted out intense fire so powerful that she burned down the entire cafeteria. She was expelled because of that.

Me: Whoa man! I bet that burned her voice box too.

Qin: It did. Burned her to the point where she permanently lost her voice.

Vinyl Scratch: That is like how I felt.

Me: No kidding. (Finishes) (Gulp) Ahh! Good meal though. By the way Jackie are the rest of the Anothers friendly or hostile?

Jackie Burgerflame: Friendly and the Another Applejack is really awesome. She makes REALLY awesome apple cider.

Applejack: (LAUGHS) Our family's cider is some of the best there is.

Rainbow Dash: That is too true and awesome!

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now, we wait.

May picked up Manaphy.

May: At least you're getting better Manaphy.

Manaphy: I know.

Me: Oh look!

We saw Another Scorporilla and Applejack!

My sword was glowing and reacting to something.

Me: My sword is reacting to something.

Nico: Whoa!

Another Scorporilla: (In a girls voice) And she is with someone that drowns bullies.

Nico: (GASP) Marlia Maelstrom!? Whoa!

She reverted back and it was the gene-slammer of Evil HERO Maelstrom!

Marlia Maelstrom: Good to see you Nico.

Me: Wait you know the infamous Bully Drowner, Marlia Maelstrom!? That is cool!

Nicole: I heard so many intense things about you. You possess water powers so strong that they can drown anyone instantly and kill them. Hence why you became known as the Bully Drowner. Over 50,212 Bullies drowned because of you.

Marlia Maelstrom: That's right. All people I hate and were all picking on the Disabled and deserved death.

Me: Good fucking riddance.

Nico: And your friend?

Another Applejack: Someone that is going to smash the Flim Flam Brothers faces in for nearly destroying our farm!

Applejack: (GASP) Fire Moon Bloom!?

Apple Bloom: Fire Moon Bloom!

Wolf Moon Bloom: Long time no see my twin sister.

She reverted back and was an orange hair girl with green eyes and had orange clothes and fire angel wings and had a cutie mark shaped like a fire full moon with an apple on it on her arm and she had a fire sword.

Applejack, Apple Bloom, Apple Star, Wolf Moon Bloom and Pear Butter, Bright Mac and Big Mac went and hugged her.

Me: Wow! Another member of the Apple Family.

Applejack: We're so glad you're all right.

Fire Moon Bloom: Me too AJ. And Emily it's so awesome to meet ya.

Emily Douglas: I'm honored too Fire Moon.

Kaito: (gets out Abaranger gear) Did Swartz promise you anything?

Zocks: (gets out Dekaranger gear) Because we can grant it instead

Marlia Maelstrom: No he didn't. I used my powers to drown some of his followers and we ran.

Sakura Knudson: That explains why so many of his followers were wet and dead like that.

Nicole: She really lives up to her name.

Me: Yep.

Fire Moon Bloom: That is amazing.

Me: You really hate the Flim Flam Brothers don't you Fire Moon.

Fire Moon Bloom: DARN TOOTIN! Those sidewinders are nothing but scam artists! And they tried to destroy my home!

Eddy: (LAUGHS) I know how they work too. Those two are in every way like me.

Me: Eddy and the Flim Flam Brothers both have so much in common that it's practically scary. Eddy and his friends scammed the kids of Peach Creek for money to buy jawbreakers. The Flim Flam Brothers want to scam people all for fun.

Nico: It's true.

Sougo: (gets out Dino Thunder Ridewatch) We heard you make apple cider

Geiz: (gets out SPD Ridewatch) Can we have some later?

Sougo got DinoThunderRedArmor while Geiz got SPDRedArmor

Fire Moon Bloom: Sure. I got more than enough for y'all.

Me: Awesome.

Lincoln: Lets separate you first.

We did so.

Me: Lets dance!

Nico: (Gets out Scorporilla's ridewatch) STING AND POUND!

Kiralai: (Gets out Rasslor's ridewatch) LEMME TELL YA SOMETHIN ANOTHERS! YOU ARE NOT GOING TO BE AROUND AS LONG AS KIRALAI HAS SOMETHING TO SAY ABOUT IT!

Rath: YEAH YOU TELL THEM! AND TELL THEM RATH SENT YA!

May: (Gets out Pythoris's ridewatch) LETS STRIKE THE SNAKE!

Universe 666 May: (Gets out Mana's ridewatch) MAGIC POWER!

Maria: (Gets out Blizzard Man EXE's ridewatch) ICE ICE BABY!

They used the ridewatches for Scorporilla, Rasslor, Pythoris, Mana, Blizzard Man EXE and Raditz and blasted the Anothers down!

Me: YEAH!

Poromon: Awesome!

Me: YEAH!

Then Ko-Guy (Jujutsu Kaisen), Golf Jamen, Rantipede, Shun Kageyama, Universe 666 Hopper and Aligned Kickback came.

Nico: WHOA! Nice team Ko-Guy!

Ko-Guy: Thanks Nico!

Lana: Oh boy! Rantipede I hope you're here for another awesome round so I can eat your head!

Rantipede: Not at this moment!

Hymeno: (Face turns green) Lana ate his head?

Me: His head is made entirely out of centipedes.

I lifted the bag off his head.

Me: You thought Deadpool's face was ugly? Look.

THEY SAW HIS HEAD MADE OF CENTIPEDES!

MOST OF THEM SCREAMED IN FRIGHT!

Jeramie: It's not that bad.

Me: Maybe to you guys but to some of us on Earth it scared the living shit out of us.

Lana: But his head is made of really tasty and delicious centipedes. I ate them and they tasted like chicken.

HYMENO VOMITED!

Gira: You'd fit in with the Bugnarok

Rantipede: I may be the Centipede Rinshi but I am not part of them.

Me: Big difference.

?: That is hard to decide on that.

Elemental HERO Thunder Giant came!

Me: WHOA! Elemental HERO Thunder Giant!

Lola: Cool!

Elemental HERO Thunder Giant: (In a girls voice) Lets get this shocking party started!

Nico: Nahlia Thunderquake! Wow!

She reverted back.

Nahlia Thunderquake: Good to see you again Nico. I got this! VOLTIC THUNDERSTRIKE!

She fired a massive blast of lightning and it hit the Anothers and exploded!

MASSIVE FIERY EXPLOSION!

I caught the ridewatches and purified them.

Me: YEAH!

Vierra Voltic: I use the same attack name so it's to avoid confusion.

Me: Oh I get it.

Nico: Yep. Great job!

Nahlia Thunderquake: Thanks! That was fun!

Nico: It sure was.

Kiralai: Do you have any good memories of Nico?

Nahlia Thunderquake: I sure do. When me and Nico went to school and I used my powers and bashed a bunch of Sports Jerk boys faces in and made sure they never played sports again.

Me: WHOA!

Lynn: What a bunch of neanderthals.

Xenia: Yep.

Nico: Yeah.

Nico and Nahlia hugged.

Nico: I've missed you.

Nahlia Thunderquake: Same here.

We went back home.

Necrofrigian Human Hybrid, Elandra Eis Shenron, Frozone, and Elena Eis are heading to Tomobiki High School, Lum Invader's old school in Japan, and not only is Lincoln going to rescue the four girls here, but we got bad news: The Three Girls Gang, Lum Invader's old enemies, have returned from the dead and they still want to destroy Lum Invader, and they also want to destroy us for being with her.

Well, we've had enough of those three bitches, we are going to hunt them down and put an end to them once and for all and send their asses to The Black Abyss, and before that, Lincoln's going to give a severe thrashing to Ataru Moroboshi after finding out from Lum that he's a very lecherous and perverted idiot with a lazy personality and chases after and tries to grope every woman no matter what the situation. Of course, when Lincoln finds out he's trying to get Lum to be with him along with Lincoln's harem, that's going to be the straw that breaks the camel's back, and Lincoln's going to kick his ass so hard, he won't be sitting down for a year!

We had all of TLPS and The M.O.E. with us.

Lincoln: Whoa, we're here at Tomobiki High School.

Lum Invader: It's been such a long time since I've been here.

Lincoln: And I know what we're going to do here, not only am I going to rescue the four girls here, but we got bad news: The Three Girls Gang, Lum Invader's old enemies, have returned from the dead and they still want to destroy Lum Invader, and they also want to destroy us for being with her.

WE GASPED!

Nico: Oh great, those heartless bitches are back for more, even after we dealt with them when we first met Lum years ago.

Me: Talk about stubborn.

Lincoln: Well, I've had enough of those three, we are going to hunt them down and put an end to them once and for all and send their asses to The Black Abyss.

Lum Invader: That's for sure. Oh, before we do so, Lincoln, I got a little something to tell you.

Lincoln: Let me guess, it's about Ataru Moroboshi, right?

Nicole: Oh God, not him!

Me: I've heard about him, Ataru Moroboshi's a very lecherous and perverted idiot with a lazy personality and chases after and tries to grope every woman no matter what the situation.

Travis Tackett: I hate this guy already.

Lincoln: And he was born on Friday April 13th, so he's also got the run of you-know-what, and even though he's a high school student, he should know that this is inappropriate behavior, but perverts like him don't learn, especially since he's a lazy idiot. If he trying to get Lum to be with him along with my harem, that's going to be the straw that breaks the camel's back, and I'm going to kick his ass so hard, he won't be sitting down for a year!

Ultimate Big Chill: If he's just an ordinary high school student, he won't be a problem.

?: Not so.

Suddenly, we saw Kōsuke Shirai and Hokuto, Ataru Moroboshi's childhood best friends arrive.

Lincoln: So, you're Kōsuke Shirai and Hokuto, Ataru Moroboshi's childhood best friends, Lum told me about you two, and you two are just as lecherous as Ataru, so give me one good reason why I shouldn't also beat you two to a bloody pulp.

Kōsuke Shirai: Okay, okay, we get we're just as lecherous as Ataru, but he's not as bad as you think, he does tend to have a good side to him.

Caleb Maxwell: Not good enough...!

Hokuto: Okay, okay, Ataru's not that easy to beat down, he's superhuman with the life force of a cockroach and the rejuvenation powers of a lizard, he also possesses furious tenacity when trying to achieve something, and due to having been electrocuted by Lum so many times, he developed tolerance towards electricity and at times can't be knocked unconscious from it, he also has cartoon-like superhuman abilities and he's able to do incredible things such as popping up out of thin air and can defeat a judo trainer with a single throw, has very good stamina as well as running speed, and Ataru can catch a blade with his bare hands.

Me: So, he's virtually indestructible, has Super Speed, Cunning, he's just plain unlucky, and has the ability of Sword Catching with his hands.

Lincoln: Yeah, I also got that from Lum too, but that's not stopping me. So, if you two want to save your asses along with Ataru's, you'll tell me where he's at.

Kōsuke Shirai: Crap. Ataru!

Suddenly, in the blink of an eye, we saw Ataru Moroboshi appear.

Ataru Moroboshi: What the Hell, guys?! What are you. (Suddenly sees Lum) Wait, Lum? How? You just disappeared, and then, you appear again!

But, when he saw Lincoln's harem, he went crazy, and when he tried to get with them, that did it.

Lincoln: (Taps Ataru Moroboshi on the shoulder) Hey, that happens to be my harem of future wives you were trying to get with and Lum's also one of my future wives, Ataru! (CRACKS KNUCKLES)

Caleb Maxwell: Yes! Yes! The bloodbath's about to begin! (CACKLING INSANELY)

Lincoln: I was warned in advance of how much of a pervert you are, Ataru, and let's just say, when you tried to get with my future wives, you just crossed the damn line once again, and I'm gonna enjoy beating the shit out of you!

Suddenly, Lincoln let out a growl as his deep sapphire blue eyes glowed and his pupils turned into slits and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Me: Oh crap! Lincoln's gone Lincoln The Nocturnal!

WE HAD SWEAT DROPS FALLING FROM OUR HEADS!

Me: Wow...!

Nico: Damn...!

Nicole: Yikes, this is getting really ugly.

But, then...!

WOLF ROAR! CHOMP! SCREAM!

The fight cloud disappeared, and we saw it: Lincoln bit Ataru Moroboshi right on the right shoulder!

Eli: OH CRAP! AND IT JUST GOT UGLIER! LINCOLN, YOU BIT HIM!

Lincoln saw it, and let his fangs go.

Lincoln: Oh man! I can't believe I did that!

Ataru Moroboshi: Ouch! Damn it, hey, what's the idea? You bit me!

Lum Invader: Yikes, and from the looks of it, when Linky bit you, he'd also injected his Alpha Werewolfairan-Vampirairan-Cyborg blood into your body.

Me: Wait, that means...!

Lincoln: Oh crap...!

Suddenly, Ataru Moroboshi started sweating profusely.

Ataru Moroboshi: (Groans) What the Hell? What happened?

Suddenly, he saw what happened to him in a mirror, and...!

SCREAM!

Ataru Moroboshi: What the?! I'm a wolfman again!? Agh!

Lincoln: Hey, cool down. Look, I'm sorry for biting you like that, Ataru, but you needed to learn your lesson, and it's my fault I bit you.

Caleb Maxwell: You deserved it, pervert!

Lincoln: Hey, go easy, Caleb.

Ataru Moroboshi: I can't believe this! I got turned into a wolfman again?! But, what am I gonna do?!

Lincoln: That's where I come in, you're gonna be taken in as a member of TLPS, but I'm going to have you put through an extreme boot camp and intense rehab session to re-educate you and not go back to being a lecherous pervert, and perhaps find love in the same way we males of TLPS have.

WE GASPED!

Kin Tsuchi: What the?! Can that even be done?!

Nicole: No idea, but this'll be quite a challenge for Lincoln, I rubbed off on him big time when we saw him being absolutely totally protective of all his future wives, now he intends to re-educate Ataru Moroboshi through that extreme boot camp and intense rehab session, but there are some perverts who won't change at all.

We looked at Jiraiya, and we knew he's not going to take that lying down!

Lincoln: Master Jiraiya, I know you're not gonna take that lying down, but if you so much as try to do anything to dismantle my new extreme boot camp and intense rehab for perverts, I'm gonna send you flying right into the bathhouses for another pervert thrashing, and this time, I'll be sure to use a golf club to send you flying there after I turn you into an oversized golf ball.

Lori: Uh oh, he's literally not playing!

That got Jiraiya scared.

Ataru Moroboshi: Alright, fine, I'll go through this extreme boot camp and intense rehab you got for me. (Points at Lincoln, me, and Nico) But, be forewarned, Lincoln Loud, J.D. Knudson, and Nico Chan, you three are now my rivals when it comes to romance! I will not back down from you three!

Nico: I like that spirit and determination, even if you are a pervert!

Lincoln: That'll change soon.

Ataru Moroboshi: (To Caleb Maxwell) Nor will I ever back down from you, Dark Lord of Destruction and Demon King of Nightmares!

Caleb Maxwell: What did you just say?! You say that one more time, and you're looking at a one-way trip to The Gates of Hell!

POW!

Allie Maxwell punched him in the face.

Allie Maxwell: Will you knock it off already?! Alright, now for The Three Girls Gang.

Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked them with their greaves and they got hit hard, and Red Savarin slashed at him with his massive greatsword and shot them with bullets and stun blasts and Sly Cooper whacked them hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit them on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to the three morons, and they screamed in agonizing pain.

Lincoln continued smashing The Three Girls Gang hard with his extremely massive godly superhuman strength, and they're no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering them and he even attacked them using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash them all over the place!

Qin: Those three brats don't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering them, now they're at the mercy of The True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at The Three Girls Gang and they got beaten up real good and he was mangled!

Then, Andre Lupescu shot at The Three Girls Gang, then Andre Lupescu slashed at him with his massive greatsword, same with Abaddon Aeternus doing the same thing to them.

(ECHOING VOICE) LIGHTNING HELIX!

Lincoln fired blue helix energy blasts with lightning which hit and pierced The Three Girls Gang right in the chest and impaled their hearts and killed them, and they were sent to The Black Abyss. We cheered as we holstered our weapons and powered down and returned home to The World Tree Estate and Lincoln took Ataru Moroboshi in and put him in his intense boot camp and intense rehab.

Nico: And that's that for those three brats!

Me: You said it. When I catch the no-good lowlife who freed them from their prison, he's dead.

Lincoln: Get in line, J.D., I call first dibs on the lowlife when we do catch him.

?: And we will, the second we do, he's finished.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Caravan of the Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Caravan of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Caravan of the Ice Barrier, and she has an ice greatsword and with her are the four girls.

Lincoln: (Gasps) Chione Frostine, Avatar and Gene-Slammer of Caravan of the Ice Barrier.

Chione Frostine: That's right, and I got the girls away from those three bitches, and I caught what you did beating Ataru Moroboshi into the dirt.

Nico: And of course, biting him on the right trapezius by accident, and caused him to transform.

Me: But, Lincoln's going to put him through Hell with his new program.

Lincoln: It'll take weeks, but by then, he'll be reformed and made a new man after that. (To Chione Frostine) And it's so good to see you again, Chione.

Chione Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Chione Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Chione Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Chione Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Chione Frostine's waist and hugged her, and Chione Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Chione Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Chione Frostine, Avatar and Gene-Slammer of Caravan of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Caravan of the Ice Barrier. She's The Ice Cryomancer of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Chione Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Caravan of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Caravan of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Chione Frostine hated Lola with a passion, and she swore if that little pageant she-demon tried to kill Lincoln again, she would freeze her soul and shatter her body into pieces.

Me: Amihan explained everything about your story, and I knew Lola pissed you off.

Chione Frostine: Between her callous arrogant attitude, her blackmailing anyone to get her way, and her violent temper tantrums and wrath, I was that close to murdering her!

Luna: By freezing her to death and shattering her into a million pieces.

Lincoln: Lola was really pushing her luck when trying to piss everyone off, and we warned her one of these days, she was gonna get knocked off her throne, and now that you're here, Chione.

Lincoln with his massive muscular arms still wrapped around Chione Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Chione Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Chione Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Chione Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Chione Frostine.

Chione Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Chione Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Chione Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Chione Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Chione Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the four girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

Chione Frostine: HOLD...! (Saw us gone) It!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the four girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the four girls are Luo Su, Yaoyao Li, Xi Su, and Luo Lu from The Demonic King Who Chases His Wife.

Lincoln: Oh whoa, it's Luo Su, Yaoyao Li, Xi Su, and Luo Lu from The Demonic King Who Chases His Wife.

Nicole: Sometimes, I wished the guys didn't run, but I know why, these girls are cute.

Lincoln: But, they're also targets for perverts and those who want to kill them and spill their blood. Are you girls okay?

Luo Su: Yes, we're okay thanks to you.

Nico: No way, the only Yggdrasilliairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Eldrana Yggdrasilliaira, Queen of the Yggdrasilliairans of Planet Yggdrasilliaira, Yggdrasilliaira, a planet of eternal forests, divine trees, and spiritual energy and with a massive World Tree overflowing with life and protected by powerful omnipotent angels known as The Yggdrasilliairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born nature-born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, she's The Queen of The Yggdrasilliairans, and she's also far more powerful than her own people: in addition to being a a natural-born nature-born warrior and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, but she was also born with radiant angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Yggdrasilliairans into his body gaining vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Yggdrasilliaira, its World Tree, and its core into his body and Yggdrasilliaira's Sun into his body to preserve their legacy. Elandra Yggdrasilliaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and all the powers of The Yggdrasilliairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Yggdrasilliairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Yggdrasilliaira and its core and Yggdrasilliaira's Sun into his body to preserve their legacy. Lincoln made her an awesome nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to entangle them in eternal vines and break them with the wrath of Yggdrasilliaira.

Me: That's incredible.

Elandra Yggdrasilliaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Yggdrasilliairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of divine energy, nature, life, soulbinding, healing, elemental spirits, forests, trees, life force, sacred vines, and the immense omnipotent powers of the World Tree times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and absorbed Yggdrasilliaira and its core and its massive Sun into his body to preserve their legacy.

Arpina Infernaira: That's right, and Yggdrasilliaira's World Tree's merged with The World Tree Estate.

Me: Along with the sacred groves after Lincoln restored them, and you also included immense virility and fertility as well? That means...!

Elandra Yggdrasilliaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Elandra Yggdrasilliaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Elandra Yggdrasilliaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her

blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Elandra Yggdrasilliaira with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Elandra Yggdrasilliaira: That's my special gift to him: Yggdrasilliaira's Blessing of Divine Sacred World Tree Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Elandra Yggdrasilliaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Yggdrasilliairans both male and female are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us killed The Three Girls Gang and sent them to The Black Abyss forever and Lincoln beat Ataru Moroboshi to a pulp and took him in, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Chione Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Chione Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his

hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Chione, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Chione Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Chione Frostine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0

We also saw Ataru Moroboshi doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous brown angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large brown angel wings underneath his enormous brown angel wings and he was sweating up a storm, and he was really being put through a brutal training.

Lincoln: This'll be what you'll be doing during your extreme boot camp and intense rehab, Ataru, after that, you'll be doing 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 laps all over Earth Omega.

Jiraiya: I don't believe this, he's gonna break him! I'm not gonna stand for it!

Lincoln summoned Chakra Chains and restrained Jiraiya and the other perverts on our team.

Lincoln: Nice try, but I was prepared for that! Ed! Do you have something to say to them?!

Ed Cowart: Yes, I do!

Then, Ed Cowart glared at Jiraiya and the other perverts on our team.

Ed Cowart: Alright, listen up, you motherfucking perverted dirtbags! I alongside Lincoln and The Anti-Pervert Patrol have a Zero Tolerance policy against perverts that dare to disrupt this very boot camp! You fucking fruit-sucking fucktards better not fuck up the boot camp or I will kick your stupid perverted asses so hard, you'll be sitting on ice for a fucking year! In fact, I will personally mail your asses to Australia where you'll be feeding mosquitoes for a month! And above all else, should you even dare raise a complaint against Lincoln's extreme boot camp, and if you so much as look at those in the harems such as mine, J.D.'s, Nico's, or even Lincoln's or dare try to destroy the boot camp, Lincoln, The Anti-Pervert Patrol, and I will be kicking your asses so hard, that only footprints will be on your asses! In fact, if you even think about raising a complaint, I'll know and the penalty is me kicking your asses!

THEY SCREAMED IN ABSOLUTE HORROR!

Nicole: That should shut them up for a while!

Sakura Haruno: Especially with a threat like that! But, I got a feeling they'll try to do something real stupid in trying to destroy the boot camp.

Lincoln: The second they do, they're in big trouble.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw what it was that'd triggered the alarm, we saw hired thugs of S.U.S.P.E.N.S.E., and they're causing havoc at The Howard Resort.

Rio: (Gasps) The Resort is being attacked, but who are those men?!

Nico: Those are hired thugs of a terrorist group known as S.U.S.P.E.N.S.E., I can guess the Millers found out about what happened with Dr. Linnaeus getting killed months ago, and now, they want revenge.

Lincoln: No way, come on, let's get them!

We headed to The Howard Resort, and it was a really awesome place, and then, we saw the thugs of S.U.S.P.E.N.S.E., and as soon as they saw us, they started charging like angry bulls!

Rio: You're gonna pay for wrecking our resort and the casino.

Rio threw her playing cards like kunai, and slashed some of the thugs hard.

Setsuna: Nice one, Ms. Rio.

Suddenly, Setsuna's massive True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Inferno Blue Fire Wind Divine Noble Royalty Wind Inferno Seven Stars Phoenix Fire Storm Fury Fiery Justice Noble Fox Beast True Seraphim God Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Inferno Blue Fire Wind Divine Noble Royalty Wind Inferno Seven Stars Phoenix Fire Storm Fury Fiery Justice Noble Fox Beast True Seraphim God Phoenix God Archangel Justice started glowing with blue energy and magical energy as it grew to 3,900'11" in length with embedded cyan blue gems and seven colored gems arranged like the gems on The Seven Stars Sword and The Kusanagi Sword from Toukaiden and The Elements of Harmony of Sunny Starscout and her friends and a fox etched on the 3,800'11" massive, hulking, wide, double-edged gold blade, large gold fox heads with cyan blue gems for eyes for the crossguard, large white angel faces built into both sides of the crossguard and large cyan blue gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, long 100'11" midnight black handle, four large gold fox heads with cyan blue gems for eyes and on the bottom of the large gold wolf heads is a large gold fox head with cyan blue gems for eyes and cyan blue gem in its mouth and cyan blue fur tassel for the pommel.

Setsuna fired powerful blue energy slashes and blue magical blasts with slashes of his newly evolved massive blade which hit more thugs and killed them.

Setsuna: Now, get out of here and don't you dare come back!

S.U.S.P.E.N.S.E. Thug: Screw you! Get him!

The remaining thugs bellowed like bulls and charged at Setsuna, but they got cut down and slashed into pieces by Setsuna. Then, we returned home to The World Tree Estate.

Setsuna: Those thugs have absolutely no manners at all, did they do any sort of...?

Lincoln: They did, but I used my powers to fix the resort and the casino.

Aria Yamamoto Zero-One: I swear, one day, I am gonna find the Miller Family and bring down all of S.U.S.P.E.N.S.E. and bring them to justice and executed for unethical experiments. I still have all the info on them.

Nico: When we get after them, we'll make sure they get sentenced to death for all their crimes.

Lincoln: We already took care of Dr. Linnaeus, now all that's left are her former associates.

We got a shower, and then, Lincoln, Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie are heading to Miyako Island in Japan, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all, and Lincoln brought Kyoko Hayashi back from the dead.

Kyoko Hayashi: Wow, we're here in Miyako Island, it's so beautiful.

Lincoln: You said it, Kyoko, and it's perfect for our first date. Shall we?

Lincoln, Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem dived into the waters and they began swimming and they also saw the marine life living there, and then, they came back to the beach, and Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw The Azure Dragons, the main antagonist from Heroes of Might, coming after them.

Anna Anyanova: Oh no, The Azure Dragons.

Lincoln: What the?! I got them.

Lincoln went after The Azure Dragons and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of The Azure Dragons and he began absorbing them and he assimilated The Azure Dragons' Blue Fire, Fiery Breath, Flight, Immense Durability, Immense Strength, Magic immunity, and Speed, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared

up even more with elements around him and Lincoln sucked out the last of The Blue Dragons' energy and he sent them to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem were lying down on a massive beach towel with Lincoln on top of Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Miyako Island, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie are in your harem, Linky.

Kyoko Hayashi, Sugarfly Cookie, Crimson Coral Cookie, Mystic Opal Cookie, Golden Citrine Cookie, Aquamarine Cookie, Rainbow Sherbet Cookie, and Witchberry Cookie showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The Azure Dragons from Heroes of Might and Magic came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed them and assimilated all of their powers and abilities, and I sucked out the last of their energy and sent them to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing

900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: You guys have fun.

Poromon: We will.

The doorbell rang.

Me: Come in.

In came a woman that Takato and Jeri knew.

Takato: Ms. Asagi?

Jeri: Wow it's good to see you.

Nami Asagi: Takato and Jeri, I was so worried about you.

Me: Are you Takato and Jeri's teacher?

Nami Asagi: I certainly am. I'm Nami Asagi and Kazu, Kenta, Jeri and Takato are some of my students in my school.

Me: Oh pleasure to meet you.

Nami Asagi: You too. I Was so worried about my students and why they haven't been at school for a while.

Me: Well we have so much to talk about. I'm sorry they worried you. We have a lot to talk about.

I formed a shadow clone and had it watch the game and I took Takato, Jeri and Ms. Asagi into a private room to talk.

Apple Bloom: Let's see how this game plays

Poliwag: Never have I ever had a midnight snack!

Me: Okay I'm stumped. How does this work?

Nico: What you do is you reveal a secret that you have.

Me: Okay.

Poromon: Okay I eat Nico's chicken wings and cheese sandwiches for midnight snacks!

Nico: (ANGRY) POROMON!

Me: Jeez Nico you need to keep a lock and key on your snacks.

Nico: YEAH!

Poromon: Sorry Nico I can't help it! I get hungry every night around midnight.

Qin: I see why.

Poromon: My turn!

Me: Okay.

Applejack: I get it now!

Poromon: Well, never have I ever eaten bugs!

Eddy: This is fun.

Poliwag: Okay I admit it! I like eating all of Timon and Pumbaa's bugs when they aren't looking either.

Timon: HEY! That explains why our bugs are gone!

Poliwag: I'm a Tadpole Pokemon and everyone knows that frogs eat bugs!

Pumbaa: He's right on that!

Tsuyu: That is silly though. Ribbit.

Nico: YUCK! Poliwag that is gross!

Poliwag: Sorry but it's part of my species as a Pokemon.

In the room, I was talking with Ms. Asagi.

Nami Asagi: So Jeri and Takato and everyone were busy helping you guys over the last 8 years?

Me: It's true and they have all been a tremendous help to all of us since then.

Jeri: It's true and it's fun.

Nami Asagi: I see. I'm so glad you all have been a big help. (Gasp) Takato, Jeri are you two?

They showed their rings.

Takato: We sure are. Husband and wife.

Me: They tied the knot last year and it was such a happy time for them.

Jeri: Yep.

Nami Asagi: Oh I'm so happy for you both.

Sheena: I said it before and I'll say it again, Poliwag you and the mascots are the wackiest bunch of Pokemon and Digimon and creatures I've ever laid my eyes on.

Poliwag: Yeah we know

Me: They get that a lot.

Deluge: What happens if someone declares a topic and there's no secret related to it?

Horsea: Then no one answers. Like this. Never have I ever smuggled cocaine.

Roger: Yay, cocaine!

Jamesdean5842: (Sternly) Roger don't even think about it.

Roger: (GULPS)

No one answered that.

Me: That answers that one.

Horsea: Never have I collected rare jewels.

Manaphy: Okay it's a hobby I like doing! Be right back.

She went into her room and came back with a box. In it was a bunch of REALLY AMAZING JEWELS!

Me: (WHISTLES) Wow those are amazing!

May: Wow! Manaphy where did you find all these?

Manaphy: I like going into caves and also take jewels from treasure too. It's quite amazing.

Rarity: These jewels are just absolutely beautiful and amazing darlings.

Me: They sure are. These jewels must be worth a lot.

Manaphy: They are. It's why I like them.

Me: I can see why.

In the room I was talking more with Nami Asagi.

Nami Asagi: So Jeri has a past?

Me: Yes she had to hide it because of a mask. It's not a pretty past.

Jeri: It's true. I was hiding my true face behind a mask.

She told her dark past and it was not pretty.

Nami was shocked and horrified.

Nami Asagi went over and hugged Jeri and cried with her.

Me: (Pats their backs) We were saddened by it. Varie even knows how she felt.

Takato: It's true and it was awful.

Me: Yeah.

Back with the group.

Beachcomber: Keep it coming

Manaphy: Never have I ever farted in my sleep

Horsea: All right I have a nasty problem! I fart in my sleep and it is bad.

Maria: That explains why I smell rank farts every night!

Lana: I feel your pain Horsea. I have a nasty habit of farting in my sleep myself and my farts smell just as bad as Lori's.

Lori: (Offscreen) I HEARD THAT!

Me: Boy that is crazy! I've known all about Lana doing that since I first moved in back in 2016.

Nico: Does Lana really sleepfart like that?

Me: You have no idea Nico.

Ymir: Boy that is nuts.

Jirachi: Never have I ever taken Jellyfish pictures?

Tentacool: Okay I like taking pictures of Jellyfish with SpongeBob and Lily when he and Patrick go Jellyfishing.

Varie: Do you really Tentacool?

Tentacool: I sure do.

She went to her room and came back and showed a photo album and in it was a bunch of photos of Jellyfish in Jellyfish Fields.

Me: Whoa look at all the jellyfish.

SpongeBob: We saw MANY KINDS of jellyfish during the Great Jellyfish Migration and Tentacool got some really neat pictures of them.

Lily: It's true. There's a Blue Crested Blaster, Speckled Squirter, Two-Fisted Jumpers, Golden Throated Singer and so many more.

Me: Boy there are many different kinds of Jellyfish.

Tentacool: It's so cool seeing them.

Olga Orromov: There are so many of them in so many colors and species.

Qin: Yeah.

In the room with Takato and Jeri, Nami and Jeri calmed down.

Nami Asagi: I'm so sorry you went through all that. Why didn't you tell me?

Jeri: I didn't want to worry you about that. But I'm all better now.

Me: Jeri is better now and she and Takato are happy now.

Nami Asagi: I'm glad. And Takato I'm so happy you came so far in these last few years.

Takato: Thanks Ms. Asagi.

Back with everyone.

Tentacool: Never have I ever grown trees.

Jirachi: Okay I grow gold and money trees in different places and areas while people are sleeping.

Me: That explains the sudden appearances of gold, money and food tree in the slums areas and small houses overnight. But that is cool.

Jirachi: It sure is.

Me: Nothing wrong with that.

Jirachi: Yep. Never have I smothered a cat in gravy to eat it.

Mevya: I think everyone saw me do that earlier. It's part of some payback I got on Gatomon.

Me: Yes you did show us that and that was funny.

Qin: Yeah I guess you were fed up with Gatomon trying to chase after you like that.

Me: That's like something I saw in a cartoon once. Like a mouse trying to eat a cat. Like that hungry mouse that tried to eat Sylvester by gnawing on his tail and head.

Mevya: I actually first did it before today

Me: Yes you did. We saw.

Qin: Yep.

Kari glared at Kevin again.

Mevya: I like to turn the tables on Gatomon when she is sleeping and turn her into a CAT A LA MODE dish.

Gatomon growled!

Me: Oh boy.

Qin: Yikes!

Xenia: Crazy!

We then laughed hysterically!

Me: Boy we have a lot of crazy things on our minds.

Manaphy: We sure do.

Later we were over in the park.

Takato: Glad you came over Ms. Asagi.

Nami Asagi: I'm glad I could come Takato.

Jeri: Same here.

May: We are happy too.

But then something lifted May!

May: HEY! Get me down!

Me: What the!? LOOK!

We saw that she was picked up by a Yanmega!

Me: WHOA! A Yanmega!

Nico: Where did that come from?

May: Get me down!

But then...

May: (SCREAMS)

She was dropped and then..

KRASPLASH!

She landed in the park lake!

Me: Okay that is silly!

Manaphy: Mama!

May: (Spits) I'm okay Manaphy.

Manaphy: Okay that was silly!

We were concerned for Manaphy

May: Manaphy?

Me: At least it was an act of mischief and not an attack.

Manaphy: I know. But that was funny though!

Vierra Voltic: Too bad she didn't do it to Jessie like this.

She slapped the water and got Jessie all wet and flattened her hair!

James and Meowth screamed!

Jessie: (ENRAGED) NO ONE FLATTENS MY HAIR!

She went a Vierra Voltic and punched and kicked at her and Vierra grabbed her and electrocuted her all over the place with intense electricity!

ZZZZZZAAAAAAAAAAAAAAAAAAAAPPPPPP!

Ed: Zappity Zap Zap!

Sheena: Lets see. Whoa! This ones name is Harlya Hypnotick. She is half Psycholeopterran.

Me: Whoa! She's a hybrid of the natural predator of the Necrofriggians.

Nico: Nice!

Me: Yep.

Vierra Voltic: And finally this!

KRABLAM!

She punched Jessie and sent her flying!

Jessie: (SCREAMS)

She flew over Nico and then...

KRASMASH!

She smashed into a tree and her head and body went right through it and she was stuck!

Me: WHOA! Nice one!

James: WOW!

Vierra Voltic: Hope her fat body isn't going to leave her stuck in that tree forever.

BURN! BOOM! ROASTED!

James and Meowth laughed hysterically!

Me: Okay you guys have a roast-off.

Hypnotick: We'll handle the Yanmega.

We went over.

Hypnotick: Easy kid. You'll be fine.

She used her powers on Horsea but she put her clone in front of her

The clone got put into a hypnotic daze. She then farted in Nico's face!

LOUD FART!

Nico gagged and coughed!

Me: Okay then.

I snapped my fingers and she reverted back. She was a girl with blue hair and pink eyes and had blue butterfly wings and on her head were blue moth feelers. She had Yanmega on her forehead and on her arm was a snowflake with Hypnotick on it as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: There.

Jessie: Get me out of this tree! I want to make that brat pay for this!

Vierra Voltic: Oh I would but I'm afraid your hot temper would draw a bunch of coconuts to hit you like a magnet.

BURN! BOOM! ROASTED!

WE LAUGHED HYSTERICALLY!

Ash: Pikachu?

Pikachu: Right. Pika CHUUUUUUUUUU!

He fired a blast of lightning and electrocuted her and she screamed and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

THE TREE EXPLODED AND SHE WENT FLYING HIGH!

Jessie: LOOKS LIKE I'M BLASTING OFF AGAIN!

TING!

Me: Whoa! Nice one! But wait.

TING!

She screamed as she fell down and then...

KRASPLASH!

SHE LANDED RIGHT IN THE LAKE AND WAS REALLY DIZZY AND KNOCKED OUT!

Jessie: (Groans)

She woke up to see Horsea's Smiling face.

Harlya Hypnotick: (Groans) What? A Horsea?

Horsea: You used hypnosis on my clone!

Harlya Hypnotick: I'm sorry about that.

Me: Well you were turned into a Yanmega by Dark Gale.

Harlya Hypnotick: Oh man! I was battling a bunch of crazy Ghost Pokemon in a tower outside of Saffron City.

Me: Wait were they a Gastly, Haunter and Gengar?

Harlya Hypnotick: Yes they were! How did you know?

Ash: I know those 3. They are funny.

Me: Long story.

Nico: Oh, how was the talk?

Me: It was a good talk.

Qin: Cool.

Me: Oh and Nico...

WHAM!

I SMASHED HIS FACE IN WITH A SLAPPING FAN!

Nico: HEY!

Me: Sorry. Just testing out this. It's called a Slapping Fan. Saw it many times before.

Nico: I see.

Lola: Funny.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave Harlya new blue clothes and an ice sword.

Harlya Hypnotick: I look awesome.

Me: You sure do.

We went back home.

Azula: That was actually a fun game

Me: It sure was.

Qin: Yep.

Lola: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was the heartless buttface bully, Kyle Finkster, he's broken out of The Charon Reform School and he's in Neo Phoenix Land and he wants revenge on us. When we saw it, we knew it meant trouble, BIG!

Lincoln, me, and Nico: YOU BUTTFACE BULLY!

Eli: Oh great, Kyle's back!

Lincoln: Should've known that idiot would return.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision

and I saw who it was that we're going to confront today: it's Kyle Finkster, the heartless buttface bully, he's broken out of The Charon Reform School and he's in Neo Phoenix Land and he wants revenge on us.

EVERYONE GASPED!

Applejack: That no-good sidewinding varmint! I knew he'd return, looks like he hadn't learned his lesson.

Lincoln: After we defeated him two years ago, he hasn't. Brie, you got our new prison up and running?

Brie Bespin: Yep, and Kyle Finkster's going to be put in after we take him down.

Me: A new prison on Bespin?

Lincoln: Yep, I'll tell you about it when I discuss my battle plan.

Nico: This should be good, alright, team, let's get going to Neo Phoenix Land and give that buttface moron a taste of his own medicine.

Lincoln: You're not getting out of this again, Kyle Finkster, this time, you're going to prison forever.

Me: Kyle is going to get his butt kicked big time.

The previous group came.

Trickster: Can me, Mojo Jojo, Brain Freezer, Manta Bayarsh, Bizarro, Cluemaster, Ebon, Pyro, Radioactive Man, and Scorpion go with you guys?

Nico: Yes you all can come with.

Me: We're going to Neo Phoenix Land for this.

Varie: Yep.

Nadira: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Rampart Blaster next.

Me: Explosive.

Qin: Yep.

Varie: Intense.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Urizen from Spawn, and that soul-devouring demon's coming back for more. When we saw it, we knew it meant trouble.

Lincoln: You're back for more, eh!?

Me: Was that...?!

Lincoln: Yep, Urizen's back for more after what I did this morning in sucking out all the souls that he devoured countless eons ago before time began, and he wants revenge.

Malacoda Malefic: Figures, but this time, you're going to absorb him and suck out all the energy in his soul, right?

Lincoln: That's right, Malacoda.

Nico: This time, we'll be rid of Urizen forever. Alright, team, let's get going to Neo Phoenix Land.

Lincoln: And take down Kyle Finkster and throw him in our new prison on Bespin, and once we get done with that buttface bully, you're next, Urizen.

Malacoda Malefic: Your crimes against the universe can never be forgiven, Urizen, this is where you die.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to Neo Phoenix Land to hunt down Kyle Finkster, the Buttface Bully and send him to the new prison Lincoln and Brie Bespin had built, and once we get done with him, Malacoda Malefic and Lincoln are going to take down Urizen and Lincoln's going to absorb him.

We were off to Neo Phoenix Land

* * *

We arrived.

Me: We're here.

Mojo Jojo: Let's call the Vreedle Brothers

Me: Good idea.

They came.

Octagon: We're ready for this.

Rhomboid: Me too.

Me: Awesome.

Commander Mars: Applejack, can we have some Cosmic Crisp apples?

Applejack: Y'all sure can.

Me: Wait! First we got to head to Appleoosa and go to the Equestria Badlands.

Nico: Oh right! Forgot about that.

Me: Lets go. We'll leave shadow clones here to watch this area.

Nico: Good idea.

We were off.

We arrived in Appleoosa.

Me: Here we are.

Camie: What does it say about where she is?

Me: According to Galaxia's notes she is located in a cave in a rock plateau by Little Strongheart's village.

Bizarro: Bizarro forgot this part,

We went to Little Strongheart's village.

We arrived and looked around.

Me: Should be here somewhere.

Qin: Hmm.

My sword then glowed.

Me: My sword is glowing. We're close.

Laney: Look there!

We saw a cave in a huge rock plateau that had a big apple formation on top.

Me: That is a clever beacon

Hood Sickle: We have to be getting close.

We went into the cave.

We went down a tunnel and it lead to a door and it had Applejack's cutie mark on it.

We pushed open the door and then...

CRASH!

A MASSIVE AVALANCHE OF APPLES FELL ON US!

Cluemaster: Hey guys, we're here.

Me: Avalanche of apples falling on us is a giveaway.

Nico: Yep.

We got out of the apples and went into the room.

We saw that it was a farm room.

Me: Wow!

Xenia: Look!

We saw a crystal coffin and in it was APPLEJACK OF SUNNY'S WORLD!

Me: It's Applejack!

Sunny Starscout: Just like in the notes!

Sprout Cloverleaf: Lets bring her back.

Sprout touched the coffin and then a MASSIVE AND INCREDIBLE SURGE OF MAGIC BLASTED OUT! SWEET APPLE ACRES AND

ALL THE APPLE FAMILY FARMS AND LOCATIONS EXPANDED AND WERE BETTER THAN EVER!

Applejack woke up for the first time in 1,000 years!

Me: Welcome back to the land of the living Applejack.

Applejack (G5): What in tarnation happened? I feel like I was run over by a stampede of cattle.

Alternate Chrysalis: It's a long story

We told her everything.

She gasped.

Applejack (G5): Why that sidewinder Opaline!

Me: I know. But there's a prophecy around me and many of us destroying Opaline. She will pay for her crimes when that day comes.

Xenia: Yep.

Applejack (G5): I will gladly help y'all out.

Radioactive Man: Remember Rodney and Andy?

Applejack (G5): How can I forget y'all. We beat Kyle together.

Andy: That is for sure.

Me: Now we got to get to Neo Phoenix Land.

We went back to Neo Phoenix Land.

* * *

We arrived.

Me: Here we are.

Lola: Thank goodness.

Xenia: Kyle is coming. I know he is.

Horsea hopped on G5 Applejack's head

Horsea: Just glad you're back.

Applejack (G5): Same here Horsea.

But then without warning a MASSIVE CORNFIELD GREW!

Me: What the!? Where did all this corn come from?

Qin: Oh man!

Lincoln then gasped!

Lincoln: This is the work of Applejack's Akuma, Hellcrow! The Hypothetical Akuma form of Applejack and she is a demonic scarecrow of death. She was made this way because of Dishwater Slog always mooching off of her and making her look so mediocre. Well now she is going to give that lazy piece of dirt a piece of her mind!

WE GASPED!

He showed a sketch of her and she looked like a grim reaper scarecrow with a pumpkin with demonic wings and had a scary scythe.

Me: WHOA MAN! That is a scary scarecrow! And she was made because of Dishwater Slog!? That repulsive filthbucket!

Qin: He just enjoys making people feel small!

Xenia: YEAH!

Threatpack: Joke's on her, I can just fly over this cornfield!

Me: We all can.

We flew over.

Then demonic laughter was heard and out came HELLCROW!

I blocked a strike from her scythe and knocked her back!

She threw pumpkin bombs I dodged them and they exploded!

MASSIVE FIERY EXPLOSIONS!

I absorbed the fire and blasted her all over!

Me: Okay you obviously are Applejack. You can't tell a lie right?

Hellcrow: I sure can't. Even I am still honest to not fall for the Flim Flam Brother's lies.

Me: That is definitely Applejack all right.

Scorpion: Applejack? Is that you?

Me: I think we just confirmed it really is.

I slashed her down.

Octagon: Well you need to calm down now!

Rhomboid: Or we're going to blow you up!

Qin: YEAH!

Rhomboid: And real good!

Hellcrow: Not until that jerk suffers!

Me: Okay then.

I fired waves of energy and blasted her.

The Vreedle Brothers fired waves of energy and they hit her and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOMMMMMMM

She was blasted all over

She got up.

Hellcrow: My turn!

She threw a bunch of pumpkin bombs and I threw them back and they hit her and exploded all over.

She was knocked out.

Me: There.

The Cornfield vanished as fast as it appeared.

Me: That did it.

Gravity Man: At least it wasn't any Scarecrows we fought before

Me: Too true.

Qin: Now we need to smash Kyle's face in.

Lincoln: And send him to our newest prison on the planet Bespin.

Me: Perfect.

Applejack: Now he is going to see how far we have come.

Me: Yep.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of Neo Phoenix Land, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Kyle Finkster, the heartless buttface bully, and as we already know, he's back for revenge on us for two years ago.

Suddenly, Lincoln's deep sapphire eyes turned crimson red and his pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four

Lincoln let out an extremely massive and savage roar as he pounded his chest like an Alpha Male Gorilla.
